Insist Upon Fresh Infant Foods

A healthy baby is usually fat and chubby, because his food agrees with him.

If you have had trouble in finding a food that agrees with your baby, try some of the brands which we carry.

We handle all of the good ones which you see advertised in the magazines.

These foods come to us at frequent intervals—so we can always guarantee their freshness.

This is an important point to consider for even a normally healthy baby is apt to get sick if given stale food.

We carry a complete line of Nursery Supplies.
