A very social function took place at the home of Benjamin Newson, Kingston, on Tuesday evening, Sept 14th, when about forty members and friends of the Kingston Baptist church assembled to do honor to Misses Thankful and Laura Newson, on the eve of their departure for the United States. The purpose of the gathering was to make known to the two young ladies the esteem in which they are held by their brothers and sisters in the church, and the latter's appreciation of their services in the choir. For the past five years Miss Laura has been the efficient organist of the church, maintaining this position even at considerable sacrifice to herself, especially during her absence from home attending the Charlottetown Business College. For a number of years past Miss Thankful has been a faithful and tireless worker in the church and choir, from both of which she will be much missed. Deacon Daniel T. Fraser was appointed chairman, and after fifty expressing the purpose of the meeting, called upon Pastor S. H. Cornwall to deliver the address of the occasion. Pastor Cornwall responded in his usual fine style, with Christian warmth and fervor, expressing on behalf of the friends of the church, his regrets at the departure of the two young sisters, his appreciation of the work they had done and of their personal worth, as well as his desire for their highest welfare in the future. Deacon Fraser then presented each with an envelope, containing a sum of money, as a more tangible proof of the esteem in which they are held. The young ladies suitably expressed their thanks and appreciation of the spirit of the gathering and of the gift. After the friends had joined heartily in singing, all sat down to a generous repast. Besides doing honor to the friends who were leaving, the meeting did much to strengthen the bonds of Christian fellowship as it was designed to do.
