

\$1,000,000 CORPORATION

The Marshall's Automatic Brake Pipe Coupler Company has just been incorporated under the laws of Arizona, with Charles Albert Marshall, President, Hon. C. W. Bitterorth, Vice President and Judge Ernest Robitaille, Secretary and Treasurer, with the principal office at Tulsa, Oklahoma.

The object of this company is to perfect and place upon the market Patent No. 689,003, granted to Charles Albert Marshall, October 22nd, 1907, and known as the Marshall's Automatic Brake Pipe Coupler, a device to replace the rubber hose in use upon Air Brakes on all railroad cars.

The Marshall's Automatic Brake Pipe Coupler is endorsed and recommended by railroad men of life long experience. There are three million cars in use, alone in the United States, to say nothing of those in use in foreign countries; one third of the old style rubber hose must be overhauled each year and a new one takes the place of the old worn out one, at an expense of over \$2.50 thus making an annual needless expense of over two million five hundred thousand dollars, whereas with the Marshall's

Automatic Brake Pipe Coupler, once installed will last as long as the car itself, besides there is no risk to the lives of men going between the cars to make coupling as with the Marshall's automatic Brake Coupler, there are no such couplings to be made.

The old style rubber hose couplings will not stand more than 70 pounds air pressure, whereas the Marshall's Automatic Brake Pipe Coupler being made of metal, will stand all the pressure the engineer has under his control.

The shares of stock of this company are now being offered at one dollar each per value, fully paid up and non-assessable, although they have had their stocks on the market but a few weeks, the sales have exceeded their most sanguine expectations.

Parties wishing to avail themselves of this proposition, can do so by making remittance to any bank of Tulsa, or taking the matter up direct with the Marshall's Automatic Brake Pipe Coupler Company at its principal office in Tulsa, Oklahoma.

She is at home on the trapeze, the bars, or anything that is used to perform her daring work upon. Jesse Sours is a host in himself, combining a keen sense of humor with wonderful contortion feats, ever alert, watchful and ready to turn amusement out of everything, and he is a marvellous performer, seldom equalled, it is safe to say never surpassed.

These two fetched the house last night without a doubt, and as long as they remain it is safe to augur for Wonderland large and heartily appreciative audiences. No one should miss this opportunity of a life time, for people like the Sours do not often come this way. The program for this evening has this remarkable production as its paramount attraction, and as an additional one Miss Cassie Clifford, the charming, bright little soubrette whose name is a winner wherever it appears.

See the Sours in an advice which bears repetition, they are worth making a far journey for. Go to Wonderland tonight.

PITY THIS POOR GIRL. Growing fast—yes, into weakness, but without strength. Tired of course she is—pale and thin too. She doesn't eat enough and digests far too little. This condition is so common, but how seldom noticed even by fond parents. Give her Ferrerozone then watch her appetite improve—see her cheeks and lips grow ruddy—watch her spirits rise. This gain is simply the result of eating and digesting enough, and thereby nourishing blood, brain and nerves. To a woman Ferrerozone restores strength she has lost—Le's girl brings strength perhaps she never knew. You'll try Ferrerozone, 50c. at all dealers.

Had Palpitation of The Heart

EVER SINCE SHE WAS NINE YEARS OLD, MILBURN'S HEART AND NERVE PILLS EFFECTED A COMPLETE CURE.

If you find your health failing, your food apparently doing you no good, your feet beating irregularly—now slow, now fast—skipping a beat now and then, palpitations or throbbings on the slightest excitement or exertion, pain in the region of the heart, face pale, dimly and faint spells, these all point to heart weakness, to nerve derangement, to a state of health consequent upon these, which, if not corrected and cured by Milburn's Heart and Nerve Pills, will surely end in utter prostration and hopeless invalidism.

From the depths many have been raised by this remarkable remedy, as its power is beyond all question most marvellous; but, why wait until you have gone so far? Taking these pills now will turn you from the perilous path of sickness and put you on the highway to health.

Miss Mary Wilson, Toronto, Ont., writes: "It is with the greatest of pleasure that I recommend Milburn's Heart and Nerve Pills. Ever since I was nine years of age I have been afflicted with palpitation of the heart, pain in my side and nervousness. As I grew older it kept increasing. After having tried numerous doctors' medicine, but to no avail, I was induced to try your pills, and after using several boxes I began to improve, so kept on taking them for some time until now I can truthfully say I am in perfect health."

Milburn's Heart and Nerve Pills are 25c per box or three for \$1.25, at all dealers or The T. Milburn Co., Limited, Toronto, Ont.

The crew of seven of the three-masted schooner Marjorie J. Sumner, which was wrecked near North Caicos Island on February 23, while en route from Weymouth, N. S., to Sagua, Cuba, are aboard the Cherokee. There is little likelihood of saving the schooner.

BUSINESS

The only satisfactory business is a cash business. Two years ago we started in business on a cash basis, and we are well satisfied with it for we are making money. Our customers, too, are well satisfied, for we are giving them goods cheaper than we could possibly do in a credit business, where provision has to be made for bad debts and slow payments.

Our rate of profit is low. Our business growing, and as it grows our rate of profit will be still further reduced. If you will keep us busy all the time we will guarantee to reduce our percentage of profit to the lowest possible point; and as our expenses are low we will be able to give you goods cheaper than you can get them anywhere else—so the more you trade with us the better it will be for yourself. In our business we take into account the "golden rule"—the good of the customer as well as the good of the proprietor.

We sell Staple Dry Goods, Hessian Tweeds, Oxford Tweeds, Monton Tweeds, Flannels, Blanketings, Druggists and yarns. We are especially strong on print cottons. We are offering our range 36 inches wide for 12c. Another 36 inches wide for 7c per yd. We are showing a nice range too of gingham and Oxford shirtings. We depend largely on our low prices for the increase of our trade. We also do Custom Carding. We always give the highest price for Wool in exchange for goods.
