HIS BLADDER WAS TERRIBLY INFLAMED

GIN PILLS Brought Relief. Larder Lake, Ont., March 26th. "I had been suffering for some time with my kidneys and urine. I was constantly passing water, which was very scanty, sometimes as many as thirty times a day. Each time the pain was something awful, and no rest at night. I heard of your GIN PILLS and decided to give them a trial at once. I sent my chum 50 miles to get them and I am pleased to inform you that in less than six hours, I felt relief. In two days, the pain had left me entirely. I took about half a box and today I feel as well as ever and my kidneys are acting quite natural again." SID CASTLEMAN. GIN PILLS soothe the irritated bladder—help the sick, weak, painful kidneys—and strengthen both these vital organs. Money back if they fail. 50c. a box, 6 for \$2.50. THE WORLD'S WORK DEPENDS ON THE WORLD'S DIGESTION

From the captain of industry to the food carrier—from milady in the auto to the woman with the scrubbing brush—the accomplishments of every one of us depend absolutely on the accomplishments of our stomachs. Backed by a good digestion, a man can give the best that is in him. When his stomach fails, he becomes a weakling. To this loss of power no one need submit. Right habits of eating, drinking, sleeping and exercise, aided by Na-Dru-Co Dyspepsia Tablets, will restore and maintain the full efficiency of the human mind and body. Na-Dru-Co Dyspepsia Tablets contain the active principles needed for the digestion of every kind of food. They go to the assistance of the weakened stomach, and enable the sufferer, right from the start, to assimilate and get the benefit of the food eaten. With this assistance, the digestive organs regain their tone, and soon the use of the tablets is no longer necessary. If your stomach is not working properly, try Na-Dru-Co Dyspepsia Tablets. 50c. at your druggist's. National Drug and Chemical Co. of Canada, Limited, Montreal.

FOX NEWS

The good news reached The Guardian from Crapaud that the three pairs of foxes owned by the Silver Tip Fox Company of Crapaud are expected to give birth to litters within the next few days. This news will be greatly appreciated by stock holders of this company and with fairly good luck the company will pay easily over two hundred per cent. as the three pairs are capitalized at \$25,000. It will be remembered that last year this company was minus any increase.

MOVING PICTURES

WINNIPEG. March 31.—Moving Pictures were opened for business on Sunday for the first time. Permission was given by the City.

K. C. M. G.

A pompous politician, while on his way out to take over the Governorship of one of our colonies, was approached on the promenade deck by an innocent-looking fellow-passenger, who, raising his hat, humbly inquired—"Would you mind telling me your name, sir? It has puzzled one or two of us." "Knight Commander of St. Michael and St. George, of course," said the pompous one, as he inflated his chest. "Oh!" said the innocent, "I thought it meant 'Kindly Call Me'."

HAVE YOU ENEMIES?

Go straight on and mind them not. If they block up your path walk around them, and do your duty regardless of their spite. A man who has no enemies is seldom good for anything; he is made of that kind of material which is so easily worked that everybody has a hand in it. A sterling character, one who thinks for himself and speaks what he thinks—is always sure to have enemies. They are as necessary to him as fresh air; they keep him alive and active. A celebrated character, who was surrounded with enemies, used to remark—"They are sparks which, if you do not blow, will go out by themselves." Let this be your feeling while endeavoring to live down the scandal of those who are bitter against you. If you stop to dispute you do but as they desire and open the way for more abuse. Let the poor fellow talk; there will be a reaction if you perform but your duty, and hundreds who were once alienated from you will flock to you and acknowledge their error.

Famous "Pint of Cough Syrup" Recipe

No Better Remedy at Any Price. Fully Guaranteed.

Make a plain syrup by mixing two cups of granulated sugar and one cup of warm water and stir for two minutes. Put 2 1/2 ounces of pure Pinex (50c. worth) in a 16-ounce bottle and fill it up with the Sugar Syrup. This gives you a family supply of the best cough syrup at a saving of \$2. It never spoils. Take a teaspoonful every one, two or three hours.

The effectiveness of this simple remedy is surprising. It seems to take hold instantly, and will usually stop the most obstinate cough in 24 hours. It tones up the faded appetite and is just laxative enough to be helpful in a cough, and has a pleasing taste. Also excellent for bronchial trouble, throat tickle, sore lungs and asthma, and an unequalled remedy for whooping cough and croup. This recipe for making cough remedy with Pinex and Sugar Syrup (or strained honey) is a prime favorite in thousands of homes in the United States and Canada. The plan has been imitated, though never successfully. If you try it, use only genuine Pinex, which is the most valuable concentrated compound of Norway white pine extract, and is rich in gualacol and all the natural healing pine elements. Other preparations will not work in this respect. A guarantee of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Toronto, Ont.

A Fox Ranching Proposition

That Meets all the Requirements of the Conservative and Careful Investor

Letters patent have been applied for to incorporate the Upton Black Fox Company Limited, with an authorized capitalization of \$70,000 divided into 1400 shares at a par value \$50.00 per share.

The stock of this company is now offered to the investing public at the par value of \$50.00 per share, for the purpose of purchasing five pairs of pure bred black foxes, procuring a suitable ranch near Charlottetown, and leave 4000.00 in the treasury for the first year's expenses.

The promoters of this company having intended faith in the future of the Fox Industry, and believing that there are numbers of small investors who have been unable (on account of the high price of shares in other companies) to get their money invested in this profitable industry, have placed the price of shares at \$50.00 thereby making it possible for the man with a very limited amount of capital to share in the profits of this industry which has revolutionized the furrier's industry in this Province. Options have been secured on five pairs of the best pure bred Black Foxes in the world their pedigrees tracing back to the foxes whose pelts have produced world's records on the London market. These options are composed of one pair of tested breeders and four pairs of early pups of 1913.

The Attractive Features. One of the attractive features of this proposition is the location of the ranch, which is on the Upton Farm situated on the Upton road three miles from Charlottetown, and it has been declared by experts that a more ideal spot could not be found on P. E. Island. The ranch will be built on the latest approved plans for the comfort and safety of the foxes and building will be commenced before April 15th. ANOTHER IMPORTANT FEATURE is the fact that the shareholders will participate in all the profits which the ranch produces, only the actual expenses for rents, keeper, feed, etc., being charged against the increase.

Probable Returns. A conservative estimate of the increase and the profits for the first year are as follows:— From one pair of breeders..... 4 pups From four pairs of young stock..... 8 pups Making a total of 12 pups Which at the present price of \$6,000.00 each will give a gross return of..... \$72,000.00 From this is to be deducted the expenses, consisting of rent of ranch wages, feed, etc. say..... \$4000.00 Leaving the sum of \$68,000.00 or 97 p. c. to be paid out in dividends.

Application Form. For the benefit of those who cannot call at our office to apply for shares we insert this application form. Fill out and mail to H. G. Jenkins, 57 Grafton St. Charlottetown. We the undersigned hereby subscribe for and agree with the Upton Black Fox Company, Limited, to take the number of Shares at \$50 a share, as set opposite our respective signatures hereto, and to pay 10 p. c. of said stock down, and the balance as follows, 40 p. c. on 1st June, 1913, and the balance 1st August, 1913. Should said shares not be allotted the money paid on them to be refunded in full. Name..... Address..... No of shares..... Amount paid.....

Only a Limited Amount of Stock will be Offered to the Public at Par
