Salads In The Spring

Salads, nowadays, are no longer confined to the summer as they used to be when greens, radishes, cucumbers, tomatoes, celery, etc., put in a brief appearance and then disappeared until next summer. Delicious salads can now be made the year round from numerous combinations.

Salads are a versatile food, they tempt the appetite on a hot day or satisfy it on a cold day; they can be either a light refreshment or a hearty dish; they are also an excellent means of presenting small amounts of left-over foods chattering the refrigerator. These little bits of different foods add flavour, colour and variety to any salad.

The appearance of the ingredients used, especially the greens, will contribute greatly to the eye appeal; they must be fresh, perky and crisp, except in the case of the wilted greens which are wilted deliberately. Other requisites of the attractive salad are colour contrast and colour harmony. Salad greens, scarlet tomatoes, pale green cucumbers, golden orange carrots, etc., really create a symphony of colours.

No salad is complete without a dressing and said dressing as many and diverse. It must be remembered that the dressing should complement the flavour of the salad with texture and harmonize with the character of the salad.

The following salad recipes are suggested by the home economists of the Consumer Section of the Dominion Department of Agriculture.

SPRINGTIME SUPPER SALAD

- 1 cup cooked meat, diced
1 cup cooked potatoes, diced
1 cup cooked beets, diced (if canned, drain well)
1/2 cup sliced radishes
1 teaspoon celery seed
1/4 cup chopped green onions
1/2 teaspoon salt
1/4 teaspoon pepper
2 hard-cooked eggs, coarsely chopped
2-3 cup cooked salad dressing
1 hard-cooked egg, which is to be sliced and used as a garnish. Add salad dressing last and toss ingredients lightly together. Chill thoroughly and serve on crisp lettuce. Six servings.

THREE-IN-ONE LUNCHEON SALAD

- PART 1: 2 cups diced cooked meat, 2 lbsps. chopped green pepper, 2 lbsps. chopped green onion, 2 lbsps. mayonnaise, 1/4 tsp. Worcestershire sauce, 1 tsp. catsup, Rub bowl with a clove of garlic if desired. Combine meat, green pepper and onion. Blend together mayonnaise, Worcestershire sauce and catsup. Pour over meat mixture and toss together lightly with a fork. Chill.

PART 2

- 2 cups cooked lima beans, 1 tsp. chopped parsley, 2 lbsps. mayonnaise, 1/4 tsp. curry powder, 1/8 tsp. chili powder. Combine lima beans and parsley. To mayonnaise add the curry and chili powders, blend well. Add to beans and mix together lightly. Chill.

PART 3

- 1 cup coarsely grated raw carrot, 2 cups shredded cabbage, 1-3 cup chopped cucumber or radishes, 2 lbsps. chopped green onion, 3 lbsps. mayonnaise, 1/2 tsp. prepared mustard. Mix together the carrot, cabbage, cucumber or radishes and onion. Blend mayonnaise with prepared mustard and pour over salad. Toss
