Chief Sark wishes through the columns of The Guardian to make known the fact that the Indians of Eganox Island are unanimous in the hope that Senator Yeo should become the next Lieut. Governor of P. E. Island. Having learned through some of the newspapers that Mr. Yeo would be the probable choice, Chief Sark says that the Indians are looking forward with high anticipation to his appointment and they intend celebrating the auspicious event with a grand parade in full dress uniform, bon fires etc., and closing with a serenade at "Government House" (Mr. Yeo's residence). If to the Indians would not be a difficult matter to decide who should represent our King in this province; there would be no political wire-pullers bringing influence to bear upon the powers that be; even Chief Sark himself would hesitate to accept the honor; and to a man they would all hail to Governor Yeo. Senator Yeo has done much for the comfort of the Poor Indians, and this spontaneous and enthusiastic desire on the part of the humble aborigines to do honor to their benefactor will no doubt be met with due appreciation by the popular Senator.

## MANY PEOPLE SUFFER WITH CATARRH OF KIDNEYS. Pe-ru-na is Invaluable in Such Cases.

FRED R. PENNELL

THOMAS M. HICKS

S. L. EARLE

### PERINA CURES CATARRH OF THE KIDNEYS AND ALL CATARRHAL DISEASES.

### PERINA CREATING A NATIONAL SENSATION IN THE CURE OF CHRONIC AFFECTIONS OF THE KIDNEYS.

Fred R. Pennell, Pianist, Grand Opera House, Hot Springs, Ark., writes: "Two years ago I came to Hot Springs to take the baths and be treated for bladder and kidney trouble. After spending two months here under the care of one of the most prominent physicians and receiving little or no benefit, I was persuaded to try Perina. I had little faith in it, but after using one bottle I noticed a marked improvement. Three bottles entirely cured me. I can cheerfully recommend Perina to any one afflicted as I was."—Fred R. Pennell. Thomas M. Hicks, 1131 13th St., Louisville, Ky., writes: "Neglected colds, irregular habits and overwork brought on serious kidney and bladder trouble. My blood seemed

inflamed with poison, my stomach became entirely demoralized, a bad odor emanated from my urine, and I realized I was a sick man. The doctors dosed me to their heart's content, but I kept growing worse. Then fortune brought Perina to my notice and I at once began to mend. I kept taking it for five months before I was completely cured. I feel now that I owe my life to Perina and will never cease to be grateful."—Thomas M. Hicks.

S. L. Earle, Superintendent of Streets, Jacksonville, Fla., writes: "I am a firm believer in Perina. I find that it has been of practical benefit to a number of the men employed in the Street Cleaning Department in the city of Jacksonville. They are especially exposed to the inclemency of the weather and a number who caught cold, which later developed into pneumonia, kidney or liver trouble, were cured through the use of Perina."—S. L. Earle, Superintendent of Streets.

If you do not derive prompt and satisfactory results from the use of Perina write at once to Dr. Hartman, giving a

full statement of your case, and he will be pleased to give you his valuable advice gratis. Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.
