LETTER OF SYMPATHY

Mrs. Malcolm MacSwain, Hampshire, know the One who comforts and sustains will be near you. We, the members of the Women's Missionary Society of Kingston Baptist Church wish to convey to you our sympathy in the death of your beloved sister Mrs. Moffatt.

We realize death at all times is sad but particularly so when you see your sister at her death, but we know the One who comforts and sustains will be near you. "Though the days be dark and dreary And the road be rough and steep; Though the way leads through the valley, Or through waters cold and deep Still, amid life's tribulations Stands His promise rich and free, When thou passest through the waters I, the Lord, will be with thee."

—SEVERAL CAR ACCIDENTS OVER WEEKEND—There were several car accidents in the vicinity of Summerside over the weekend. Although the cars were mostly badly damaged none of the occupants received any serious injuries. There was also a collision between two cars at the approach to the Railway Station on Saturday night. S.

—RUNAWAY ACCIDENT—What might have been a more serious accident occurred on Monday afternoon, when Mr. Duncan Palmer's horse took fright on Harvard Street, Summerside. Mr. Palmer was hauling oil from the Canadian Oil Co's. warehouse at the eastern extremity of the town. About the corner of Harvard and Eustace Streets the horse took fright and threw Mr. Palmer to the ground. The horse continued down Eustace Street and round by Messrs M. F. Schurman's Mill to Water Street but was stopped near the railway station. Mr. Palmer sustained severe injuries to his shoulder and arm and was taken to the hospital for an x-ray examination. His many friends wish him a speedy recovery. The sloven had one of the shafts broken but was not very badly damaged. S.

—SAD BEREAVEMENT—Mr & Mrs friends in Summerside and Bedeque will sympathize with Mr. and Mrs. Hugh Murray of Centreville, Bedeque in the death on Monday morning of their eldest daughter, Mabel Viola, who passed away in the Prince County Hospital after ten days illness at the early age of 24 years. Miss Murray was taken ill quite suddenly while at Mr. Heber McQuarrie's creamery where she was employed. Everything possible was done for her but it was of no avail. She was of a bright and lovable disposition and was a general favourite not only with her friends but with the patrons of the creamery to whom she was always courteous and obliging. There are left to mourn besides her sorrowing parents, the following sisters and brothers:—Miss Bertie and Miss Una, Stanley, Wallace, George, Reginald, Claude, Arthur, Sidney and David all of Bedeque, to whom the sincere sympathy of the entire community is extended and in which the Guardian joins. The funeral takes place this (Wednesday) afternoon at 2.30. Service will be at the home, interment in United Cemetery at Bedeque. S.

MARMON ANNOUNCES A ONE YEAR GUARANTEE

EFFECTIVE TODAY—Marmon Motor Car Company offers One-Year Guarantee instead of the usual 90-Day Warranty on each of its four 1930 Straight-Eights in all price fields . . . Made possible by success of Marmon Straight-Eight concentration policy and known Straight-Eight leadership.

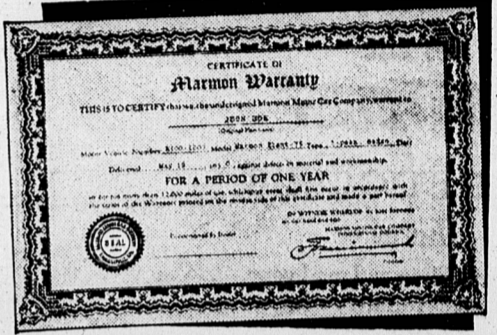

MARMON'S new one-year guarantee is the logical result of Marmon's concentration on the straight-eight. Marmon's straight-eight experience has been proved by actual performance of its cars.

Marmon knows what its straight-eights will do—and they will stand up—and has enough confidence in them to lay down a guarantee for this unusual length of time. The new Marmon one-year guarantee insures you against faulty material and workmanship in all new Marmons, subject to warranty terms. It's a factory guarantee, signed by a factory executive, and is valid at any authorized Marmon Service Station in the hands of an original owner.

Based on normal mileage averages, the warranty is confined to a maximum of 12,000 miles, to be driven within a twelve-months' period.

Naturally no manufacturer could afford to make such a guarantee without definitely knowing it to be economically sound. A two-year study of owner experiences gave Marmon all the proof it needed.
