THURSDAY.

RECORD LOBSTER—Quite a crowd assembled yesterday afternoon at the Apothecary's Hall to see a rare curiosity in the shape of a monster lobster, 3 feet one inch long and weighing 10 1/4 lbs., the property of Mr. Gilbert McDonald, of Rice Point. Mr. McDonald made this remarkable catch yesterday while fishing at the Point. He is to be congratulated on this record-breaking feat.

IN TRAINING—Master "Jack" McLeod, son of Mr. and Mrs. Neil McLeod, Summerside, enlisted for overseas service last March among the McGill students, where he had just completed his second year. He is now in training at Niagara-on-the-Lake and expects to go to the front at any moment amongst the draft now called upon to reinforce the Patricia's, who have been so badly cut up in Flanders.—H.

FOXES ESCAPED.—One of the Fox Ranches in Scotchfort, which was owned by a syndicate from Charlottetown has recently come to a rather inglorious end, all of the foxes (ten pair in all) having made good their escape, and up to the time of writing none of them have been captured, although foxes are supposed to be the escaped ones have been seen by different parties within a radius of three miles from the ranch. Indeed some of them have been making themselves free with the hencoops and are not any way backward in carrying off a hen when they get the opportunity.—S.

SUMMER STEAMERS.—Arrangements have been completed whereby the Red Cross steamers will make regular calls at Charlottetown en route from New York to St. Johns, Nfld. The first call will be by the Florizel, about the 18th. The next will be the Stephen, about a week later. The intention is to have regular weekly calls after September 15th. In the meantime there will be two sailings a month. The steamers are large, splendidly fitted out for both passenger and freight traffic, and their regular visits here will no doubt help swell the stream of summer travel this season.

The death took place on Saturday last, 29th of May at his home in Hope River of Mr. J. Robert Bruce Turner aged 37 years. Deceased was a son of the late William Turner, and for some years past had been in failing health, hence his demise was not unexpected. He was of a quiet, agreeable disposition and highly esteemed in the community. The funeral on Monday morning to St. Ann's church and cemetery was largely attended, a large number of members of the B. I. Society of Hope River, of which he was a respected member, were in attendance. He leaves to mourn one brother and two sisters, besides a host of friends who have the sympathy of the entire community. The funeral services were conducted by the pastor, Rev. Father Gaudet.

THE BEST MEDICINE FOR LITTLE ONES

Thousands of mothers say Baby's Own Tablets are the only medicine they would give their little ones. Among them is Mrs. Howard Hodgkins, St. Catharines, Ont., who says: "I am a user of Baby's Own Tablets and think them the best medicine in the world for little ones." Once a mother has used the Tablets she will use no other medicine because she feels the Tablets are absolutely safe and knows they never fail to banish all the simple ailments of little ones. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Fred H. Trainor 80 Grafton Street

PATRIOTIC LECTURE.—Mr.

J. H. Bell, at the request of the Red Cross Society, delivered a very interesting and instructive lecture on "Canada and the Empire", in the Hall at Central Beedeque, a few evenings ago. The proceeds of the lecture and sale of candy amounted to thirty-five dollars, which will be used to purchase material for sewing purposes. The ladies of the Society have lately held sewings at the homes of Mrs. Jesse Schurman and Mrs. George Cahill at which a large number of hospital shirts, pyjama suits, infants' outfits and bandages were made. Lunch was served at both houses and all returned to their homes well pleased with the noble work they had assisted in, as well as having spent very enjoyable afternoons with the assurance that Beedeque is never behind where charity is requested.

OVERSEAS TOBACCO FUND.—Mr. H. W. Vinnicombe has at present about \$11.50 on hand for the above fund and will be pleased to receive any other amounts forwarded. The following notes received from those who got a supply of the tobacco, etc., sent for Christmas, speak for themselves as to appreciation. Any amount from 25c. up is acceptable. Dr. Jack J. McKenna, No. 42165, 10th Battery, 3 Brigades C. F. A., writes: "Many thanks for your generous gift of cigars. You so generously sent and we unite in heartily thanking you for your kind thoughtfulness. There is no present that could be more appreciated than a good smoke under these conditions. Signed on behalf of all the boys." Bomb. Geo. A. Mark, C. F. A., writes from Belgium: "Many thanks for valuable present which I have just received. Such things are very scarce in this country at present. Cigarettes are our best friends now. Again thanking you, etc."

SCOTCHFORTH AND VICINITY.—The central part of the island has been visited by one of the heaviest rainfalls that has been for years making the ground so wet that it will be unfit to work for a few days, thus retarding seeding for a time.—Mr. Ronnie Gillis, St. Peters Bay, spent the week end visiting friends in Scotchfort.—Miss Alfrede McNeill, accompanied by her friend, Miss Alysia MacDonald, St. Peters Bay, spent the week end visiting in Tracadie the guests of Rev. J. B. McIntyre.—The death occurred at Blooming Point on Monday, May 24th of Mr. Michael Beaton an old and respected citizen of that place. Deceased had been sick only a few days, having taken suddenly on Sunday morning, and all that loving care and medical skill could do was of no avail. He gradually sank till the end came. The funeral which took place on Thursday to St. Bonaventure's church was followed by a large concourse of people who came to pay their last tribute to the departed one, who after receiving the last rites of the Holy Church was laid in his last resting place to await the glorious resurrection. A sorrowing wife and ad family are left to mourn the loss of a devoted and loving father to all of whom the Guardian extends sincere sympathy.—S.

FUTURE OF FOX PELTS.—Mr. J. O. Hyndman has received an interesting letter from the Editor of Canada, the best-known and leading English journal dealing with all Canadian matters, in which he makes the following references to the value of fox pelts: "I note your remarks re the pelt for which you were offered \$1,700.00. This strikes me as a very big price. I was discussing the whole business a week or two ago with one of the largest brokers in London and I was agreeably surprised when he expressed the opinion that even when the industry came down to a pelt basis, and the large number of pelts that would be available were thrown on the market, he did not think the price would be reduced more than 15 or 20 per cent. You can easily see that even on these figures the industry should prove immensely profitable." The Editor of Canada is not directly or indirectly interested in any fox company. He is a London journalist, and as such has made it his duty to investigate the possibilities of the industry. He went to the fountain head, namely—a jeding fur dealer, and as a result of his inquiries he is satisfied that the future of the fox industry on a pelt basis is amply assured. A 15 or 25 per cent. reduction on the high price now prevailing for silver pelts would mean, at the moment, the case of such a pelt as Mr. Hyndman had to market, that he would obtain about \$1,275 instead of \$1,700.

ASTHMA COUGHS

WHOOPING COUGH SPASMODIC CROUP BRONCHITIS CATARRH COLDS  
Vapo-Cresolene  
Est. 1873  
A simple, safe and effective treatment avoiding drugs. Used with success for 35 years. OLD-TIME REMEDY MAKES PURE BLOOD

Purify your blood by taking Hood's Sarsaparilla. This medicine has been and still is the people's medicine because of its reliable character and its wonderful success in the treatment of the common diseases and ailments—scrofula, catarrh, rheumatism, dyspepsia, loss of appetite, that tired feeling, general debility.  
Hood's Sarsaparilla has been tested forty years.

By the death of Mr. Duncan Nicholson which took place at his home Clyde Station on May 17th in the 94th year of his age, the community has lost a man of whom the highest respect has been rendered. The late Mr. Nicholson was born in the Isle of Sky, Scotland. In the year 1841 he came to P. E. Island and settled on the farm where he died. He was a man of sterling worth, a kind friend and good neighbor and was held in high esteem by all who knew him. He made his church home in the Presbyterian congregation of Strathalbyn. He leaves to mourn the loss of a kind and loving husband and father a sorrowing widow who is 88 years of age one son Daniel D. Hartsville, and four daughters Mrs. Joseph Crabb and Mrs. Joseph Concord and Mrs. A. McDonald Brookfield who tenderly cared for her aged parent in his last illness. The funeral service on May 19th conducted by Rev. J. H. McHattie Brookfield, was very largely attended. Interment was in the Presbyterian Cemetery Hartsville.

FRIDAY.

QUARTERLY MEETING.—The Fourth quarterly meeting of the P. E. Circuit officials found the work of the year most encouraging. The full stipend is paid this year. The Circuit is independent, reaching the highest point in this respect that it has ever attained. The pastor was most cordially invited to return for a 3rd year. This he agreed to do subject to conference approval.

The death occurred at Southport on May 24th, of Mrs. Mary Burke, widow of the late James Burke, after a few weeks illness in which all that medical care and attendance could do was done but was powerless to stem the hand of death. The funeral was held on the 27th at Bunbury Cemetery and, although the day was very disagreeable, a large concourse of people followed the remains to their last resting place beside that of her late husband and four children. The funeral services were conducted by the Rev. E. S. Weeks who spoke of her beautiful Christian character and loving kindness among her neighbors and all those with whom she came in contact. The pall-bearers were Messrs D. Stewart, Geo. Mutch, H. Kelly, C. Stewart and Dan Jenkins. The late Mrs. Burke was the daughter of Mr. and Mrs. John Y. Burhoe and was born at Lunenburg, N. S., on 29, 1852 and removed to Southport with her husband about 35 years ago where she resided until her death. She leaves to mourn the loss of a kind and loving mother, six sons and two daughters, Cecil the eldest in Alberta, Arthur and Ernest at home, Pope and Walter in the military service, Mrs. Mary's beautiful floral tributes among them being Pillows from her children, Miss Della and Hazel and Miss Beatrice Burke, Mrs. Henry Ferguson and Mrs. Emily Burke Wreath from Mr. and Mrs. John Lewis, cressent, from Mr. and Miss Devaney, Fulton, N. Y., Mr. and Mrs. Walter Burke and Miss Jonie Burke, cressent from Mr. and Mrs. Frank Hayley and Miss Florrie Haley, bouquet from Miss Bertie Lewis and a beautiful cressent and sheaf from the Artillery. Showed the esteem in which she was held. The sympathy of the community will go out to the family in this sad hour of their bereavement.

ISLANDER HONORED.—The Manitoba Free Press says:—The directors of the Great West Life took action yesterday in the matter of naming a successor to the late J. H. Brock, who, from the beginning, was in charge of the affairs of this highly successful company. As a result of the deliberations, a circular letter was issued at the close of business, announcing that C. C. Ferguson, who has been with the Great West for the past eight years as actuary, had been named. This appointment is rightly regarded in this city as a highly important one, and the Great West Life will be in receipt of congratulations from all those who are personally acquainted with the new officer. Mr. Ferguson is a thoroughly trained life insurance official, and has an intimate knowledge in particular of the Great West. He is a graduate of McGill, where he was awarded a gold medal in the class of 1900. He began his study of life insurance Mr. Ferguson has contributed a number of papers to insurance journals, which attracted wide attention. These have been on such subjects as "Some Modern Methods of Valuation," "A Pension Fund Method," and "Participating Life Annuities." He is a member of the American Institute of Actuaries, and a Fellow of the Actuarial Society. During the years of his residences here Mr. Ferguson has strongly commended himself to the prominent people who are associated with the Great West Life as directors. His manner is extremely quiet and marked by a perfect courtesy in all his dealings with the public. He is recognized as expert on all matters relating to life insurance, and has frequently been called to counsel with the directors of similar organizations. He is now honored

Blood Thin and Weak Too Nervous to Sleep

HERE IS ANOTHER CASE IN WHICH DR. CHASE'S NERVE FOOD PROVED ITS GREAT RECONSTRUCTIVE INFLUENCE.

This blood and exhausted nerves usually go together. A considerable portion of the blood is constantly consumed in keeping up the vitality of the nervous system. Once the blood is deficient, either in quantity or quality, the nerves suffer and bodily pains result. Headache, neuralgic or sciatic pains are the indications in some cases, while in others weakness, nervousness, irritability and sleeplessness are the most marked symptoms.  
Mrs. R. F. Catlin, Elm Springs, Sask., writes: "For years I was troubled with nervousness, and could not sleep nights. Also had lack of color as a result of the blood being thin and weak. My husband saw Dr. Chase's Nerve Food advertised, and got some for me, and wanted me to try it. I did so, and it has proven a wonderful help to me. By enriching the blood, it has restored color to my face and has built up the nervous system so that I rest and sleep well. It is a pleasure to recommend so excellent a medicine."  
Dr. Chase's Nerve Food goes direct to the formation of pure, rich blood and for this reason is the most certain means of increasing the quality as well as the quantity of blood in the human system. The feeble, wasted nerves are restored, and through the nervous system new vigor and energy is imparted to every organ and member of the body.  
You will be surprised at the way this food cure puts new strength and vitality into the weakened body. And the best of it is that the benefits are both thorough and lasting. In this the Nerve Food differs from mere stimulating medicines which give rise to false hope and when discontinued leave you as weak as before. Put this great restorative treatment to the test and prove its merits in your own cases. 50 cents a box, \$2.50. All dealers or Edmondson, Bates & Co., Limited Toronto.

as yesterday's. The members of the club and other horsemen interested are requested to meet at the Canada Fox Exchange office this evening at 8 o'clock to arrange matters in connection with that meeting.  
Following is the summary of yesterday's racing:—  
SUMMARY.  
2:16 Trot and Pace, \$200.  
Dr. Sharper, entered by McKinnon Drug Co., 1, 1, 1.  
Hilda S., 2:16, entered by A. A. Stewart, Southport, 2, 2, 2.  
Princess Etta, entered by T. C. Edgett, 3, 4, 3.  
Oakley H., 2:18 1/2, entered by Fred Cameron, 4, 3, 4.

2:24 Trot, \$100.  
British Soldier, entered by W. S. McKie, 1, 1, 1.  
Queen Alto, entered by J. S. Wedlock, 2, 2, 2.  
Admiral, entered by Jerry Mahar, 3, 3, 3.  
Cap Cresceus, entered by H. H. Horne, 4, 4, 4.  
2:30 Pace, \$100.  
Derby, entered by J. S. Wedlock, 1, 1, 1.  
Moth Miller, entered by Arthur Godkin, 2, 2, 3.  
Queen Catherine, entered by G. Harding, Graham's Road, 3, 3, 2.  
Fernalde, entered by Ellis Pharmacy, Montague, 4, 4, 4.

2:30 Pace Fernalde had the pole in the first heat, but Derby took it on a spurt, closely followed by Moth Miller, Queen Catherine coming in third and Fernalde fourth. In the second heat, after considerable scoring, the horses got away with Queen Catherine slightly in the lead. However, Derby, by a great burst of speed, took first position and won the heat, with Moth finishing a close second. The third heat was one of the most interesting in the afternoon's racing. On the first turn Catherine crowded Moth Miller, who did the same thing to Derby to some extent, Moth making a break. This was a horse race from start to finish, Derby beating the Queen only by a small margin on the home stretch. It was Queen Catherine's first race on clay and she showed up well. She has every indication of becoming a fast pacer.  
During the afternoon the starter announced that the Charlottetown Driving Club would hold matinee races on the Park on Monday, 14th, when they would put on five races as good

Freckle-Face

Sun and Wind Bring Out Ugly Spots. How to Remove Easily.

Here's a chance, Miss Freckle-Face to try a remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does give you a complexion the expense is trifling.  
Simply get an ounce of othine—double strength—from any druggist and a few applications should show you how easily it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.  
Be sure to ask the druggist for the double strength othine as this is the prescription sold under guarantee of money back if it fails to remove freckles.

About June Weddings:  
WE welcome the June Wedding because each one represents the establishment of a new Canadian home centre.  
And the home is the essential basis of our national life. The strength of nations depends upon the cultivation of the home life.  
Yet many of our far-seeing Canadian citizens avoid the obligations of marriage because their means seem insufficient.  
Life insurance makes it possible for any man with even a small income to set up a home of his own without fear.  
The Mutual Life of Canada issues ideal home protection policies on many plans, each of which is adapted to some particular class of Canadian citizen.  
Simply get an ounce of othine—double strength—from any druggist and a few applications should show you how easily it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.  
Be sure to ask the druggist for the double strength othine as this is the prescription sold under guarantee of money back if it fails to remove freckles.

Here's your Bread Flour and your Pastry Flour, both from the same bag of "Beaver" Flour

The original Blended Flour Always the same in quality

THE only flour that can make perfect Bread and perfect Pastry, is that flour which has the delightful flavor, the whiteness and lightness, of Ontario wheat flour with the strength of western wheat.

"Beaver" Flour has this perfect balance. It contains the quality, flavor, lightness and whiteness of the choicest Ontario wheat—and its strength is increased by the addition of Manitoba wheat.

By blending these two wheats in exact proportions, "Beaver" Flour gives you the best qualities of both—and is equally good for Bread, Rolls and Biscuits, Cake, Pies and Pastry.

Don't go to the trouble of keeping two flours in the house. Get "Beaver" Flour—the bread and pastry flour—the original blended flour.  
DEALERS—Write us for prices on Feed, Coarse Grains and Cereals.
