IN MEMO IAM
LEIGH BOYVER.
Lines written on the death of Mr. Leigh Boyver, who died at his home in Mount Stewart, March 10th, 1915, after a lingering illness.

In loving memory of our dear son, One long sad year today has passed, Yes we remember well, We watched beside your dying bed, To take our last farewell. With aching hearts we watched you dear, As your spirit took its flight, Away to that home beyond the skies, Where there is never any night. Although we dearly loved you, We dared not bid you stay, But you are not forgotten dear, For as God sends up each day, Our thoughts will ever linger. In the churchyard where you lay, Oh Leigh, dear we miss you, There is a vacant chair, But we hope to meet in Heaven, There'll be no parting there, Precious darling he has left us, Left us yes for ever more, But we hope to meet our loved ones, On that bright and happy shore.

It is finished all is over, Our beloved is at rest, With the pure in heart made perfect, Now his home is with the best. With a Saviour and Redeemer, In a place far away, Where his joyful eyes are open, To the light of endless day. Written by His Mother.

MISS ADA McKENNA.

There passed peacefully into eternal rest at Charlottetown, P. E. I. Feb. 26, 1916, Miss Ada McKenna of Baldwin Road at the early age of 20 years, after a lingering illness of four years. The deceased young lady was of a lovable and winsome disposition and will be greatly missed in the home circle, where she was a favorite among all. She leaves to mourn a grief stricken father, four sisters, Mrs. D. J. MacDonald, Mt. Albion; Miss Mary A., who arrived home from Rumford, Me., recently and Miss Eliza at home and Miss Katie of Scotchfort, also four brothers Patrick and Edward of Rumford, Me., and Master Emmett and Dennis at home and the loss of a most loving sister and daughter. All that remained nursing and skilful waiting could do was done by her loving sister, Miss Eliza, all to no avail. There were bright hopes for her recovery, but on Feb. 25th the final call came and a most lovable girl was called to her Heavenly home. The funeral of which was largely attended took place to St. Teresa's Convent where they were laid beside her mother and brother who predeceased her some ten years. The sympathy of the whole community goes to the whole family in their sad bereavement. R. I. P.—(Ex-ant & Pat.)

Permanent Cure of Piles Certified by Minister

SIXTEEN YEARS AGO THIS MAN WAS CURED BY DR. CHASE'S OINTMENT—HAD SUFFERED KEENLY FOR TWELVE YEARS

You might almost say that there is only one actual cure for Piles, and that is Dr. Chase's Ointment. Every day this conclusion is corroborated by reports from persons who had tried one thing and another without success. Some have even been operated on, only to have the old trouble return, and finally to obtain cure by use of this ointment.

Why not avoid waste of time, waste of money and needless risk with operations by using Dr. Chase's Ointment at once?

Some will say "that is all very well for itching Piles, but my trouble is from bleeding Piles." Well, here is a letter from a man who had bled Piles for twelve years, and suffered most keenly. For sixteen years he has had no return of the old trouble, and naturally considers the cure permanent.

Mr. O. B. Peters, Salmon Arm, B. C., writes: "I was troubled with bleeding Piles for about twelve years, and suffered everything but death. I was so bad I could scarcely walk about, and though I tried many things, could get no relief. At that time I lived at Sharbot Lake, Ont., and a friend advised me to use Dr. Chase's Ointment, saying he would guarantee cure. Less than two boxes of Dr. Chase's Ointment cured me. That is sixteen years ago, and I am O. K. yet, so think you can consider the cure permanent. I cannot praise Dr. Chase's Ointment enough, as it saved me from a great deal of pain and suffering."

Rev. W. J. Beamish, Salmon Arm, B. C., writes: "I have been acquainted with Mr. O. B. Peters and have always found him to be a man of his word. I can therefore most thoroughly endorse what Mr. Peters has written concerning the merits and value of Dr. Chase's Ointment."

A test of Dr. Chase's Ointment will soon convince you of its merits. Relief comes almost immediately, and cure follows persistent treatment. For sale by all dealers. Sample box free if you mention this paper and write direct to Edmondson, Bates & Co., Ltd., Toronto.

A Leading Food Expert

stood before the big battery of milling machines in the Grape-Nuts factories, and after inspecting both the wheat and flour said to the miller:

"That's selected wheat, and no 'patent flour' stunt, either. That wheat comes out of the rolls as honest and unrefined as it went in. Where did you ever make flour before that retained the true mineral content of the grain?"

And the wise miller replied: I have worked in a good many mills, and I am no youngster, but let me tell you, I never made whole wheat flour like that until I came with this company."

The truth is, white flour is woefully lacking in certain essential mineral elements which are thrown out in the milling to make flour white and pretty, and its use frequently results in impaired health and activity.

Grape-Nuts

is made of honest whole wheat and malted barley; and supplies in splendid proportion all the brain and nerve-making, bone and muscle-building elements of the field grains, including their mineral elements.

Rich, nut-like flavour, ease of serving, and quick digestibility have made Grape-Nuts a household word the country over.
