A Life Insurance Company may be judged by what it DOES NOT DO as well as by what it DOES DO. As illustrating the things which

Natural Life OF CANADA

does NOT do, attention is invited to the following:

- It does NOT deposit its policyholders' funds in other than chartered Canadian Banks of good standing.
- It does NOT contribute to campaign funds; and it does NOT use policyholders' money for private or personal aggrandizement.
- Its Head Office staff are not overpaid; they are not participants in profits arising from the Company's investments, and they do NOT and NEVER did hold or use proxies.
