GRAND carnival Friday night, don't miss it. Admission 25c.

A NUMBER of garnishee cases were before the city small Debt Court yesterday forenoon.

THE match with the Victoria Hockey club will leave for Summerside at 3.30 this afternoon.

AFTER the carnival on Friday night the Druggists will play a match game of Hockey with the Clerks of Prowse Bros. Admission 11c or two for 25c.

CAPTAIN A. Thomas Howatt crossed the Straits yesterday with a load of passengers for New York and Boston. Good crossing is reported. The ice is all new in the Gulf and at present there is two miles of water off Tormentine pier.

Come along to the grand concert and basket social to be held in Winslow Hall, Wednesday evening next. Admission 10 cents. Ladies with baskets free. Concert begins at 7.30 sharp. A good program is being prepared. The committee in charge are endeavoring to make this the most enjoyable event of the season.

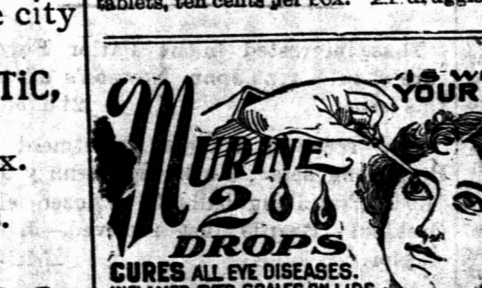

LOWE Bros., contractors are at work fitting the refrigerators and other appliances for Saunders & Newsom who will be located in their own stand in the eastern end of the temporary market till the new building is constructed. This popular firm is now as well prepared as ever to cater to the wants of their numerous customers and will guarantee the same satisfaction as in the past.

AN Amherst despatch says:—While coasting on Eddy Street, Benedict, the seven year old son of G. W. Cooke of the firm of Dunlap, Cooke & Co., was accidentally run into by a double runner containing eight boys and going at a terrific rate of speed. Both legs were broken above the knees and one badly fractured. He was also considerably bruised. The unfortunate boy spent part of last summer in the city with his mother and father the guests of James Lewis, Brighton and Miss Ross, Rocky Point.

A BUSINESS CHANGE. On the 10th inst. The Breeder's Advocate, a Poultry, Pigeon and Pet Stock paper published at Petrolia, Ont., purchased The Canadian Poultry Directory, a similar publication of Woodstock, Ont. The two papers will be amalgamated under the leading of the Breeder's Advocate, and published at Petrolia. This will add nearly 1,000 to the Advocate's circulation, and will materially benefit those interested in the fancy. Sample copies mailed for the asking.

EASTERN NOTES.—Great variations of temperature have characterized the winter so far, intense frost followed in a few hours by rain is the rule. More or less light ice is now drifting in the Gulf but none of the quality that keeps the "Stanley" a prisoner. This has been formed here by the late frost, and none of the old-fashioned heavy product from the northern edge of the Gulf has yet arrived. —Though no coal famine exists here a scarcity of fuel during the stormy weather inconvenienced a great many. Year by year the fuel question is becoming more serious, as like other parts of the Island our fathers and ourselves were too much inclined to cut away our once magnificent forests, a warning to those still owning wood-land to husband it with jealous care.—James Seet and John Alex Stewart have finished their fall threshing tours.—Hog shipping day, 15th, was not so satisfactory as last, on account of objections being taken to fish-fed hogs. Too bad that a comparatively small number of wandering hogs, travelling round our shores, being clams, devouring fish-oppal, and waging war against their neighbors razor-backs, should jeopardise the sale, injure the pork business of half a County and damage the reputation of the Pork Packing Company. Stronger measures than passing resolutions at meetings must be adopted if the is to be stopped.—A donation party visited Rev. Mr. and Mrs. Gardiner at the parsonage on the evening of the 20th inst., leaving tangible evidences of their appreciation and good will. Stormy weather and insufficient notice interfered seriously with the attendance.—Mrs. Angus M. Campbell, Red Point, passed away on the night of the 21st. A faithful wife, a kind mother, a good neighbor has gone to her reward.—Mrs. Angus C. Campbell died on the morning of the 21st, after a long illness borne with patience and resignation.

Coughs, colds, hoarseness, and other throat ailments are quickly relieved by Cresolene tablets, ten cents per box. All druggists.

**NOT DUE TO CLIMATE.**

Catarrh is Found Everywhere.

Catarrh is at home anywhere and everywhere. While more common in cold, changeable climates, it is by no means confined to them, but is prevalent in every state and territory in the Union.

The common definition of catarrh is a chronic cold in the head, which if long neglected often destroys the sense of smell and hearing; but there are many other forms of the disease, even more obstinate and dangerous.

Catarrh of the throat and bronchial tubes as well as Catarrh of the stomach and liver are almost as common as usual catarrh and generally more difficult to cure.

Catarrh is undoubtedly a blood disease, and can only be successfully eradicated by an internal treatment. Sprays, washes and powders are useless as far as reaching the real seat of the disease is concerned.

Dr. McVernay advises catarrh sufferers to use a new preparation, sold by druggists, called Stuart's Catarrh Tablets, because actual analysis has shown these tablets to contain certain anti-septic qualities of the highest value and being an internal remedy, pleasant to the taste, convenient and harmless, can be used as freely as required, as well for children as for adults.

An attorney and public speaker, who had been a catarrh sufferer for years says:

"Every fall I would catch a cold which would settle in my head and throat and hang on all winter long and every winter it seemed to get a little worse. I was continually clearing my throat and my voice became affected to such an extent as to interfere with my public speaking.

"I tried troches and cheap cough cures and sometimes got relief, but only for a short time, until this winter when I learned of the new catarrh cure, Stuart's Catarrh Tablets, through a newspaper advertisement. Two fifty cent boxes which I bought at my druggist's cleared my head and throat in fine shape and to guard against a return of my old trouble I keep a box of the tablets on hand and whenever I catch a little cold I take a tablet or two and ward off my serious developments."

Stuart's Catarrh Tablets deserves to head the list as a household remedy, to check and break up coughs and colds, because unlike many other catarrh and cough cures these tablets contain no opiate, cocaine or any injurious drug.

We dispense prescriptions written by any doctor, local or foreign and can save you money on them too. Try us with some you have had put on elsewhere and see.—J. G. Jamieson, Druggist, The Medical Hall. 27 11
