The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

The doctor says you have got to take Cod Liver Oil—if so, why not take it in the easiest and best form—why not take

Scott's Emulsion

That is what the doctor means. He would not force you to take the crude oil when he knows the Emulsion is better—more easily digested and absorbed into the system—and will not upset the stomach like the plain oil.

Our workroom is here to give you exclusive individual millinery, the sort that means delight to the wearer and to every one who sees her.
