GOVERNMENT WILL RESIGN IF IT IS DEFEATED ON EDUCATION BILL.

Chamberlain Plays Trump Card Before Liberal-Unionists Meeting—Makes Definite Statement That the Bill Will Not Be Withdrawn.

BIRMINGHAM, Eng., Oct. 9.—The much discussed conference of the Liberal-Unionists which was called by Colonial Secretary Chamberlain to formulate the attitude of the Birmingham Liberal-Unionists towards the education bill, was held here tonight.

Mr. Chamberlain presided at the meeting and enunciated his views in a lengthy address. He acknowledged that the bill was not perfect, but said the Liberal-Unionists must not split on that point. He said he had always been in favor of the government providing only secular education, but rightly or wrongly, the majority of the country required the vigorous instruction of some kind to be given it. If the country could not get what it wanted from a Unionist government it would not get it from the Radical Government which would follow the government it might smash.

Mr. Chamberlain advised the Liberal-Unionists to agree to differ on the complicated points, but to do nothing to assist the intrigues of those who would hand over Ireland to the home rulers, who

would transfer South African problems to the discretion of pro-Boers and who would leave imperial interests in the hands of "Little Englanders" and domestic reforms to the framers of the Newcastle programme.

He said he could promise that the bill would not be withdrawn. He said the government could not withdraw it without a tremendous loss of prestige.

In conclusion he announced that if the government was defeated on this bill it would resign.

The general tone of the meeting was entirely loyal and the suggestion that the education bill might lead to the disruption of the Liberal-Union party was received with almost unanimous disfavor.

A prominent delegate, upon leaving the conference, said Mr. Chamberlain had completely dominated the meeting, that several speakers had said they would rather swallow the bill whole than embarrass the government, and that, in short, by the threat that the government would resign in case the bill were defeated, Mr. Chamberlain appeared to have played a trump card and to have stopped effectually, any incipient revolt.

"SAVED ME FROM DEATH."

A Toronto Contractor Says Dodd's Kidney Pills are Worth Their Weight in Gold to a Sick Man.

TORONTO, Ont., Oct. 13th—(Special).—Five or six years ago Mr. W. J. Keane, of 86 Lippincott St., this city, was an invalid, confined to his bed with a severe case of Lame Back and Kidney Trouble. He says:—

"A friend advised Dodd's Kidney Pills but as I had used so many other medicines without any good results I had little faith that anything would cure me. I had only used part of the first box however, when I found that my condition was rapidly improving. I used altogether seven boxes and was completely cured. As this was over four years ago and the trouble has not returned in any form, I am now sure that my cure was a perfect and permanent one. "I believe Dodd's Kidney Pills saved me from death. They are worth their weight in gold to a sick man."

OTTAWA, Oct. 9.—The delayed forms of tenders for army supplies in South Africa reached the department here today, too late to be of any service to Canadian manufacturers, as they should have been in Cape Town on October 31st.
