MANY WOMEN AER NERVOUS.

Suffering from Severe Headaches, Dizzy Spells and Bodily Weakness. Dr. Chase's Nerve Food Is Especially Valuable to Women.

Woman's system demands a plentiful supply of blood—of pure, rich, life-sustaining, tissue-building blood. If the blood is lacking in quantity or quality the nervous system must suffer and the nerve cells dwindle and die for want of proper nourishment.

Mrs. J. McLeod, Chestnut Street, Charlottetown, P. E. I. states: "For some time I have been troubled with attacks of nervous sick headache, accompanied by indigestion. I began to use Dr. Chase's Nerve Food some time ago, and have greatly benefited by it."

Mrs. N. S. Ward, Douglas street, Charlottetown, P. E. I. and whose husband is a carpenter, states: "I was all run down in health this spring, and felt I needed a tonic. I frequently had severe dizzy spells and headaches and my nerves were weak and unsteady."
