KERR'S RECORD SMASHED BY BERT PEARSON

220 Mark, set in 1908, Falls Before Flying Feet of Hamilton Youngster.

(Canadian Press) FORT WILLIAM, Aug. 6—Unheralded and almost forgotten amidst the congregation of top-notch athletes assembled here for the two-day Dominion track and field championships, Fort Arthur's tiny contingent tonight had snatched a major share of the honors from such mighty contenders as Hamilton Olympic Club and Manitoba Track and Field Association.

George Wala was the hero in Saturday's events as the husky Lakehead youth, representing the MacDonald-Carter Club, captured two Dominion titles, the discus throw and the 16 pound shot put.

Bert Pearson, 19-year-old sprint sensation from Hamilton, provided one of the highlights by setting a new Canadian mark of 20.4 seconds in one of the 220 yard heats.

George Wala's sturdy arms enabled him to outclass the opposition in the discus throw. He flung the discus 122 feet 7/4 inches to register a comfortable margin of nearly six feet over Harry Coleman, of Winnipeg.

The Canadian record for the 220 yards set by Bobby Kerr away back in 1908 tumbled when slender Bert Pearson ran a 220 yard heat in 20 2-5 seconds. Kerr's mark was 21 2-5 seconds. Emerson Gillespie, of Fort William, ran a close second.

WIGHTMAN CUP IS RETAINED BY DEFENDERS

Great Comeback By English Girl's Team On Second Day's Play Fails.

(Canadian Press) FOREST HILLS, N. Y., Aug. 6—The United States today had retained the Wightman Cup, women's tennis trophy, but only after checking a spirited comeback by England's girl challengers who failed by only two points to sweep the final day's play and take the Cup from America.

Helen Jacobs, United States champion scored the decisive victory Saturday. Perilously close to defeat twice as she trailed by 3-5 in the third set and found herself once again in the grip of the British rally, Miss Jacobs staged a superb finish to capture four straight games and beat her left-handed English rival, Margaret (Peggy) Scriven, 5-7, 6-2, 7-5.

This was the only American victory in the concluding four matches but it was the fourth in two day's play and clinched the series in favor of the United States by the narrow margin of 4 to 3. It was the third consecutive cup triumph for the Americans. Since the trophy was put into competition in 1923 the United States has won it seven times and England four times.

In the absence of Helen Wills Moody, the American captain who failed to take part because of illness, her California rival emerged as the outstanding heroine. Miss Jacobs figured in three of the four triumphs for the defenders, including one doubles and two singles matches. England won the two other singles matches. The best tennis of the day was displayed as Dorothy Round, seeded no. 1 in England, without the ailing captain.

ONE NEW MARK AS WOMEN VIE FOR HONORS

Canadian Women's Track and Field Championships Held at New Westminster Saturday - Track heavy.

(Canadian Press) NEW WESTMINSTER, B. C., Aug. 6—Only one Dominion record had been bettered tonight by 74 of Canada's outstanding feminine athletes who vied here Saturday for laurels in the Canadian women's track and field championships.

With cinder paths made heavy from an all night rain and intermittent showers during the day, record breaking performances were next to impossible. Competitors used to warm weather and fast tracks were out in front with the gun but tired quickly with the heavy going.

HOLY REDEEMER TOURNAMENT IS CONCLUDED

The finals of the Holy Redeemer Tennis Tournament took place on Saturday with the following champions being declared:

Men's Singles: Jack Kenny won from A. Doucette 6-4, 6-4, 6-1. Ladies' Singles: V. Harrington won from K. Harrington 6-4, 6-4, 6-3. Men's Doubles: R. Hennessey and E. Blanchard won from I. Connors and K. Kenny 6-4, 4-6, 6-3, 6-3. Ladies' Doubles: K. and V. Harrington defeated G. Kenny and E. Richard 6-4, 6-4, 7-5. Mixed Doubles: A. Doucette and V. Harrington defeated I. Berrigan and K. Harrington, 6-4, 7-5. defeated Sarah Palfrey, 6-4, 10-8. Popular Betty Nuthall won the other with her greater experience and steadiness, downing Carolin Babcock of Los Angeles, 1-6, 6-1, 6-3.

The British won the closing doubles match, too although with the issue already settled this was an anti-climax. Nevertheless, from the manner in which Miss Nuthall and her partner, Freda James, polished off Miss Marble and Marjorie Gladman Van Ryn, 7-15, 6-2, it appeared fortunate for the Americans they did not have to stake their possession of the Cup upon the results of this match, with or without the ailing captain.
