VALLEYFIELD-ORWELL HEAD—Services Sept. 18, 11, Valleyfield; 3, Kilmuir; 7, 30, Orwell Head. Rev. D. M. Sinclair, minister.

MISS GWYNETH F. COOMBS will resume teaching Piano, Theory and Sight-Reading, September 20th. Kindly register at once. 40 Victory Avenue. Phone 683-L. 5696-9-14-11.

CRAPAUD—Church of St. John the Evangelist, Sunday, 18th Sept. Captain A. E. Wittig, C. A., will conduct the 11 a. m. service and preach from the text Matt. 16:26. Hymns 618, 594, 15, 782.

LONG CREEK—St. Thomas Church (Anglican) Sunday, 18th Sept. Harvest Thanksgiving at 7.30 p. m. Captain A. E. Wittig, C. A. will be in charge.

HISTORICAL ESSAY—The essay reproduced last Saturday as the first prize winner, entitled Early History of Three Rivers was written by Leslie Cosier of Montague and not Crozier as credited.

PERSONALS
 Mrs. Walter G. Stiff, Provincetown, Mass., is spending a few weeks on the Island, the guest of her sister, Mrs. R. P. Forsythe, City.

Miss Christine McLeod and her mother, Mrs. Murdoch McLeod, Hunter River, were in the city yesterday.

Mr. W. J. Murray of Melrose, Mass., and Mr. R. A. Murray of Malden, Mass., and Miss Emily B. Murray of Bradalbane and Miss Lillian Cousins of Bradalbane motored to the city yesterday.

Mrs. Hector Campbell and Miss Delphine Kronan, accompanied by their mother, Mrs. Clark, left by motor for New York after spending two months vacation with their sister, Mrs. E. Cantwell, Fitzroy St.

Mr. Denzil McNeill and Fred Costin, Summerside, recently paid a pleasant visit with friends at North Tryon and vicinity. They made the trip of about twenty miles in less than 2 hours. In these days of so many modern speed conveyances, one must admit, even yet, there is speed in a bicycle.

O'Leary And Vicinity

Due to the scarcity of lobsters the prices have soared this week (Sept. 12) to 10 cents per pound for large fish. The windy weather still continues, leaving about three days per week fishing weather. In order to obtain large lobsters fishermen are obliged to travel around five miles out—all near shore fish being small.

The farmers have had splendid harvest weather for the storing of a bounteous crop—which keeps them all busily engaged just at present.

The Misses Belle and Catherine Howard and Margaret Griffin, Cape Wolfe, motored to Summerside on September 9 enroute to Boston.

Mr. and Mrs. W. J. Lidstone, Mr. Don Lidstone and Mrs. George Bowness of Summerside motored to Cape Wolfe on Labor Day, where they were guests of Mrs. Edward Lidstone.

His many friends regret the illness of Mr. William Dumville, West Cape, and hope to see him around as usual soon again.

Mr. and Mrs. Raymond McPherson, Boston, have been recent visitors at the home of the former's mother, Mrs. Margaret McPherson, Halliburton.

The Western Prince Teachers' Convention was held at O'Leary on Sept. 7. The morning session opened with a report of the year's work of Executive by the president, Mr. Fred Skerry. Interesting addresses were given by Miss Walsh, secretary of Teachers' Federation and Miss Lawson, editor of Educational Review. A short talk was given by Miss Catherine McLean on Junior Red Cross work. An interesting Nature Study paper was read by Mr. Willard Casely. Inspectors Gillis and Gallant followed with instructive addresses on school work. A discussion of different subjects was followed by a sing song and a delicious treat of chocolates furnished by Mr. A. J. Matheson. The visitors were very hospitably entertained by the residents of O'Leary to dinner and supper. Before dispersing the convention group posed for a photograph. Following is the programme of the afternoon session:

Paper on Teacher Training by Miss Mary Dalton.

Address by Supt. H. H. Shaw. Reading Time Tables by Mr. Lloyd Henderson.

Appointment of officers—President, Mr. Fred Skerry, (re-appointed)

Vice-president, Mr. Leslie Dignan.

Secretary, Mr. Lloyd Henderson. Minutes of last meeting read by Miss Mabel Fielding.

God Save the King—O.

A BARGAIN

Shoemaker—Well, here are your shoes all sold. Where is the money?

Scotsman—Yes, where is it? Your sign says: "Shoes sold while you wait for a dollar." I'm still waiting for that dollar.

No More Asthma. Dr. J. D. Kellogg's Asthma Remedy sounds the death knell of this trying trouble. It stops the awful choking and painful breathing. It guards against night attacks and gives renewed ability to sleep and rest the whole night long. Much is claimed for this remedy, but nothing can be demonstrated by a trial. If you suffer from asthma try it and convince yourself of its great value.

A Tribute
 TO THE LATE DR. A. D. BOYLE

On Sunday, September 4th, 1932, at the home of his daughter, Mrs. C. G. Horton, 119 Fountain Street, Medford, Massachusetts, U. S. A. the awaited call of the Master came to Albert Desbrassy Boyle M. D. Dr. Boyle was born at Charlottetown, P. E. I., Canada, in the year 1855 and after graduating in Medicine from McGill University, of which he was one of the oldest Graduates, having taken his Medical Degree with the class of 1877—only one or two of this class survive—look up the practice of his profession at Carbonear, Newfoundland. However, of his life and labors among the people of that town I shall leave to some abler pen than mine to tell, as it was not my privilege, unfortunately, to know Dr. Boyle until after his retirement in the year 1921 and taking up his residence in U. S. A., subsequent to which he underwent a very serious operation which caused many months of pain and suffering; and although not fully recovered, he was able to be up and around the home, and for several months assisted in ministering to the needs of his beloved wife, who predeceased him two years ago.

Dr. Boyle was one who was loved and respected by all who were fortunate to know him, among whom were those of every walk of life. He possessed all the qualities of a Christian gentleman, being noted for his high sense of truth and justice, and the nobler things of life. In short, his inspiring personality was a benediction to all. He is survived by five sons, Dr. R. W. of the National Research Council, Ottawa, Canada; Stanley with the Provincial Government, Edmonton Alberta, Canada; F. W. with the First National Bank, Boston; Dr. Hubert, with the Essex County Sanatorium, Essex, Massachusetts; and George with the A. N. D. Company, Grand Falls, Newfoundland; and two daughters, Mrs. G. G. Horton, Medford, Mass. and Mrs. John Watts Boston, Mass.

The funeral service was conducted from the First Methodist Episcopal Church, Medford, on Wednesday, September 7th by the Pastor, Rev. C. Clark, during which the deceased's favorite hymns "All Hail the Power of Jesus' Name" and "Abide with me" were sung by a well attended congregation of friends from various towns of Massachusetts. After reading the 23rd and 139th Psalms, which were read at his request a few moments before his passing, Rev. Clark then very feelingly paid great tribute to the life and character of the deceased, referring particularly to his fortunate wife.

Interment was made in the Woodlawn Cemetery at Everett, and committed to its last resting place, beside that of his departed wife, amid a veritable garden of flowers. "We can say with the Poet: "Great men have been among us, hands that penn'd, And tongues that utter'd wisdom better none."—A. E. P.

Only a memory now
CONSTIPATION
 Once nearly crippled him
 "I felt so wretched and crippled by constipation, headaches and dizziness that I was about ready to give up work. I tried Fruit-a-tives and got wonderful relief in a remarkably short time."—Mr. W. S., Westport, Ont.

Fruit-a-tives
 MAKE AND KEEP YOU WELL

and faith in things Eternal; at the close of which, a delegation of Masonic Brethren, representing the Co-bonear, Newfoundland Lodge, of which Dr. Boyle was a Charter Member and Past Master—conducted the beautiful Masonic Burial Ritual, participated in by his sons, Dr. Hubert, Frederick W. G. G. Horton (son-in-law), Dr. F. P. Maurilio, his personal physician, John H. Noel, and others. The remains were then taken to the beautiful Woodlawn Cemetery at Everett, and committed to its last resting place, beside that of his departed wife, amid a veritable garden of flowers. "We can say with the Poet: "Great men have been among us, hands that penn'd, And tongues that utter'd wisdom better none."—A. E. P.

TITLE OF "U. E." GRANTED BY PARLIAMENT

TORONTO, Sept. 13 — (By The Canadian Press) — All descendants of United Empire Loyalists were granted the privilege of using the designation "U. E." by act of Canadian Parliament during Lord Dorchester's governorship. Major M. S. Boehm, past president of the United Empire Loyalists' Association, told a gathering at a concert held under the auspices of the association in the Women's Building at the Canadian National Exhibition, Toronto, Sept. 12, that the title of "U. E." United Empire, was the only Canadian order in existence, and that Boehm had since no longer as titles granted by the King in Canada.

THEN HE WORKED
 Smithson—How long have you worked in that office?
 Greene—Since they threatened to fire me.

Farm Notes

BREAD AND BUTTER NOTES
 Exports of Canadian butter for the twelve months ended May last were eight times the volume of the exports during the previous twelve months totalling 107,904 cwt. It has been calculated that this amount was sufficient to butter 2,762,372.396 slices of bread from 197,312,314 loaves. The figures were based on the average bread and butter consumption of dining car service of the Canadian National Railways for one year of operation. —Dept. of Agriculture, Ottawa.

FACTS ABOUT TOBACCO

Here are some interesting facts about tobacco growing in Canada supplied by the Department of Agriculture at Ottawa. Tobacco growing was introduced by French settlers in the early colonial days. Government assistance was first given in 1735. In 1871, the year of the first decimal census, production was estimated at 399,870 pounds for Ontario and 1,195,345 pounds for Quebec. In 1931 there were some 7,200 farms producing tobacco in Ontario and Quebec and approximately 70,000 persons were engaged in the production or manufacture of tobacco and its products. Tobacco is grown in nearly every province in the Dominion. Canada's production of commercial tobacco for 1931 was estimated at 51,000,000 pounds.

SAVES BEE-KEEPERS WORK

A new method of detecting preparations for swarming in bee colonies is reported on by the Superintendent of the Dominion Experimental Station, Lennoxville, Que., who says: "searching queen cells, by taking out every comb of brood, is a tedious task; to obviate such a procedure an experiment was started five years ago. When the colonies show any sign of congestion in the spring, a shallow super is placed on the brood chamber with no queen excluder, so that the queens have free access to this second brood chamber. When examining the colonies, it is a good idea to tip the super from the rear and note if queen cells are present along the lower edges of the combs in the super."

HONEY PRODUCTION FIGURES

A report recently compiled by the Bee Division of the Dominion Department of Agriculture estimates honey production for 1931 at 27,867,397 pounds made up as follows:

Province	Lbs.
Prince Edward Island	10,000
Nova Scotia	87,772
New Brunswick	100,000
Quebec	5,634,000
Ontario	12,000,000

meeting. Opening, "Lead Kindly Lead"

Annual District Convention

The fifth annual district convention of the Women's Institutes of Ringwood, Fairview, New Dominion, Long Creek, St. Catherine's, Bonshaw, Cornwall, York Point and North River was held in Long Creek Hall, Sept. 1st, 1932. The hall was tastefully decorated with potted plants and cut flowers. The president, Mrs. Pope Crosby presided. Afternoon session opened by the members standing and repeating the Club Woman's Creed in unison. Mrs. W. Stretch, Long Creek, extended a welcome to the visiting Institutes. Mrs. Stanley Taylor, Fairview, responded. The minutes of 1931 convention were read and adopted. The secretaries of the various institutes gave interesting reports of the year's work. Mrs. Fred MacLaren, York Point, gave a very practical address on "The Care and Housing of Pullets for Winter Production." Miss L. Hazard, Supervisor, then addressed the meeting. Miss Hazard stressed the need of more study in the Institutes. Other points stressed were: Patriotism, assistance of Institutes to charitable organizations, contributions to school fairs and clubs, and a wider knowledge of Canada and Canadian goods. This address was followed by a demonstration on "Cream Soups."

CABLE HEAD WEST INSTITUTE

The August meeting of Cable Head West Institute was held at the home of Mrs. Wilfred MacLaren. Meeting opened by singing "Keep the Home Fires Burning." Minutes of last meeting were read and adopted. Roll call was answered by "drawing a pig blind-folded." Eight members and one visitor were present. The members decided to hold the annual picnic at the shore on Aug. 10th. A letter from Mrs. Jasper MacLaren was read. A letter of sympathy to Mrs. John K. Simons was read by one of the members.

Program consisted of a reading by Mrs. Wilfred MacLaren, a verse by Mrs. John K. Simons and organ music by Laura Simons. Mrs. Howard Anderson invited the members to meet at her home for the Sept. meeting. Opening the "Creed" and "Abide With Me," and Roll Call "My Favorite Flower." A dainty lunch was served by the hostess and an enjoyable evening was brought to a close by singing the National Anthem.

The September meeting of the Cable Head West Institute was held at the home of Mrs. Howard Anderson. Meeting opened with members repeating "Creed" and by singing "Abide With Me." Roll call was answered with "My Favorite Flower." Minutes of last meeting were read and adopted. Miss Laura Simons and Mrs. Billie MacLaren were appointed to see about getting a place to hold an ice cream festival. Women's Institute News were passed around for members to read. Program consisted of a reading by Mrs. Howard Anderson, "When a Fellow is out of a Job"; Solo, by Marjorie Webster, "There's a New Star up in Heaven"; Reading, by Mrs. John H. Simons, "Those Parts"; Reading by Mrs. John K. Simons, "The Forbidden Topic"; Duet, by Mrs. Wilfred MacLaren and Marjorie Webster, "There is a green hill far away"; Organ music by Miss Laura Simons; Organ music by Miss Minnie Chaisson, a former member of Institute. Mrs. John K. Simons kindly invited 5,634,000 ed members to her home for next

year of operation.—Department of Agriculture, Ottawa.

Annual District Convention

Opening chorus, O Canada; community singing; reading, Christine MacNevin, Fairview; quartette (one) Meses More, Morrow, Lamont, and MacNevin, St. Catherine's; solo (one) William Butler, Cornwall; address Professor Lloyd Shaw; solo (one) Mrs. Ray MacKinnon, North River; reading (one) Austria Mutch, Ringwood; solo (one) Benny Bowerbank, Long Creek. Prof. Shaw in his address complimented the Institutes on the work they were doing in supplying equipment in the public schools. He also stressed the need of practical education for the children. System of education should change with changing times. Prof. Shaw advocated the Phonetic System use of sand table, use of weights and measures in the schools, and asked the parents not to criticize the teachers when they introduce new methods of teaching. This address was listened to with much interest.

Mrs. Wm. Mutch, convener of resolution committee, submitted resolutions of sympathy to Mr. George MacDonald and family, Cornwall, to Mr. Daniel Livingston and family, New Dominion and to Miss Elizabeth MacMillan, assistant supervisor. These resolutions were passed, and the District Secretary instructed to send copies to the parties bereaved.

Mrs. Allison MacMillan, on behalf of the Institutes assembled in convention moved a vote of thanks to Prof. Shaw, Mrs. MacLaren, Supervisor, organizer, the people of Long Creek and all others who helped to make the convention a success. Meeting closed with the National Anthem.

Dropped Roses For Remembrance

(Special to the Guardian)
 TORONTO, Ont., Sept. 12.—Bernard Aldred, Canadian National Telegraph messenger, 18 year old and blind, made his most thrilling message delivery this evening when the International Florists Telegraph delivery association officially opened its annual convention. This time he was a real winged messenger and his message was international good will. Bernard was chosen to ride in one of the planes which zoomed over the peace statue in Toronto and bombard it with 20,000 roses. Roses, like the statue, are emblematic of peace and good will. Thomas Luke, Portland, Ore., President of the Association said, in explanation of the ceremony, "It was the most natural thing in the world that Aldred should step from his motor cycle into the plane at the Toronto Flying Club. He has ambitions to be a pilot himself and is an enthusiastic member of the Model Aircraft Club. At nights when he is through delivering telegrams he studies the science of flying. He spends most of his week ends around the airports and has made numerous flights."

"Are your fruit-trees bothered much by pests?"
 "No; my place isn't near the main road."
