Orabbe, Esq.; Messrs Beer & Goff; Mervyn Brown; Percy Bryenton; Hubert Mabon; Mr. Long and Mr. Wheatley.

**Bilious Dyspepsia.**

A DREADFUL COMPLAINT ACCOMPANIED BY HEADACHE, SICKNESS OF THE STOMACH, VOMITING THAT CAN BE PERMANENTLY AND QUICKLY CURED BY FERROZONE.

Some persons have attacks of Bilious Dyspepsia very frequently, and feel as if they were about to die. The whole system seems to collapse. The tongue becomes coated, the face a sallow palor and a bitter taste is always noticeable in the mouth. At times the bowels are very constipated, but occasionally acute diarrhoea is caused by the accumulating of bile in the system. It is highly dangerous to allow such a condition to imperil your life. It must be cured and the simplest and surest remedy is Ferrozone. It digests every particle of food eaten and prevents the waste products from clogging up the system. Ferrozone restores all deranged organs to a healthy, vigorous condition. It keeps the bowels well regulated, makes the kidneys eliminate all poisons from the blood, and supplies the necessary elements to build up and strengthen the entire body.

Mr. Louis Meehan, one of Peterborough's most enterprising and well known business men, during the past three years was a suffering sufferer from Bilious Dyspepsia. He was cured permanently by Ferrozone, and is so anxious that others may profit by his experience that he gives the following testimony.

"About three years ago," says Mr. Meehan, "I had the grip which left me in a very run down condition that finally developed into Dyspepsia. I was unable to eat but a few things and had a craving for acid. I gave up treating with the doctors because they did not help me, and on the advice of a friend I used Ferrozone. It not only cured me of Dyspepsia, and Biliousness, but has built up my strength to what it was before I had the Grippe. I can recommend Ferrozone as an ideal restorative."

Ferrozone is capable of digesting all classes of food, and contains the highest concentrated form of the elements necessary for strengthening and reconstructing, and nourishing the stomach and other digestive organs. It is a builder of blood, muscle and fat and makes sickly, weak, disheartened people strong and well. Ferrozone gives you form, firmness, vim, spirit and cures every time. Sold by all druggists. Price 50c. per box or three boxes for \$1.25. By mail from N. C. Folsen & Co., Kingston, Ont.

The tug Barriahoola, side wheeler arrived in port on Saturday night from Dalhousie, N.B. and after taking fuel proceeded to Pictou last night. This tug, registered in the name of some Indian place or city is owned by George Moffatt, the well known lumber merchant of New Brunswick. She draws only five feet, and has been built for towing up shallow rivers. She has moved a considerable number of lumber rafts besides vessels. Capt Powell with his crew of five men are in charge.

J. HARRY Williams of this city has received a good position in the Finance Department, Ottawa, and leaves for the capital on Monday next. During the past seven and a half years Mr. Williams has been book-keeper for R. Palmer & Co., and also for about the same length of time performed the duties of professor of penmanship in the Charlottetown Business College. He was also city clerk during the absence of Major H. M. Davison in England on the Coronation Contingent and in all those different offices it is needless to say he performed his duties satisfactorily to all with whom he came in contact. The Guardian congratulates Mr. Williams upon the success to which he has attained.

**REMARKABLE SUCCESS.**

Of a New Catarrh Cure.

A large and constantly increasing majority of the American people are catarrh sufferers. This is not entirely the result of our changeable climate, but because modern investigation has clearly proven that many diseases, known by other names, are really catarrh. Formerly the name catarrh was applied almost exclusively to the common nasal catarrh, but the throat, stomach, liver, bladder, kidneys and intestines are subject to catarrhal diseases as well as the nasal passages.

In fact, wherever there is mucous membrane there is a feeding ground for catarrh.

The usual remedies, inhalers, sprays, douches or powders, have been practically failures, as far as anything more than temporary relief was concerned, because they simply dry up the mucous secretions, without having the remotest effect upon the blood and liver, which are the real sources of catarrhal diseases.

It has been known for some years that the radical cure of catarrh could never come from local applications, but from an internal remedy, acting on the blood and expelling the catarrhal poison from the system.

A new internal preparation which has been on the market only a short time, has met with remarkable success as a genuine, radical cure for catarrh.

It may be found in any drug store, sold under the name of Stuart's Catarrh Tablets, large pleasant tasting lozenges, composed principally of antiseptic ingredients, Blood root, Red Gum and similar catarrh specifics.

Dr. Ainslee in speaking of the new catarrh cure says: "I have tried the new catarrh remedy, Stuart's Catarrh Tablets, upon thirty or forty patients with remarkable satisfactory results. They clear the head and throat more effectually and lastingly than any douche or inhaler that I have ever seen, and although they are what is called a patent medicine and sold by druggists, I do not hesitate to recommend them as I know them to be free from cocaine and opiates, and that even a little child may use them with entire safety."

Any sufferer from nasal catarrh, throat or bronchial trouble, catarrh of the stomach, liver or bladder will find Stuart's Catarrh Tablets remarkably effective, pleasant and convenient, and your druggist will tell you they are absolutely free from any injurious drug.

Good goods all the time is what you will find here. The prices are right too so you make no mistake buying here.—Mitchell's Bookstore. 18 11
