FOX NOTES.—The Seal River Black Fox Company Ltd. have had at most successful output this spring and now have thirty pups on foot.

S. S. ASSOCIATION.—It is expected that the Vernon District of the Sunday School Association will be held at Millville on June 28th.

RETURNS HOME.—Mr. Thos. McCloskey, who for the past few years has been in Bangor, Me., has returned to the Island and has opened a shoemaking shop at Vernon River Bridge.

ISLANDER HONORED.—Mrs. G. C. Lawson and infant daughter of Quebec, are spending the summer months on the Island, the guests of Mr. and Mrs. H. Lawson of St. Avards. Capt. Lawson, who until recently was in charge of the Military Hospital at Quebec, has been appointed to the responsible position of Assistant to the Director General of Medical Services, Militia Headquarters, Ottawa.

SERIOUSLY ILL.—It is with feelings of profound sorrow, that the many friends of Mr. C. Braden Jelly learn that he is at present seriously ill at the P. E. Island Hospital. Mr. Jelly has been principal of Victoria High School for the past five years, in which time he has proven himself to be one of the best of the Island teachers. His numerous friends and especially the rate-payers of the above named school, are anxiously awaiting news of his recovery.

ROYAL GUARDIANS.—About twenty-five delegates from different parts of Canada, representing the Supreme Lodge of Royal Guardians, formerly known in Charlottetown, are attending the biennial session which will be held today in the K. of P. Hall. The Royal Guardians are an insurance and fraternal society of which there are several members in Charlottetown. There are several ladies in the party and they will probably spend a few days here.

RED AND WHITE.—The June number of the Red and White, the bright quarterly published by St. Dunstan's College, has come to hand and, as usual it is filled with good, breezy original matter on economical, philosophical and historical subjects, contributed mainly by the students. There is also a poetical gem "Too Soon" by the well known Charlottetown writer, (Mrs.) Lucy Gertrude Clarkin, which alone would grace the pages of any magazine. Red and White, at the nominal price of 50 cents a year, should be much more widely circulated than it is.

WELL KNOWN HERE.—The Very Rev. (now Sir) Daniel Miner Gordon, Principal of Queen's University, Kingston, upon whom the King, on his recent birthday, conferred the order of St. Michael and St. George, is well and favorably known in Charlottetown, his wife being a sister of Mr. D. R. MacLennan of this city. Sir Daniel was born in Pictou, N. S., and was educated in Pictou Academy, Glasgow University, Berlin University, and in Dalhousie, Knox College, Toronto and St. Andrew's Universities. He has been Principal and Vice-Chancellor of Queen's University since 1902. In 1869 he married Miss Eliza Simona MacLennan, daughter of Rev. John MacLennan, Argyllshire, Scotland.

McAdam, West St. Peter's, paid a short visit to friends in Scotchfort recently.—Miss Sena McDonald, Maple Hill, was visiting in Scotchfort recently the guest of Miss Florrie Fisher.—S.

LOBSTERS PLENTIFUL.—Though the lobster season is much shorter this year, yet if the weather keeps favorable it bids fair to be a regular breaker for big catches. The factories at Savage Harbor and Blooming Point, in fact all along the North Side are several days behind in the canning. For the last few days the average is over 1000 lbs. per boat, in Clark's factory, and there has been similar large catches at the other factories.—L.

WEDDING BELLS.—On the evening of June 1st, Mr. Otts Hoffman and Miss Bertha MacLinnis, daughter of Wm. MacLinnis, Elm Avenue, were united in the holy bonds of matrimony at Watremore by the Rev. D. MacLean on June 2nd. Mr. Wm. Birt, Covehead Road took for his bride Miss Sadie Jane, daughter of Robert Craig, Esq., Clarktown, the ceremony being performed at the same place and by the same officiating clergyman. As they start out upon life's journey together they are followed by the very best wishes of a large circle of friends and acquaintances. The Guardian extends to all its most hearty congratulations.

WEDDING BELLS.—The St John Star of June 4th, says:—On Thursday morning at eleven o'clock the Exchange Street Methodist Church was the scene of an interesting event when Miss Anna Orr was united in marriage to Harold C. Following the ceremony a dinner was served at the home of the bride's parents, and later Mr and Mrs Robertson left on a honeymoon trip through P.E. Island. There fell asleep at Freetown on April 1st, 1915, Catherine Lawless, aged 64. The deceased was twice married and both of her husbands predeceased her. Her husband was the late Andrew Jardine her second was Leonard Atleek of Hillsboro. She was bedfast for months and all that medical aid and loving hands could do was done, but to no avail; all though her suffering which by times was intense yet she bore it in a spirit of genuine courage and beautiful unselfishness and with patient submission to the Master's will. She leaves to mourn the loss of a loving mother, four daughters, three sons, J. C. of Summerside, W. H. of California, B. Douglas of Freetown with whom she lived; Mrs. Ernest Webb, Laurence, Mrs. M. H. Harding, Northborough; Ethel and Florrie at home. She was beautiful in life and lovely in death. No one who gazed at her sweet peaceful face could doubt that she had gone to be with Him whom she loved and served. All feel her loss greatly but know their loss is gain. For she has gone to a home where sorrow never enters. Her remains were laid to rest in the North Bedque Presbyterian Cemetery on Saturday, April 3rd, and was largely attended. Rev. CATTLE SHIPMENT.—Mr. E. Wedlock, Hunter River, was in Charlottetown yesterday morning with two and one half cars of choicest cattle seen for a number of years. They were shipped to Messrs Learning & Co., Halifax, and were fed by some of the best feeders in New London.

FUNERAL HELD.—The funeral of Mrs. Donald McEachern took place Monday from her late home at Millview to Birch Hill Cemetery. The services began at 2 o'clock and was conducted by the Rev. Jas McDougall of the Kirk of Scotland. A very large concourse of people assembled to pay their respects to the departed.

A THRILLING RETURN.—Mr. "Corney" McInnis, one of the fishermen of the Cape Factory had an exciting experience in coming ashore with a boat-load of lobsters a few days ago. The sea was rough and the boat was low in the water and on nearing the mooring place a heavy sea broke clear over her, completely immersing Mr. McInnis. Still he remained cool and it was only by clever boatmanship and the fact that the engine was of the make-and-break spark type that an accident was averted.—L.

SOME LOBSTER.—Mr. W. J. Lidstone, Summerside, has received from Mr. P. J. Bulger, of Cape Wolf, either the mother or father of all the lobsters in those parts. It was landed at Mr. Bulger's factory at Howard Cove, is 28 inches from tip of claw to tip of tale, and weighed, when taken from the water, just fifteen pounds.—Island Farmer. The grandfather or grandmother of the lobster family above referred to was on exhibition in the window of Hughes' Drug Store, Charlottetown, a few days ago. It was 37 inches in length and was captured by Mr. Gilbert McDonald, Rice Point.

PALPITATION CAUSES COLLAPSE

Now in Wonderful Health through Dr. Cassell's Tablets.

So bad she thought she was going to die.

Also had Acute Dyspepsia and simply awful Headaches.

No treatment tried was of any permanent avail.

Obtained Quick Relief and Speedy Cure through

DR. CASSELL'S TABLETS.

Elderly folk all over the Dominion who suffer from Dyspepsia or heart palpitation should read this story. They will then know what wonderful power there is in Dr. Cassell's Tablets to cure these torturing maladies, and to restore bright health and comfort even to those of middle and advanced age.

"I can't praise Dr. Cassell's Tablets enough for all the good they have done me," says Mrs. C. Harris, of Charnham-street, Hungerford, England. "When I first got them," she continues, "I really thought I was going to die, and now to see the splendid progress I have made! It is almost a miracle. For years I had suffered with my heart, and windy spasms, and this brought me so low that I had hardly any strength left. I was simply awfully headachy. My head used to ache till I really wished myself dead. But it was the heart palpitation that was my great affliction. It just fluttered like a bird, and if I exerted myself at all I went cold from head to foot, and so faint that I almost collapsed. I could not do any housework at all; if I tried to I fainted right away. I used to be in bed for days at a time. Pounds and pounds I have spent on treatment, but it was little use. I was told I could only be patched up, that there was no real cure. Once I tried a convalescent home, but I came back from it rather worse than when I went in. I was getting weaker as the years advanced, and oh! so helpless.

"It is only about a year since I first got Dr. Cassell's Tablets. Their quick relief

begun to suffer with Dyspepsia, and during that time I am sure I have gone through martyrdom. The trouble came on with heartburn, which got worse and worse till I could keep nothing out of my stomach. I was afraid to eat even the lightest thing. Sometimes even a glass of water would return. My life was a daily misery. Another trouble, perhaps the worst, was the frightful heart-palpitation I had to endure. My heart used to flutter till I felt like to collapse, and I had to throw myself down on a couch, nearly helpless. Sometimes I hardly cared whether I lived or died. I was so tortured and miserable. There was pain constantly at my chest, and I was so weak and faint that I could do nothing.

"Of course, I had medicine. I also tried other things. But it was all useless. I seemed incredible till at last I got Dr. Cassell's Tablets. Then I grew better and palpitation; I could eat without fear, and now I am as well as ever in my life."
