

Vapo-Resolene
Established 1879
Whooping Cough, Croup, Bronchitis
Cough, Grip, Asthma, Diphtheria
Cresolene is a boon to Asthmatics.
Does it not seem more effective to breathe in a
remedy to cure disease of the breathing organs
than to take the remedy into the stomach?
It cures because the air rendered strongly anti-
septic is carried over the diseased surface with
every breath, giving prolonged and constant treat-
ment. It is invaluable to mothers with small
children.
Those of a consumptive
tendency find immediate
relief from coughs or in-
flamed conditions of the
throat.
Sold by druggists.

**Doctor Hugo's
Health Tablets**

These tablets will cure all men-
struation and uterine troubles even
when chronic.
They take away the backache,
constipation and dragging-down
pains, which are symptoms of a
run-down condition or some serious
disease.
As the weak and diseased organs
(no matter which they may be) are
made strong and well, that tired
feeling, nervousness and irritability
which come from a run-down con-
dition, disappear.
Women are writing us every day
testifying to their gain in health
since taking these tablets. Improve-
ment is noticed in a week's time.

Douglas Milligan, an aged and respected

years. He was for a number of years
employed with the Hall Manufacturing
Co., Summerside, and was a skilled
mechanic and a citizen whom all respect.

Milligan and Miss Kate Milligan, North-
am; and Mrs. John Ha-kness, Sum-
merside, survive.

Provincial President Brennan inaugu-
rated at Alberton on Monday night Divi-
sion 6 of the Ancient Order of Hibernians.
The Division starts out under most favor-
able auspices there being a large mem-
bership and excellent officiating. James
V. White, Collector of Customs, is the
President, and Joseph Keefe, the Vice-
President of the Division. The Secre-
taries are W. D. White and J. A. Murphy.
After organization stirring addresses
were made by Edward Hackett, ex-M. P.,
Dr. Murphy, the Provincial President, and
others.

The Burns' Concert, which took place at
Alberton on the 29th ult. was one of the
best ever held there. The choir was
occupied by the Hon. Mr. Agnew, who in
a few well-chosen remarks extended a
hearty welcome to the large audience,
who had assembled to do homage to
Scotia's national bard. A long and varied
program was then well rendered and
well received. The singing of Miss Lena
Murray and Miss Jessie Sharp made an
excellent impression on the audience.
They had to respond to repeated encores.
One of the greatest treats was the singing
of Robert Lamont, who was

splendid. The fire and feeling which R. V.
Dr. Gaither put into "The address of
Sparticus" to his fellow-gladiators
made this historic scene so real and vivid
to his hearers, that they were trans-
ported to the scenes and felt the wrongs
that stirred the old gladiator to revolt.
The Rev. Wm. A. McKay says the ad-
dress on Bares in a particularly happy
manner. Rev. George Millar, who has
lately moved to Alberton sang "Anne
Laurel" and "My heart is set" in a manner
that displayed superior talent and culture
and was warmly received. Miss Edith
Agnew in the Highland Fling,
Wilbert Gillis and Master McIntyre in
the Sword and step dances, and eight
boys and girls in Scottish costumes in the
Highland cotiche were among the most
attractive features and elicited well-
deserved applause. One of the most
amusing numbers of the programme was
a laughable farce, in which considerable
historical talent was displayed. Pipers
Fraser and Gillis played in their usual skill-
ful manner, and the successful evening's
entertainment was brought to a close by
all joining in singing "Auld Lang Syne"
and God Save The King".

THE ORIGIN OF GALL STONES.
They are simply dried bile, made up of
crystalline constituents of that fluid.
Very common is this disease among mer-
chants, shop girls and shop girls and
those of sedentary habits. Prevention
consists in maintaining correct action of
the liver and bowels, which can be ac-
complished by Dr. Hamilton's Pills. No
person using this medicine need fear gall
stones, nor will they ever be bilious.
Sound digestion, good appetite, a clear
color will evidence the health giving prop-
erties of Dr. Hamilton's Pills, which are
the safest and best for general family use.

The shorter the type-bar and the greater
the distance between their bearings
the more accurately the keys will strike

A FORTY TO ONE SHOT.
A Kansas City, Missouri resident editor
has noticed that any time you see
a man finding fault with his local paper
an advertisement is ten to one that he hasn't
been given a job of work; three to
one he does not take the paper; two to
one that if he is a subscriber he is a
delinquent; even that he never does any
thing to assist the publisher to run a
better paper, and forty to one he is the
most eager to see the paper.

PAINS IN THE STOMACH.
After working all day, sewing, scrubbing,
baking, sweeping, washing, writing,
operating a typewriter, or behind the
counter, a woman is sure to get tired.
It's too bad a woman has to work, still
that's the way the world goes, but it's a
consolation to know that the pains which
come through hard work and worry such
as headache, backache, indigestion and
dyspepsia can be cured by Dutch Tablets.
They are put up inexpensively so anyone
can buy them. 10 for 10c. For sale by

ADVERTISING IS BROAD.
Advertising in itself means publicity
and publicity is a very broad and con-
prehensive term. It does not mean
simply a word whispered to a favored
few. It is rather, synonymous with a
general, broadcast declaration, and the
broader the scope of the announcement,
the better the advertising. No occupation
that directs attention along given
and desired lines can be reasonably re-
garded as wasted; nor can any funds ex-
pended to this end be adjudged ex-
traneous.—American Medical Journal
