THE PEOPLE'S THEATRE

New Wonderland offers tonight the last opportunity to see the grand and wonderful picture "The Zoo Logical Gardens of Frankfort" This is one of the most instructive and interesting films extant, and children will learn more Natural History watching this picture run off, than weeks of study could impart. Older folks too will see something which nothing but travel could give any idea of, and every one should go this evening.

The Blacksmith's Bride is a drama with You will Pay for it, and Polka on the Brain as the comedies, and the Double's Fate as a grand serio subject. Percy Sayce changes his illustrated song tonight, so hear him as the new feature for the evening. Come and bring the children too, for the program teaches as well as amuses.

IN VENICE.

In sunshine now old Venice lies,
And o'er her sparkling waters pass
Small cargoes, stuffs of various dyes,
Green vegetables, gay flowers, and glass.
O'er marble bridge and quay so white
Speeds on the careless graceful crowd,
And in a patch of sunshine bright
A young Venetian sings aloud.

In shadow now old Venice lies.
And 'neath each low-spanned bridge appears
Dim light, on prows that fall and rise,
The lanterns of her gondoliers.
No wheel, no hoof, the stillness mars
But church bells ring, or laps the tide,
And muffled figures 'neath the stars
O'er marble bridges gently glide.

Now whether, hidden in the dark
Or crescent, port all bathed in light;
And whether, round about St. Mark
Bright-feathered pigeons wheel their flight;
Or steals by night upon the ear
A low, clear song from out the calm,
With splash of passing gondolier,
Old Venice keeps her charm.

VACATION TRIPS.

MONTREAL, June 13.—If ever there was a favorable opportunity to visit the Western States and the Pacific Coast, it will be this summer. The attractions there are as numerous, and the railway fares as low as any reasonable person could expect.

Of course, the Alaska-Yukon Exposition, to be held at Seattle, Wash., from June 1st to October 16th, will be the main feature, and this has led a number of our large patriotic, social and benevolent bodies to hold their Annual Conventions in the West this year. The Grand Trunk Railway System is granting special low excursion rates which can be taken advantage of by the general public, as well as the members of the different organizations mentioned below, and it is for this purpose we wish to draw the attention of the public generally to the matter, as we know that a number of people who would like to arrange for a vacation trip to the Pacific Coast this summer have an idea that these special low rates are only intended for the delegates of the fraternal bodies. Such is not the case, however, as anyone who wishes to make this trip can secure these rates on application to any of our agents, or by communicating with Mr. J. Quinlan, District Passenger Agent, Montreal.

gamizations who will hold their annual convention in the West this year:—

The following are some of the ornual convention in the West this year:—

National Association Women's Suffrage, Seattle, Wash., July 1 to 7, '09.

Epworth League, Seattle, Wash., July 7 to 12, '09.

National Irrigation Congress, Spokane, Wash., Aug. 9 to 14, '09.

National Encampment, G. A. R. Salt Lake City, Utah, Aug. 9 to 14.

Y. P. C. Union, Universalist Ch. Minneapolis, Minn., July 7 to 14.

Tickets will be issued by any of the regular routes going and returning, or going by one route, and returning by another—one way through California if desired. Part of the route may also be taken through the Great Lakes.

The Alaska-Yukon Exposition at Seattle, Wash., June 1st to October 16th, will from all accounts, surpass anything in this line henetofore held in America, and one thing which will particularly please the public is the fact that the Expostion will be open and everything in full working order precisely on the date advertised, viz., Tuesday, June 1st.

Agents of the Grand Trunk Ry. System will be pleased to receive communications from passengers who intend visiting the Exposition, or from delegates attending the different conventions, and give full information as regards rates, train service, and routes, also arrange for sleeping or parlor car reservations. This will be attended to promptly, and early replies given in each case.
