THE BREAD LINE

WHO'S IN THE BREAD LINE?

There would be no BREAD LINES in the BIG CITY if we who live in the country towns did our duty by ONE ANOTHER. YOU and I can do our part to break that bread line—to break up that appalling condition in which men must either beg or starve. Remember: The bread line of the BIG CITY is recruited from the country. Our town has its duty to do. OUR Community can solve this problem. Industry should be plentiful in the country towns. But industry can't flourish here if we send our money to build up the BIG CITY. If all of us all of the time spent all our money in our home town there would be no bread lines in the BIG CITY. Each home town would then take care of its OWN. Let you and me do OUR part.
