

When two Wives Meet

secretly, every wife is fiercely ambitious for her husband—his success, appearance, strength—his standing among his fellow men.

is worthy of that wife of yours. Keep healthy! strength, appearance, success depend on health.

Living habits today are largely artificial—indoor—sedentary. To be healthy, we must regard Nature's laws. And one of the first of her laws is "Avoid constipation. Keep the poisons of intestinal matter moving out of your body."

by an entirely new principle Nujol will keep the poisonous waste moving out of the body. Every other form of treatment either irritates or forces the system. Nujol works on the waste matter instead of on the system.

Nujol prevents constipation by keeping the food waste soft, thus helping Nature establish easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world.

is absolutely harmless and pleasant to take—try it.

Nujol is sold by all druggists in sealed bottles only bearing Nujol trade mark. Write Nujol Laboratories, Standard Oil Co. (New Jersey), 50 Broadway, New York, for booklet "Thirty Feet of Danger."
