THE PICTORIAL POSTCARD.

King Edward has returned from the Continent and it is mentioned that his grand children received from him every morning during his absence one or more of those pretty pictorial post-cards giving a photograph of the place from which it was written...

We write this to call attention to the latter fact. The private post card with a one cent stamp attached is privileged to go anywhere that a Government post card can go.

Variety could be given to these cards by having one bearing a view of the City Hall, another with the Colonial Building, or the Post Office, Court House, our Colleges, Hospitals, views of the Park &c.

The New York World points out that in thirty-six years past seven Presidents have been elected—Lincoln, Grant, Hayes, Garfield, Cleveland, Harrison and McKinley and of these three have been assassinated.

There is one aspect of the census of which Prince Edward Island may be proud, and that is that the average Island family is shown to be a fraction larger than that of any other political division in the Dominion.

There was no yacht race at New York yesterday, the arrangement being that they shall be sailed on Thursdays, Saturdays and Tuesdays until three out of five have been captured by one or other of the contestants.

The human heart, that most wonderful of engines, is scarcely larger than a man's fist. Yet in each twenty-four hours the dual heart moves approximately six tons of blood, equivalent to about two barrels of blood per hour.

Dr. Pierce's Golden Medical Discovery cures diseases of the organs of digestion and nutrition and purifies and enriches the blood. One of the ingredients entering into the "Discovery" is one of the best heart tonics known to medicine.

Sick people, especially those suffering from chronic diseases, are invited to consult Dr. Pierce by letter, free and so obtain without charge, the opinion of a specialist on their ailments.
