—GRAND RIVER.—The Xmas holidays are about over and never did the people of this locality enjoy them to their hearts content until this year. There was a great many social gatherings and when it came to sleigh rides the young folks had certainly a jolly time.—The Misses Mary A. and 'Gertie' McKinnon, teachers at lot 7 are spending their holidays with their brother, John S. McKinnon.—Miss Mary McDougall of the employ of R. T. Holman & Co., is home on a visit of two weeks. On Wednesday of last week Mr. Linus McDonald was crossing from what is known as Jack Alex shore to Lot 16 with a large load of hay and when out about middle way the ice gave way and in went horse and sleigh but just at the moment the Rev. Father John happened to see him and immediately called up assistance by the telephone and in less than ten minutes there was a crowd gathered around and saved horse and hay.—Mr. James A. —SPLENDID CONCERT.—The pie social and concert that was held in the Cape Traverse hall on Monday evening last was a grand success affording the large audience an entertainment never equalled before at this place. The program, although quite lengthy did not seem long enough in view of the many encores that followed giving sufficient evidence that the house appreciated quite fully the splendid talent that was before them. And it is not too much to say that one of the plays in four parts which occupied nearly an hour, was such as would grace an audience in the best of the modern cities. Besides the local talent Mr. McArthur of Alberton, gave a stump speech and a Scotch song both in fine style, and judging from the rounds of applause that followed the audience was getting a rare treat (and knew it) from that talented comedian. That genial friend from Bradalbane, Mr. McIntosh, assisted very materially in making the concert among the very best that was ever held at this place. Over fifty (50) baskets and pies were brought in by the ladies from the surrounding communities giving evidence of the generous response in assisting to augment the fund that is now being raised with a view of enlarging and repairing the Cape Traverse hall. The proceeds from the baskets which averaged over 100 a piece and the receipts from the door which made a grand net total of something over (\$80) eighty dollars will now be placed to the credit of the building committee by our capable and efficient secretary Mr. Warren Lord. Some of the Bedeque energetic people being present at the concert have given high compliments to the young folk of Cape Traverse and have invited them to repeat the concert in Central Bedeque Hall on Saturday evening, Jan. 10th, inst.

### How to Make Better Cough Syrup than You Can Buy

A Family Supply, Saving \$2 and Fully Guaranteed.

Sixteen ounces of cough syrup—as much as you could buy for \$2.50—can easily be made at home. You will find nothing that takes hold of an obstinate cough more quickly, usually ending it inside of 24 hours. Excellent, too, for croup, whooping cough, sore throats, asthma, hoarseness and other lung troubles.

Mix two cups of granulated sugar with one cup of warm water, and stir for two minutes. Put 2 1/2 ounces of Pinex (fifty cents worth) in a 16-ounce bottle, then add the Sugar Syrup. It keeps perfectly. Take a teaspoonful every one, two or three hours.

This is just laxative enough to help cure a cough. Also stimulates the appetite, which is usually upset by a cough. The taste is pleasant.

The effect of pine and sugar syrup on the inflamed membranes is well known. Pinex is the most valuable concentrated compound of Norway white pine extract, rich in quinine, and all the natural healing pine elements. Other preparations will not work in this formula.

The Pinex and Sugar Syrup recipe is now used by thousands of housewives throughout the United States and Canada. The plan has been limited, but the successful formula has never been equalled.

A guaranty of absolute satisfaction or money promptly refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Toronto, Ont.

### YOU'RE BILIOUS AND COSTIVE!—CASCARETS

SICK HEADACHES OR SOUR STOMACH MEANS SLUGGISH LIVER AND BOWELS.

Get a 10-cent box now. Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrid and nauseating. A Cascaret to-night will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good gentle cleansing, too.

I couldn't cough up anything, but very soon coughed my throat into quite an irritable condition. Once I got Catarrhazone Inhaler I was all right. I took it to bed, and if an attack awakened me a few minutes use of the inhaler gave me relief. Catarrhazone has cured me and I strongly urge everyone with a weak throat to use it regularly.

#### CORN PRICES FALL IN CHICAGO'S PIT.

CHICAGO, Jan. 6.—Corn prices crashed downward today, the January delivery breaking nearly three cents a bushel. The same corn that four days ago brought 71 cents sold

this morning at 61 1/2, a fall of nearly ten cents. The fact that the leading "long" holder here had hedged his holdings by sales of the May option brought on much pressure from speculators who held bearish views. A smash in value was the result.
