Attention Farmers Near Charlottetown

Starting Monday, March 8th, we will be buying Turnips and Potatoes daily at market prices at our Charlottetown Warehouse.

Our trucks are available to haul your produce direct from your farms. We will take your Potatoes field run and grade them and pay you prevailing market prices for the Number Ones and Number One Smalls.

A lot of farmers near Charlottetown have asked me what I am doing with my marvelous Potato Crop: I am selling practically the entire crop now as I do not consider the differential between today's price and next spring's price more than offsets the normal shrinkage and the cost of grading the second time. I am satisfied, with the ceiling price as it is and will be, that today's prices are very profitable from a grower's standpoint.

Do not expect us to take your Turnips without getting your Seed and Table Stock Potatoes. FRANK B. CLARKE
