

From French River.

A Story told by Mr. Samuel Clark which will Interest Many People.

Mr. Samuel Clark, of French River, Ont., has for two years lived anything but a happy life. Everything was pleasant with him, but his health was bad. Dyspepsia's pains worried and annoyed him until he was sick. He tried many remedies but could get no relief.

At last encouraged by the advice of a friend he commenced the use of Dodd's Dyspepsia Tablets and after a short time was delighted to find that his condition was improved. The relief was almost instantaneous. He continued the treatment until he had used altogether six boxes, and since then although he has exercised little or no care in his diet, he has never had the slightest symptom of the return of Dyspepsia.

Mr. Clark's experience will, indeed, be grateful news to many people, who like him, have been tortured almost to desperation by Stomach Trouble.

His letter reads as follows:—"I had been troubled with Dyspepsia for over two years and had tried various remedies without relief. I used six boxes of Dodd's Dyspepsia Tablets according to directions and they have effected in me a permanent cure.

"I still use the tablets after I have eaten something which I fear might bring on the return of the trouble, but this is only occasionally, so that I am quite sure my cure is a perfect and permanent one."

What Mr. Clark says is certainly worth considering by those who experience similar symptoms.

There is no form of stomach trouble (except Cancer) that Dodd's Dyspepsia Tablets will not instantly relieve and perfectly and permanently cure, and there is absolutely no reason why you should suffer a moment longer.

Suffocating With Croup

Mrs. F. W. Bond, 20 Macdonald street, Barrie, Ont., says:—"Having tried your medicine, my faith is very high in its powers of curing cough and croup. My little girl has been subject to the croup for a long time, and I found nothing to cure it until I gave Dr. Chase's Syrup of Linseed and Turpentine. I cannot speak too highly of it."
