Miss Grace Thomson, Dear Grace: We, the young people of North River gathered together at your home this evening to bid you farewell as you go from us to take up a new work. During the time you have been with us we have learned to love and esteem you, and to find in you a true and lasting friendship. We would like to know that after you leave us and enter upon your new profession that you will often think of us and remember the happy days that we have had together. We trust that you shall be very successful in your new work and if sometimes your task should prove to be hard, we want you to remember the words of the poet were quite true when he said:

You will find that if you write your name in kindness, love, and mercy in the hearts of those you come in contact with year by year you will never be forgotten, for good deeds will shine as the stars of heaven. We ask you to accept this parting gift, not for its intrinsic value but as a token of our love and respect for you. Along with this go our best wishes for every success in the future.

Signed on behalf of the young people of North River.

Hold Everything— Order that new roof TO-DAY!

If you need a new roof, your Brantford Roofing dealer can give you an estimate which will be surprisingly low.

Ask him particularly about Brantford Colour Slates—several colours blended in each slate. They make a roof of brilliant beauty combined with permanent weather protection and fire-resistance.

And your present roof can be left where it is. Brantford Asphalt Slates can be laid directly over old wooden shingles for a faster job at less cost.

But get it done at once—next week a rainstorm or flaming brands may have caused costly damage.
