The annual public examination of the Southport School was held on Friday, the 23rd inst. in the presence of a large number of parents and visitors. The pupils were examined in the various branches by Inspector Campbell and acquitted themselves in a manner which reflects much credit on both teacher and taught. All present expressed themselves as being well pleased with the progress made during the year. At the close of the examination the pupils presented the teacher Allison Campbell with a handsome Xmas present which was suitably acknowledged.

The examination and Xmas tree held Thursday evening last in Bunbury school was attended by about thirty parents and trustees, who much enjoyed the proceedings. The teacher, Miss McNeill, examined the scholars, who by their answers showed thorough and efficient training. A program of recitations and singing by the children was well rendered. Santa Claus then distributed gifts among the children and good-will to their pastor and his wife. Excellent recitations were given by Miss Lucy Murray and George McLure. Several pieces of music were rendered. Hannibal Murray was then called upon, and on behalf of the congregation, presented Mrs. Sellar with a generously filled purse, accompanied by the following address.

On Thursday evening the 22nd inst., about 60 of the members of the church and congregation of Pleasant Valley met at the Parsonage. They brought baskets filled with good things. A nice program was arranged. Thomas Bertman was called to the chair, and he and Geo. Mallet gave addresses, expressive of true friendship and good-will to their pastor and his wife. Excellent recitations were given by Miss Lucy Murray and George McLure. Several pieces of music were rendered. Hannibal Murray was then called upon, and on behalf of the congregation, presented Mrs. Sellar with a generously filled purse, accompanied by the following address.

Dear Mrs. Sellar.—"We your friends of Pleasant Valley, deem it our duty to tender to you some slight evidence of our appreciation of your services as organist of our church during the last two years and a half. You have earnestly and faithfully performed your duty as leader and instructor in all your church work, thereby exhibiting a deep and untiring interest in the promotion and welfare of the church. We one and all feel deeply grateful to you for the benefit we have received from you. We ask you to accept this slight token of our affectionate esteem, wishing you a merry Xmas and a happy New Year." This was a pleasant surprise to Mrs. Sellar and in a few words expressed her heartfelt thanks. Mr. Sellar then gave a brief address, and on behalf of his wife and himself, expressed hearty appreciation for such exceeding kindness so largely manifested by their people. A beautiful supper was afterwards served by the good ladies, and an enjoyable evening spent. Before separating the company joined in singing "God be With You Till We Meet Again," and Mr. Mallet offered prayer.

There is nothing makes a person feel more miserable than La Grippe. If taken in time by the aid of our La Grippe Wafers. It is only the matter of a few hours till it is completely under control. If let take its course there is no telling how it will end. So act accordingly, only 25 cts box—A. W. Reddin Phm H.

\$40,000 BAIL FOR MRS CHADWICK.

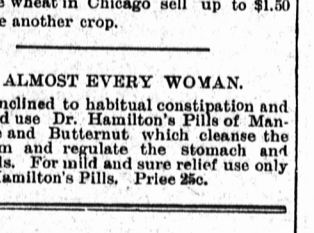

CLEVELAND, Ohio, December 28.—A syndicate, for which Attorney P. D. Quigley of this city is spokesman, is said to be ready and willing to furnish bail to the sum of \$40,000 to procure the release of Mrs. Chadwick, held in jail here awaiting trial on the charge of forgery. Attorney Quigley would not give the names of the respective bondsmen, but says they are well able to furnish any reasonable sum of money required if Mrs. Chadwick is permitted to go out on bail. The federal officials are said to be not in favor of giving Mrs. Chadwick her freedom, and will, it is understood, discourage such a proceeding without, however, infringing on the prisoner's constitutional rights.
