—RED CROSS.—Worthy of more than passing notice is the work done by the Ladies Auxiliary of the Red Cross Society of O'Leary. At their first meeting the following officers were appointed: President, Mrs. H. E. McEwen; Vice-Pres., Miss Hattie McEwen; Vice-Pres., Miss Hattie McEwen; Treasurer, Mrs. H. S. Jelley; Collectors, Mrs. John Jelley, Mrs. H. E. McEwen, Miss Ida McGregor and Mrs. Robert Ellis. The sum collected, viz. \$157.41, shows how successful the collectors were in their work. Of the above sum \$100.00 was given to the Genl. Secy., and the remainder was kept for the purchase of material from which the ladies made the following articles:—52 towels, 21 night shirts, 27 pairs of pillow cases, 16 sheets, 31 handkerchiefs, 10 pyjama suits, 24 pairs of stockings, and several rolls of bandages. The same commendable spirit that was shown by our Island boys, now on their way to Europe, has prompted the ladies to spend much of their time at this work. Theirs is an example that all of our Island women should endeavour to imitate.

—SCHOOL EXHIBITION.—The school exhibition in connection with the Alberton Exhibition was a decided success. Notwithstanding the fact that the schools have been in session only a few weeks, there was an exceedingly large variety of exhibits, and on their splendid display. This corner of the exhibition building was the centre of attraction not only for the teachers and pupils but for the parents as well. Great interest was evinced in the collection of muscular movement writing which was neatly arranged on the racks, and the high standard of this shows beyond doubt that the introduction of this method of writing is a step in the right direction. Special mention must also be made of the drawing, which included a large variety of freehand drawing and crayon.

—Among the other exhibits were, weed seed collections, mounted specimens, geology, compositions and other school work. Besides the school exhibits there was a large number of bulletins, nature pictures, manuals, and other reference books for the teachers. The teachers wish to thank Mr. Landrigan, who loaned a few of the samples of the school supplies, including maps, blackboards and books, also Professors Ross and Tennant, who so kindly assisted in the awarding of the prizes.—Collection of Weed Seeds:—1. Executorships

Too great importance can not be attached to the choice of the right Executor to administer your Estate after you are gone.

No man would entertain the idea of insuring his life or property with a private individual. Then why should he place his Estate in the hands of a person who, for any one of a number of reasons, might lose a considerable percentage of its value?

With a most efficient organization, the Dominion Trust Company solicits the management of your Estate now or the appointment as Executor. The cost will be no more than that charged by the individual and oftentimes less.
