Canadian Negro Heavyweight
Champion Of British Empire
First To Take Carnera's
Measure In England.

LONDON, May 30.—(Canadian Press Cable)—Larry Gains, Toronto negro who is heavyweight champion of the British Empire, tonight out-pointed Primo Carnera, Italian giant, in a ten round boxing bout at White City Stadium.

that he never landed a heavy punch. Carnera is strong but does not know how to land a good punch. Referee Hart said it was a victory of experience and boxing skill over strength.

Primo appeared surprised at the decision. "How do I feel? Lovely," he said. "Was it a good fight? Yes, I enjoyed it—but not the decision. I won the last three rounds. Do you think so? Five I won. Three were even. How do I lose then?"

The bout was fought under the no foul rule of the New York State Boxing Commission, both men wearing special body protectors against low blows. It was the first time this had been done in England.

The men also wore white gloves so that those in the furthest seats from the ring could see each blow clearly.

A crowd of 70,000 sat in the great open air stadium as the two men came out of their corners for the first round.

Contrast in their size was very apparent as they began to spar. Gains started confidently and over-ered quickly as the Italian tested him with a left to the body. He

LOOKING 'EM OVER

BY "TEC"

At the Charlottetown race track yesterday morning Lucky Lindy, 212, owned and driven by Wellington MacNeill, stepped the fastest quarter mile of the year when he finished the last quarter of a 222 mile by stepping in 30 1/2 seconds, with the last eighth in 14 2-5 seconds. The performance is all the more remarkable because of a cold raw wind blowing at the time and he was out at second or third position all the way.

Billy Cope, 211 1/2, now owned by Jimmy Power, is looking in the proverbial "pink," having lots of slow miles under his belt. He is said to show a lot of speed too. This morning will be his workout morning and it is likely Jim will let him breeze the last quarter pretty fast. Both he and his half brother, Lucky Lindy, look as though they should hit the 210 mark this season.

AMERICAN OLYMPIC
DIFFICULTIES

The American Olympic Committee to date has been able to collect less than 10 percent of the amount considered necessary to prepare and send a full team of athletes representative of all branches of sport to the games at Los Angeles next summer. The response to the drafts made on the various sources of contributions has been to date decidedly discouraging and unless

they are increased in the immediate future the plans of the committee will be very considerably curtailed.

The inability of the United States to provide for its athletes may from some quarters appear as a sad commentary upon the generosity of its sport supporters. As host to the other nations it would appear that every effort should be made there to make the games a pronounced success and this could partially be done by straining the purse strings to send contenders into all or the majority of events. Undoubtedly this will be attempted but the fact is that our neighbors are feeling the depression as keenly as we, or other countries are experiencing it, and they must cut their cloth to suit their purse.

The games may merit the support of all patriotic citizens if conducted in conformity with the ideals that are supposed to govern them but those of the immediate past have done nearly as much to impede as to advance international goodwill and if the citizens who are expected to contribute of their means are sceptical of the advantage it is hardly to be wondered at.

NEW YORK, May 30.—In a home run mood, the Philadelphia Athletics crashed through to two victories over the Washington Senators in the holiday ball at Philadelphia. The Mackmen won the morning game by the score of 13 runs to 2 and came back in the afternoon to win an up hill decision 8 to 6.

The Athletics hit five home runs in swamping Firpo Marberry in the morning affair and giving Lefty Grove his seventh straight win or eight in all. Al Simmons and Jimmy Dykes each hit twice for the circuit in this fray and Ed Coleman, coast league rookie, collided for the other.

Jimmy Foxx's seventeenth home run of the season with two on base in the seventh inning off Crowder wiped out the Senator's 5-3 lead in the afternoon game.

The Yankees walloped the Boston Red Sox twice here today, 7 to 5 and 13 to 3, and increased their lead to five full games over the Washington Senators, who were dropping a pair to the Athletics.

Although he was hit hard, Herb Pennock lasted to win his third victory of the year in the first game. In the nightcap the Yankees pounded four Red Sox curvers for 15 hits and scored in every inning but the sixth.

The Detroit Tigers went into second place in the American League by defeating the St. Louis Browns in both games on a double-header at St. Louis, taking the first game by a score of 17 to 9 and the second 4 to 0. The Washington Senators dropped into third place in the League as a result of Detroit's victories.

The Tigers got 21 hits off three St. Louis pitchers in the first game, three of them home runs by Stone, Gehring and Hayworth. In the second game, Bridges won a pitcher's duel over Hebert, although the Browns out-hit the Tigers 7 to 6.

A fist fight between George Moriarty, American League umpire, and four members of the Chicago team followed Cleveland's victory in both games of a doubleheader over the White Sox at Cleveland.

Moriarty broke his hand in knocking out Milt Gaston, pitcher, and then was floored, Cleveland players said, in the melee with Lou Fousseca, manager; Charley Berry, catcher; and Frank Grube, catcher.

Cleveland players said the argument started in the dressing room as a result of Moriarty calling a ball just before Averhill tripled, breaking up the ball game, and leading to Cleveland's 12 to 11 victory in the second game. Cleveland won the first, 12 to 6.

The Indians charged that Berry challenged Moriarty to fight while other Sox players gathered around. Moriarty answered he "would fight them all, one after another."

Gaston stepped up, the Indians said, saying "you might as well start with me." Moriarty struck him twice, breaking his hand on the pitcher's jaw and flooring Gaston.

The Cleveland players rescued Moriarty and restored order.

INDIANAPOLIS, Ind., May 20.—With death defying speed, Freddie Frame of Los Angeles, roared to victory in the 20th international 500 mile automobile race over the Indianapolis speedway today, leaving a string of broken records in the wake of his tiny gray painted eight cylinder racer.

Frame, a 37 year old driver with 10 years of racing experience behind him, smashed all existing records for the 500 mile race when he bounced his little racer over the finishing line in triumph. He covered the 500 miles in 4:48:03.79 to average 104.144 miles an hour, breaking the former record of 101.13 established by Peter De Paolo in winning the 1928 event.

NEW YORK, May 30.—(A.P.)—Rogers Hornsby's bat led the Chicago Cubs to a 6 to 2 victory over St. Louis in the second game of today's doubleheader at Chicago after world champions had mistreated their old mate, Burrell Grimes, to win the opener, 6 to 4.

The Hornsby warclub cracked Tex Carleton for a home run and a double, the former blow being the first Cubs' score, and the latter starting a seventh inning drive that netted two runs and put the Cubs safely in front.

Watson Clark and Van Mungo each pitched his fifth straight victory as the Dodgers swept today's holiday ball at Brooklyn with the Phillies, 13 to 4 and 5 to 3. Each allowed only four hits, and Mungo struck out 12 batters in the eight innings he worked of the nightcap.

The first victory was an easy one, despite the Dodgers made seven errors behind Clark, but it required a four man rally in the last of the eighth to pull out the second tilt. Klein, with a single and triple, batted in all the runs off Mungo.

Forty-thousand fans, pulling for the Braves to fatten their standing had a painful memorial day as they watched the New York Giants take a pair from the home boys, 6 to 1, and 4 to 2, the second in 10 innings.

Carl Hubbell's tight pitching and Mel Ott's home run with two on featured the opening tussle. Sam Gibson had the Braves shutout in the nightcap until two were out in the ninth, when Randy Moore delivered a pinch double and "Pinky" Hargrave hit a homerun to tie the count.

The Pirates and the Cincinnati Reds split a holiday double-header at Pittsburgh, Pittsburgh winning the afternoon game 5 to 2, after dropping the morning encounter, 4 to 2.

Bill Swift held a tight rein in the second contest, letting the Reds down with five scattered hits. Piet was the chief slugger with three safeties in four times at bat.

PHILADELPHIA, Pa., May 30.—Frank X. Shields of the United States Davis Cup team, defeated Jack Crawford, Australia's no. 1 player, today in the third singles match of the North American zone finals of the Davis Cup competition. The score: 6-4, 7-5, 4-6, 3-6, 6-2.

Despite the fact the United States team won the series last Saturday in three straight matches, the Australian ace fought hard to win. Shields, however, was equal to the occasion and was heartily applauded by 3,000 persons when he won the fifth set. Shields last Friday defeated Harry Hopman, Australia, in the first match, while Crawford was defeated by H. Ellsworth Vines.
