

FELT LIKE A NEW PERSON

After Taking Only One Box Of "Fruit-a-lives"

EAST SHIP HARBOUR, N. S.
 "It is with great pleasure that I write to tell you of the wonderful benefits I have received from taking "Fruit-a-lives". For years, I was a dreadful sufferer from Constipation and Headaches, and I was miserable in every way. Nothing in the way of medicines seemed to help me. Then I finally tried "Fruit-a-lives" and the effect was splendid. After taking one box, I feel like a new person, to have relief from those sickening Headaches."

"IT PAYS to buy in this Province"

***HORSE NOTE.**—Mr. Gordon Ross of Georgetown has purchased a beautiful trotting horse which is the delight of some of the young ladies there.—G.

***TOWN COUNCIL.**—The town council of Georgetown met in the council chambers on May 7th. A large number of the councillors were present and a great deal of business was discussed.—G.

***GUARDIAN AGENT.**—Give all new subscriptions, renewals, advertising etc., etc., to the Guardian representative in your district. HAROLD R. GORDON is the Guardian agent for Georgetown and vicinity. —G.

***THE POOR MAN'S FRIEND.**—Put up in small bottles that are easily portable and sold for a very small sum. Dr. Thomas' Electric Oil possesses more power in concentrated form than one hundred times the quality of many unguents. Its cheapness and the varied uses to which it can be put make it the poor man's friend. No dealer's stock is complete without it.

***EGG CIRCLE MEETING.**—A general meeting of No. 34 egg circle was held in Georgetown on May 12th to adopt bylaws and frame a constitution. The members present all agreed that the "circle" is one of the best boons that ever came to the Island. Mr. E. B. MacLaren presided at the meeting.—G.

***PLEASANT AFFAIR.**—A large number of the young people of Georgetown and vicinity assembled in a commodious Temperance Hall, Georgetown, on the evening of May 11th, to while away a few pleasant hours with music and games. Harmony and good fellowship was evident on every hand. Many indulged themselves in various games while those who wished tipped the light fantastic to the matchless music which was so generously tendered. After thus enjoying themselves the company sat down to a dainty yet substantial lunch which certainly reflected great credit to the culinary powers of the ladies present. When lunch was over to which all did full justice, the games, etc., of the evening was resumed till the party broke up at a late hour, confident that this party was one of the best and most enjoyable evenings of the season.—G.

Miller's Worm Powders not only make the infantile system untenable for worms, but by their action on the stomach, liver and bowels they correct such troubles as lack of appetite, biliousness and other internal disorders that the worms create. Children thrive upon them and no matter what condition their worm-infested stomachs may be in, they will improve them as soon as the treatment begins.

As a vermifuge there is nothing so patent as Miller Graves' Worm Exterminator, and it can be given to the most delicate child without fear of injury to the constitution.

THE PIONEER

in the savage wilderness may have his Shakespeare, his Scott, his Dickens or his Burns—but first of all he will have his Bible! The sailor on the boundless main may barely know his letters, but somewhere in his kit you will find a Bible—perhaps with tear-stained inscription written with the trembling hands of old age—from his mother—next to God his best and truest friend! Seek any habitation of men in lands remote and distant—search the rude cabin of the settler—and you will find a Bible—thumbed—worn—ragged, maybe,—but loved and revered as the chiefest treasure of the little family in the clearing!
