'Yours for Victory Loan 1918'

"Yours for Victory Loan 1918" is the Canadian letter writer's slogan in the Victory Loan campaign. Every one is asked to sign his or her letters in this way. Already some are doing it, and before the campaign is far under way it is hoped the practice will be general. It is an easy and yet most effective way of driving home the appeal for the Loan, and it will reach practically every one. Business men particularly are requested to adopt the idea. As they read their incoming and outgoing letters, during the next five weeks, they will confront "Yours for Victory Loan 1918" scores

GIRLS! GIRLS! TRY IT! STOP DANDRUFF AND BEAUTIFY YOUR HAIR

Hair stops falling out and gets thick, wavy, strong and beautiful

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Danderine hair cleanse." Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

Besides beautifying the hair at once, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair.

But what will please you most will be after a few weeks use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair and lots of it, surely get a small bottle of Knowlton's Danderine from any druggist or toilet counter for a few cents.

Mrs. A. Burnett.

Toronto Lady Makes Affidavit

MRS. BURNETT has sent in this letter from a generous desire to serve others by giving them the benefit of her experience. Her sufferings resulted from a greatly rundown nervous system, and because she was a long time in finding a cure, she feels that she can now point others to the way of health. This letter came entirely unsolicited, and in order that strangers might fully realize the sincerity of Mrs. Burnett's statement we had her verify her letter before a Commissioner

Mrs. A. Burnett, 303 1/2 Gerrard Street East, Toronto, writes: "I really feel it a public duty on my side to state, and without the least fear of contradiction, the wonderful benefits I have received from your remedy, Dr. Chase's Nerve Food. I am a woman now in the prime of life, and don't think any of my sex have suffered the agony that I have. I can give proofs of doctors who have advised and given medicine to me, but none have ever come near the relief that I have gained since taking your Nerve Food. Without doubt it is as represented, a sure cure. I am a younger woman by far since I have taken them. I always was dizzy, shaking and sick, with a shocking, splitting headache. Dr. Chase's Nerve Food has made me a different woman. I shall always tell any of my friends who are run down to get this Food cure, as I consider it is worth its weight in gold."

Province of Ontario, } To Wit:
County of York, }
I, Alice Burnett of the City of Toronto, in the County of York, married woman, do solemnly swear that I am the Mrs. A. Burnett whose name appears at the bottom of the within letter.
(2) That the statements made by me in the within letter are in every respect true.
And I, as this declaration, conscientiously believing it to be true and knowing it to be of the same force and effect as if made under oath and under and by virtue of the Canada Evidence Act.
Declared before me at the City of Toronto, in the County of York, this 9th day of October, 1917.
(Sgd.) ALICE BURNETT.
Daniel J. O'Donoghue, a Commissioner, etc.

This statement will come as a message of hope to many thousands of women who are suffering somewhat as Mrs. Burnett did. There is every reason to expect equally good results in your own case, because Dr. Chase's Nerve Food cures in Nature's way by forming new tissues and building up the exhausted system.

For this very reason a little patience is required in using this treatment. Do not expect too much from the first box, but it will not be long before you will experience benefits that will encourage you to use the Nerve Food regularly until restoration is complete. Dr. Chase's Nerve Food, 50 cents a box, all dealers, or Edman Bates & Co., Toronto. Look for the portrait and signature of A. W. Chase, on the box you buy.
