THE EXHIBIT OF M. TRAINOR & CO.

A Splendid Display of Rich Furs and Choice Millinery That Must Tempt the Fastidious Buyer—Some Features of a Very Attractive Booth

A notable store exhibit and one which will well repay the visitor to see, is that of M. Trainor & Co. the "Fur Kings". They have their usual large booth to the left of the main entrance, where their many friends and visitors generally will be welcome to come in and examine their valuable exhibit of high class furs and millinery. A well lighted and tastefully decorated booth sets off to good advantage the coolly furs and handsome millinery displayed therein. One is astonished at the magnificence of the furs displayed, and is tempted to ask—"Is there a market here for such costly goods?" The writer was promptly informed by the genial proprietor, that the goods are only a small portion of the actual stock carried by the firm and that each season the demand seems to be for the better lines. This is a noticeable fact and one which points to the prosperity of the times. The trade, of late seasons, not only want furs, but they demand the better class of furs, and so one can doubt for a moment this fact, after a visit through this splendid display. There are ladies' jackets in Persian Lamb, Ukrainian, Astrachan, Near Seal, Grey Lamb and Coon. Two beauties in the first mentioned Fur claim particular admiration. One rich Persian lamb with beautiful erl collar, revers, and cuffs—of finest Mink. It is made in the fashionable blouse shaping, with handsome cord girdle and is worth \$225.00. The other is self trimmed and of the usual coat shape and is priced \$175.00.

A good second, and a fur which closely resembles the Persian Lamb, is the Ukrainian and some handsome models are shown in this class both in the blouse effect, with girdle and in double breasted coat shape, one in the former which we particularly admire, was trimmed with rich sable and the price was \$100.00. The showing of the famous "Christine" Jackets is very large, and the best yet handled by the firm who have the sole selling right here. They are all guaranteed and make an impressive collection. A beautiful Astrachan jacket which claimed attention had slightly blousing front, girdle, and sable trimmings, the price being \$75.00. There are Astrachans shown in every fashionable shape and quantity.

A very pretty and becoming fur is the Near Seal and there are some splendid models on view, one with beautiful sable trimmings, seemed a very choice garment indeed and was marked \$75.00. There were also shown some ladies' cloth jackets with Marmot fur trimmings at \$35.00. Next the writer will show the ladies' neckwear and muff and a really elegant showing there is, in Mink, Stone Marten, Isabella Fox, Sable, Celestial Marten, Marmot, Shores Mink, Rock Marten, Thibet, Grey Lamb, Squirrel, Ermine & Co. A magnificent set of Mink consisting of long stole and muff is worth \$95.00. Another of the same beautiful fur with long ruff and muff is priced \$90.00. An elegant stone Marten set is priced \$90.00. A very desirable and always fashionable sable set is \$90.00. A very pretty set of Isabella Fox is \$45.00. A set of Celestial Marten is \$52.00. A Marmot set which closely resembles mink is \$29.00. A Shore Mink set is \$21.00. A beautiful set for a young girl is of Grey Lamb at \$22.50 and so on. There are also very many separate pieces such as White Thibet Stole at \$10.00. A squirrel stole at \$17.50 etc.

EVERY PALE WOMAN

Read this and Learn the Way to Good Color and Better Health.

Pale people have pale blood. In other words the blood is watery and lacks red corpuscles. The stomach is weak. Assimilation is poor and food is not changed into blood. As a result the system is robbed of vitality, lacks strength and reconstructive power. Don't slip from vigor into weakness. Don't allow the appetite to fall but instead use Ferrazone.

You're bound to feel rejuvenated and strong headed at once. Appetite is braced up, digestion is stimulated, vigor imparted to the stomach. Every thing you eat is transformed into nutriment that supplies what your thin weak system needs.

Vital, life-giving blood that makes rosy cheeks and dancing eyes—that's the kind that Ferrazone makes.

The strength and buoyancy that lifts depression and tiredness, that's the work you get with Ferrazone. Every pale woman can transform her bleached-out appearance with Ferrazone. Not only will it improve looks and spirits, but by rebuilding all weak, tired organs, Ferrazone establishes a soundness of health that's surprising. For women and girls who want to feel well, to look well, to be well and stay well, nothing knows in the annals of medicine is so certain as Ferrazone. Who's your Ferrazone? Concentrated pure in tablet form, that's Ferrazone, 50c. per box or six for \$2.50, at all dealers.

which is massed and artistically arranged trimming of wine colored silk, through which is thrust two handsome quills shading from wine to palest pink. Altogether the showing is magnificent, and highly creditable, and the writer has no hesitation in saying that the time and trouble spent in getting it up, will be more than repaid in a largely increased patronage for this popular and enterprising firm. The total value of the Exhibit is about \$5000.00. The decoration of the booth is the work of Messrs Trainor & Boyer.

GREATEST FEMALE STRENGTHENING ON EARTH.

Thousands of women are war, pallid, rundown and despondent. What they need is that nourishing tonic Ferrazone. Soon they regain those laughing eyes, bright spirits and rosy cheeks. Ferrazone does this and more as Mrs. L. F. Adrien, owner of Whittsey Pier, C. B. testifies. "My daughter was very much run down and had considerable trouble at time. Often I was at a loss to know what to do. I was advised to give her Ferrazone and I did so. Ferrazone cleared up all the trouble, made my daughter healthy and well. Ferrazone gives good appetite, regulates, 'strengthens', I consider it a medicine every woman should use regularly if she wants to feel her best." Rebuild with Ferrazone, it is the King of all cures. Price 50c. per box at all dealers.
