HE READ "AN AD"

And Followed its Advice—The result was Better than He Expected, but in a Different Way,

POINT AT PIC. Que., May 20—(Special).—Henry Gagnon, of this place, reads the papers. He sometimes reads the advertisements.

His back was sore. His urine of an unnatural color, and he was sick.

So when he read an advertisement of Dodd's Kidney Pills, he wondered if they would relieve him.

He had made up his mind that nothing would cure him, but he was hopeful that these Pills, about which he had read and heard so much, might perhaps relieve him a little.

So he made up his mind to try. He did so, and was very much surprised at the result.

This is how he put it:—"At first, I had little faith, but now I am happy to say, that I am completely cured. Dodd's Kidney Pills are a grand medicine, and I shall always recommend them for Kidney Disease."
