DESBIRAY BLOCK.

In this issue of The Guardian appears the program of the Scottish Concert to be held in the Opera House on Monday the 20th inst. The Caledonian Club is to be congratulated on the many excellent and successful Burns Concerts held under its auspices in the past and judging by the array of talent taking part, this year's celebration should be the most successful in the history of the Club. Don't miss it.

QUITE a gloom was cast over Eel Creek and Irishtown last week when it became known that one of its respected inhabitants William Adams had succumbed to inflammation of the lungs after a week's illness. He was a man of cheerful disposition and industrious habits and was held in esteem by his neighbors. He was the late church warden of St. Stephen's Church, Irishtown. A sorrowing wife and large family are left to mourn his loss. The interment took place on Friday last at one p. m. in St. Stephen's churchyard, Irishtown. The church was crowded to its utmost capacity by friends from far and near. The service which was a very impressive one, was conducted by the Rector, the Rev. J. A. Winfield who reminded the congregation of the subject of last Sabbath, viz. "We spend our years as a tale that is told." He also reminded his hearers of the uncertainty of life, life's preparation the Christian duty and joy. Death but a shadow, a new impulse, the liberator of suffering therefore a friend, the rest before the everlasting dawn. The sermon will not easily be forgotten by those present. The Rev. gentleman came from a sick bed to officiate at the funeral. The widow and family have the sympathy of the entire district.

**REACHES SEAT OF TROUBLE**  
Don't Try To Cure Hemorrhoids With External Application.

When it is such a well known fact that hemorrhoids or piles is a disease originating in the morbid dilation of the veins of the lower part of the rectum, it seems incredible that people afflicted with this painful trouble should go on doctoring with external salves and washes, when the diseased parts can only be reached by an inward application.

The suppositories used in Pyramid Pile Cure are composed of the most soothing and healing oils and lotions known to Materia Medica, and act on the diseased veins and surrounding tissues like magic, giving almost instant relief. The dilated blood vessels are relieved, the irritation of the mucous membrane ceases and bleeding is stopped.

The predisposing causes of piles are such as produce fullness of the hemorrhoidal veins and impede the return of blood from them, such as constipation, sedentary habits, city life, pregnancy, corsets, etc.; in fact the causes are all fully covered in a very interesting little book published by the Pyramid Drug Co., Marshall, Mich., and the same will be sent free to any address upon application.

The general principles of treatment are, according to the evident causes, active habits, attention to diet, and other hygienic rules, etc., avoidance of constipation and each night the injection of a Pyramid suppository to heal and cure the afflicted parts.

That this has been effective is instanced by the testimony of thousands of people who have been permanently cured and by the evidence of druggists; the case of Mr. Samuel Gouldie, 825 Moyamensing Av., Philadelphia, is a fair sample.

"For twelve long years I suffered terrible torture from piles. I had been under two surgical operations, once in Cleveland, Ohio, in the year 1895, and once in Toledo, Ohio, in 1900. and also tried a number of salves and ointments from different doctors. I at last found a permanent cure by only using two fifty cent boxes of Pyramid Pile Cure. The first two or three applications gave me relief, at once. I am now entirely cured and thank God for finding such a medicine as the Pyramid Pile Cure."

Owing to the weather, not all who plan to attend the School of Cookery have notified Miss Hamilton. A class in plain cooking is almost complete, while the class in fancy cooking can take several more. As each is complete they will begin work. Circulars with the course of instruction gladly sent on application. See to it now that your name is enrolled. Miss Hamilton will be at home at Mrs. Hooper's, Prince Street, Tuesday, Wednesday, Thursday and Friday of this week to receive further applications.
