THE MARKETS

(Canadian Press.)

MONTREAL, Que., Dec. 20.—Extreme dullness marked the trade in Canadian grain on the Montreal market Saturday. The wide fluctuation of prices at Winnipeg is precluding much change of foreign business. In the market for coarse grains the trade was also quiet but prices were well maintained. Car lots of Ontario and Quebec No. 2 white oats are selling at 53 cents. No. 3 white at 51 1/2 cents, and No. 4 white at 50 1/2 cents per bushel, ex track. Canadian western grades were steady. The spring and winter wheat flour markets were without any new feature to note. A fair amount of business was transacted in millfeed and prices were unchanged. The volume of business in standard grades of rolled oats was fair and the tendency was firm. The butter and cheese markets were dull but firm. A fair volume of business was done in eggs and prices were steady.

OTTAWA, Ont., Dec. 20.—Western shipments of turkeys have been pretty well cleaned up on acceptance and dealers are dependent on the balance of requirements largely upon local express shipments. Toronto fresh are lower, specials 72, extras 70, storage unchanged. Turkeys are firm whole sale 45 to 48, to retail 50 to 60. Most of the turkeys held by the dealers were handled over last night and the turkey market is on the basis of 36 for the heavier weights and down, f.o.b. Alberta and Saskatchewan. No offerings from Manitoba at present. Turkey are jobbing at 42 to 44 spot and retailing at 45 to 50, chickens and fowls are at present neglected and few are selling at 18 to 20 f.o.b. country points. Winnipeg jobbing fresh extras 70 to 72, firsts

Late Right Reverend Mons. MacDonald Is Laid To Rest

The funeral obsequies for the late Right Reverend Monsignor Douglas Maria MacDonald, which took place at Tignish on Friday, were marked by great solemnity and impressiveness, and were attended by a vast number of people, coming from not only Prince Edward County, but from every other part of the island. LETTER OF SYMPATHY

family, Rose Valley.

We the officers and members of Bunyan Loyal Orange Lodge No. 1154, Rose Valley, wish to extend to you our sincere sympathy in the great bereavement that has darkened your home through the death of your kind husband and loving father.

We therefore commend you to him who comforts those who mourn. His loss is not only felt in the home but also in our Lodge of which he has been a member for many years. He not only laboured for the advancement of his Lodge but also for the spiritual welfare of his Brother members. We ask you to look to him who saw fit to his all wise providence to take from your home your dear husband and father.

Again we extend to you our heartfelt sympathy and trust and pray that the Great Grand Master above may teach us and guide us for he hath said I will never leave thee nor forsake thee.

Signed on behalf of Bunyan L. O. L. No. 1154.

DANIEL TODD, W. M.

The Sermons.

The funeral sermons were preached by Reverend Terence Campbell of Alberton, in English, and Reverend Dr. P. C. Gauthier of Palmer's in French.

Father Campbell in the course of an eloquent and eulogistic address first referred to the intellectual side of Monsignor MacDonald's character. He had indeed a brilliant intellect. He was a great lover of history and a keen student of world wide events, not only in religious but in secular spheres. He kept himself abreast of the times by the reading of the best current literature, and his receptive mind was indeed a veritable storehouse of information.

Although gentle in his manner, he still was a man of firm will, and the iron he had beneath the silken glove, when he decided to carry out what measures he deemed were best for the spiritual welfare of the people.

The splendid qualities of heart as manifested by the late Monsignor MacDonald were also eloquently stressed by the preacher.

He was a man of great charity. Though a firm believer in the faith of the Catholic Church, he was far from being intolerant. He felt that he was right and he believed in religion as it is. He endeavoured to lead many along the paths of righteousness, although he did not ask anyone to do that which he would not do himself.

Father Campbell also made fitting reference to his long and faithful services, of the man who had been baptised, married or buried during the fifty-six years of Father Dougald's pastorate.

The priesthood, as Father Campbell pointed out had been set apart by God for a certain specific purpose and Father Dougald nobly carried out the purpose of which he had been set apart by virtue of his holy office.

Rev. Dr. Gauthier delivered a brilliant oration, paying a glowing tribute to the memory of the departed.

After the service the body was interred in the cemetery a short distance from the church, the service at the grave being conducted by Monsignor McLean.

60 Million Deficit In French Budget

PARIS, Dec. 20.—France's budget shows a deficit of \$60,000,000 despite four billion francs in new taxes voted December 4, Financial Minister Doumer told the Chamber of Deputies Finance Committee today.

These figures the Finance Minister added do not take into account several chapters in pensions and postal departments budgets.

The floral tributes included a cross from Mr. and Mrs. A. J. MacFadyen, two wreaths from the Myrick family, crescent from Mr. J. A. Hackett and family, a cross from Rev. S. J. MacDonald, Rev. R. J. MacDonald and Hon. Dr. W. P. MacMillan, and a cross from the Catholic Women's League of Tignish.

Among those present at the funeral in addition to those mentioned above were:—

The Maine Fiddler Holds Up New York

NEW YORK, Dec. 17.—"Mellie" Dunham came to town yesterday and proved that a real backwoodsman is more of a spectacle to New York than the big city to a fiddler who has lived 72 years in the woods. A crowd surrounded him at Grand Central Station when he arrived from Detroit where he fiddled last week for Henry Ford. Later he went to the Stock Exchange and even the million-a-minute traders stopped trading for about forty-five seconds to greet him.

Irish Constabulary Trouble Settled

(Special to The Guardian)

BELFAST, Dec. 20.—The special constabulary trouble fizzed out this morning without much incident. Most of the barracks held by the militiamen were handed over last night and the officers released from arrest following the Derry conference at which the government decision was final return to duty or be dismissed instantly.

Public sympathy was largely aligned by the fact that some socialists who some months ago strongly advised the abolition of the special force were among those who the special took counsel of.

from the Throne. A number of sub-committees of the cabinet have been busy, and apart from departmental officials they have had the assistance of Hon. Herbert Marshall and Hon. Vincent Massey. The subjects of consideration include an immigration policy, a rural credits measure, railway legislation which probably embraces consideration of the Hudson Bay enterprise, an alternative vote bill, estimates for the fiscal year and some other matters. How the ideas will work out will be known only when parliament assembles and the question of power is decided but the obvious intent of the government is to go ahead. The outcome Friday of the recount in Peace River and the decision of the Supreme Court, of Ontario in the North Huron case, insuring the election of two more Pro-creatives are construed as hopeful factors for the Liberal government.

OTTAWA, Ont., Dec. 20.—The honor of moving the acceptance by the House of Commons of the address in reply to the speech from the Throne probably will fall to G. J. Morin, Liberal member-elect for Bagot, Que. Official plans for the opening of the debate on the address may not be revealed for a week or so, but Mr. Morin's name is mentioned. It is not known at present who will second the adoption of the address.

OTTAWA, Ont., Dec. 20.—Lawyers will hold the largest number of seats in the House of Commons, when the 15th parliament convenes here on January 7th next. Sixty-three members of the legal profession have been gazetted. Farmers follow with the second largest number, thirty nine farmers of different political persuasion having been elected.

HAMILTON, Ont., Dec. 20.—Premier King who instituted legal proceedings against A. F. Hatch, local manufacturer, because the latter was alleged to have declared at a Conservative ward meeting that Mr. King went to United States early in the war and took out citizenship papers there, has instructed Henry Carpenter, counsel here, to discontinue action.

At the time the proceedings were instituted by Premier King, Colonel Hatch issued a denial that he had ever made statements credited to him relative to the Premier.

Gordon Wilson, M. P. for Wentworth County, will continue his action for alleged slander against Rev. Thomas Frears, pastor of Dundas Baptist church.

Cosette's Christmas

COLOR CUT-OUTS

Cosette's Difficult Tasks.

This is the second day's chapter of the story of "Cosette's Christmas," which will run for two weeks. If you save all these paper dolls, you will soon have a complete set with which to act out the story.

That evening Cosette had to go for the water.

"Here," said her stepmother, handing her a coin before she left, "take this money and bring a loaf from the baker's."

So Cosette hurried out to do her bidding.

The pail of water was heavy as she drew it out of the pool, and Cosette's little hands were scarcely strong enough to lift it to the bank. She tugged and pulled at it, however, and finally succeeded in filling it. But as she did so, the silver coin slipped from the pocket of her little cotton apron and dropped down, down, until it was out of sight in the clear pool.

(Color Cosette's ragged little dress blue with a red and a brown patch. Her cap is blue with the front piece left white. The pail should be colored brown or gray.)

has brought boundless good will and has left in its trail memories that have filled the years with golden days. This spirit was fully exemplified on this occasion and although the visitors were unexpected, they were none the less heartily welcomed. Mr. John Simpson, Hamilton acted as chairman, Miss Hazel Ramsay read the following address, which expressed the sentiment of the congregation:

"Dear Mrs. Simpson:

The members and adherents of Princesburg congregation wish to make some recognition of your services as organist in our church during the autumn of 1924 and the winter of 1925. The willingness with which you gave of your time and talents in this line, and the faithfulness which characterized every detail of the work won our approval of all.

We realize that your home duties were of such a nature that any public service called for considerable sacrifice on your part, but we feel sure that the knowledge that you were in the path of duty must have encouraged that spirit of perseverance and enthusiasm which mark your work.

It is therefore, a pleasure for us to wait on you this evening and in acknowledgement of our indebtedness to you, we wish to present you with this gift as a real recognition of your services. This watch carries with it the good-will and the good wishes that the Christmas season so fittingly conveys, and it is the earnest hope of one and all that the Christmas joy may accompany you and yours through the journey of life.

Mrs. Alex Sainclair presented the gifts which included a handsome silk scarf and a handbag besides the wristlet watch mentioned in the address.

Rev. Mr. Gillis and Mr. Archibald Woodside, chairman of Managers spoke commendatory words, and Mr. and Mrs. Simpson made appropriate acknowledgement, not only of the gifts but of the pleasure afforded by the presence in their home of so many friends. Music, social intercourse, and refreshments followed and the company dispersed with pleasant memories of the evenings enjoyment.

Miss Louise Simpson, Hamilton, entertained her teacher, Miss Rogers and young friends on Saturday afternoon, December 12th. The company enjoyed the afternoon's sport and games and assisted Miss Louise in a joyous celebration of her ninth birthday. Before leaving they expressed their good wishes for many happy returns of the day.

Mr. Cedric Owen, son of Mr. and Mrs. Lee Owen, Hamilton, left for Boston on Saturday morning, December 12th. The good wishes of all follow Mr. Cedric in his new venture.

The marriage was solemnized on Tuesday evening, December 9th at the parsonage, Kensington by Rev. George Ayers of Miss Katie Belle Adams, daughter of Mr. and Mrs. Russell Adams.
