RANGERS WIN TITLE

Chuck Templeton's SPORTRAITS

Display Classy Hockey in Defeating Amherst In Second Game 9-3

Charlottetown's clever young Rangers, last night defeated Amherst...

As was expected, a big crowd numbering well over 1000, sat in on the game and they were well repaid for their attendance.

Immediately after the game, His Honor Lieut.-Governor George D. DeBlois presented a handsome silver trophy to goalie Gordon DeBlois...

Although on the short end of the score, the Millionaires put up a great battle last night.

The Rangers displayed their usual game. Their passing attacks carried them in time and again, but the young Amherst goalie was on his best behaviour and some of his saves bordered on the miraculous.

Six minutes of the opening period had elapsed before either team had scored and it was to the visitors that this honor finally went.

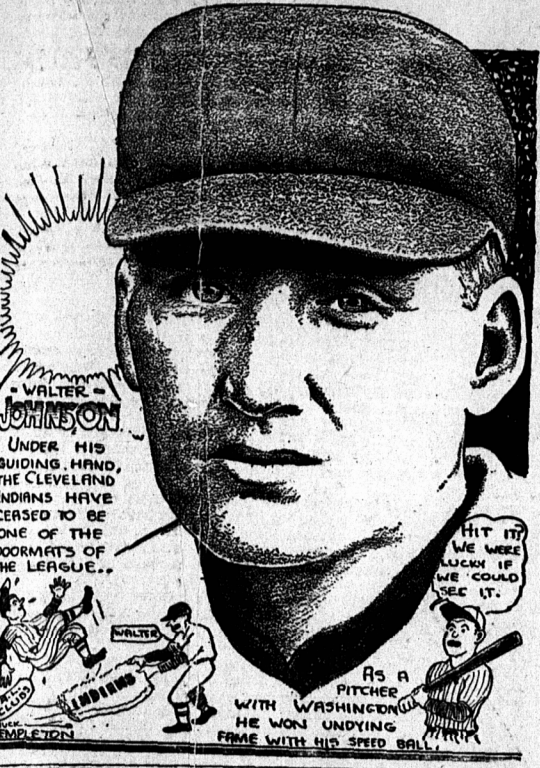

Rangers had been turned back at the goalmouth on two occasions, and after one of their attacks, the forwards were a happy inside the line.

Millionaires had a man serving time as the second period got underway, and the Rangers' gangling took but a minute to run the count to 3-1.

With Hooley Smith an uncertainty due to the broken thumb he received in the recent game against the Americans, Maroons will depend largely on Lionel Conacher to stop the fast-striking Hawks.

From this distance a repetition of the famed 1933 series seems very likely as Toronto's high-powered Leafs invade Boston for the opening game of their best out of five series for the National Hockey League flag.

The visitors are also a smart aggregation for under 18 years of age. Not as well balanced as the locals, nevertheless they make up for this in spirit.

Along The Sidelines (By Pat Power)

Last night's midget game certainly lived up to all expectations in every department.

What the series proved a decided success is undoubted and now that the midgets have received the recognition it would not be surprising to see the six or six team league in operation when next season rolls round.

Rangers last night were all good from the goalie out. Gordon DeBlois in the nets, not called upon to perform spectacularly in the first two periods, showed his worth several times during the final stanza.

The defence duo of Gilles and Blaquiere are well balanced. The former boy uses his body freely while his mate is always a dangerous threat on the attack as his figuring in five goals last night will attest to.

The forwards are all smart skaters and play their positions like veterans. The line in Whittlock, Worth and McEachern is the most dangerous but the other trio are not very far behind by any means.

The first mentioned line were the high-scorers last night, getting six goals, Whittlock and Worth scoring three apiece. And speaking of those two players, they certainly have lots of ability. Last night they were the most dangerous players on the ice.

Johnny Williams should not be forgotten. "Fix-it" has done a good job in his handling of the youngsters and today he is wearing a big smile as the result of his team's victory.

BRINGING UP FATHER

ly after as he held Blaquiere's rebound behind the opposing goalie. Two minutes later McKinnon made it 7-3 on assists from Whittlock and McEachern, and twenty seconds later, Worth and Whittlock teamed up to feed Blaquiere for goal number eight. From then on it was a seesaw battle, with the final Ranger goal coming a little better than a minute before time.

Two exhibition speed-skating events between periods added enjoyment to the evening. Richard Lawlor, Island champion, skating away with victories in quarter and mile events over Joe Murnaghan.

Amherst - Goal, MacManaman; defence, O'Brien, Bell; centre, E. Gray, Black; right wing, Andres, Jones; left wing, J. Gray, Chapman. Rangers - Goal, DeBlois; defence, Gilles, Blaquiere; centre, Whittlock, Perry; left wing, Worth, McKinnon; right wing, McEachern, Saunders. Referee - Jack Kane.

First Period: 1-Amherst, Jones (Chapman) 6:52. 2-Rangers, Blaquiere, 11:30. 3-Rangers, Whittlock (Worth) 12:00.

Second Period: 4-Rangers, Whittlock (Worth, McKinnon) 1:00. 5-Rangers, Worth (Blaquiere, McKinnon) 12:10. 6-Rangers, Worth (Saunders) 14:30.

Third Period: 7-Amherst, O'Brien, (Gray) 16:00. Penalties - Saunders, Blaquiere. 8-Amherst, Gray, 2:43. 9-Rangers, Worth (Blaquiere) 9:49.

10-Rangers, McKinnon, (Whittlock, McEachern) 12:00. 11-Rangers, Blaquiere, (Worth, Whittlock) 12:20. 12-Rangers, Whittlock, (Blaquiere) 18:50.

Penalties - Saunders, Bell, Andres, McEachern.

Warrington To Fight For Heavy Crown (C. F. By Guardian's Special Wire) LIVERPOOL, N. S., March 22 - Tiger Warrington, Liverpool's dusky light-heavyweight slugger, today accepted a proposal from J. W. Lewis, Halifax promoter, to fight Jack Renault for the Canadian heavyweight championship at Halifax April 9. It was not known whether Renault had been signed or not, and Warrington put in the provision that he would fight only if his injured hand was back in shape.

CONN AFTER WORLD TITLE (C. F. By Guardian's Special Wire) KENTVILLE, N. S., March 22 - Jack Conn, manager of the Halifax Wolverines, strictly announced here today that his team was not satisfied with the Maritime Hockey championship but was also going to bring the Canadian Olympic and world's championship to the Eastern gateway.

The Halifax mentor made another prediction while he was at it, that the Maritime Hockey League would be in operation again next year despite the inferiority complex the Canadian Amateur Hockey Association held at this year. He did not know whether it would be the "Big Three" or "Big Four," but he said Charlottetown, Saint John, Halifax, and possibly Moncton would all have entries.

Neither team plans any changes in the lineups. Moncton will have goalie Roger Lewis, a star in the opening game, back between the pipes with long "Dud" White and Fraser Milton on the defence.

Reggie Thorne, goal-tender, Ching McDonald and Maynie McEwen will form the defensive barrier for Rideaus. Cy Dennis will probably start the Mental-Seymour-Trotter line again, with Brown, McGowan and Darragh relieving on the attack.

Disappointed but far from discouraged over their showing in the opening game, the young Maritimers are confident in their ability to square the series. Red Indians had a light skating session today and every player is ready and eager to get another crack at the local junior champions.

Meanwhile, Rideaus are set to give their best efforts in an attempt to end the series in two straight games. The local purple shirts showed real class in scolding the Red Indians 11-3 in the first game Thursday night.

Although the ice was heavy and sloppy, the teams put forth their best and gave the few fans their money's worth of dashing hockey. The first period opened slowly, the teams feeling each other out. At the five minute mark Roy Crozier, the Tigers' right-winger, went in deep, took a shot, and his brother, Bruce banged home the rebound.

The Maple Leafs then forced the play and hemmed the Tigers behind their blue line. But the Tigers again realized when Roy Crozier checked a player behind the Maple Leafs' blue line and went in close on Taylor, giving him no chance to save. The only goal in the second period was scored by Roland Crozier on a pass from Roy, from close in.

In the last period MacFarlane scored on a pass from M. Deacon, MacFarlane scored again towards the close of the game on a pass from H. Moose. The teams were fairly evenly matched, with Basil Taylor making many sensational saves for the Maple Leafs. Roy Crozier got the only penalty in the game. W. Burns was the referee.

The following are the lineups: Maple Leafs: goal, Basil Taylor; defence, Morris Deacon, Anthony Gaudet; forwards, Allan Clow, H. Moose, C. Reeves, I. Lewis, and Horace MacFarlane. Tigers: goal, P. MacQuarrie; defence, Bruce Crozier, H. Lefurgey; forwards, Roy Crozier, Roland Crozier, J. Lefurgey, D. McInnis.

WITH A WALTZ IN YOUR HEART...

STARTS THE MONDAY CAPITOL Merry Widow

INDIANS FAR FROM DISCOURAGED (C. F. By Guardian's Special Wire) OTTAWA, March 22 - Their leg-weariness following the long trip from the Maritimes a thing of the past, Moncton Red Indians were prepared tonight to give Ottawa Rideaus a real battle tomorrow night when they clash in the second game of their Memorial Cup series.

Junior Monctonians Ready For Second Game of Series With Ottawa Rideaus.

Disappointed but far from discouraged over their showing in the opening game, the young Maritimers are confident in their ability to square the series. Red Indians had a light skating session today and every player is ready and eager to get another crack at the local junior champions.

STRAND - LAST TIMES TODAY MONA BARRIE IN "MYSTERY WOMAN" ALSO ... MUSICAL and TODD - KELLY COMEDY

THE SHOW YOU'VE HEARD ABOUT FOR MONTHS IS COMING TO THE STRAND MONDAY

SPORT BRIEFS

The New Brunswick Rifle Association is making plans to have the Fiftieth Anniversary of the Inter-Provincial shoot a memorable one.

And who do you think the leading scorer is in Saint John? None other than Monty Muckle, formerly of the Hawks. Do you remember that first season Muckle came down here he was the leading scorer, then he seemed to have lost the art entirely? Last figures released show Muckle with 15 points, Gettiffe with 14, Archer 13, Monson 13, Deslites 11, Kelly 10, Shields 10, Sherwood 10, McCabe 9, Brennan 8, (Brennan was absent from the line up for several weeks) and Bill Walker 5.

Saint John, N. B. will hold a monster celebration of the King's Silver Jubilee, extending from May 31st to June 3rd, with particular emphasis on the last named date which is the King's birthday.

The entire community will be participating in the three Maritime Provinces and it is thought that this is the first time that the shoot has been conducted in the Loyalist City in many years, if not in fact since competitive matches have been inaugurated.

Commenting on the above statement we would say that while Sussex has been the scene of almost all the competitions in New Brunswick for the Inter-Maritime trophy, Saint John being too unreliable on account of fog, yet our memory recalls two occasions within recent years in which the contests were held in Saint John, 1910 and 1913, and on both trips Prince Edward Island won the trophy.

In 1913 the Council of the P. R. A. were undecided up until the last minute about sending a team. It was very difficult to get the riflemen interested for some reason or other. A "scratch" team was got together by Lieut. W. K. Rogers. Those of us who remained at home dubbed them the "forlorn hopes" and figured they were in for a real good licking, but to the astonishment of everybody they won the match. Whatever kind of pep talk W. K. used it brought results. Every man on the team shot as he never shot before and they were a proud bunch when they returned with the big silver cup.

The personnel was Lieut. W. K. Rogers, (Captain) Lieut. Bruce Duck, Sgt. F. G. Kennedy, Lieut. Roy C. McLean, Sgt. James Lendrihan, Sgt. Allen McCabe, Lieut. James Moore, Gunner J. D. McRae, Coach Athol Seaman.

The other occasion that our team won at Saint John was in 1910. The stand team was composed as follows. Major J. M. Jones, Capt. D. A. MacKinnon, Sgt. E. McInnis, Sgt. James Moore, Corp. Allen McCabe, Ser. J. Landrihan, Sgt. A. Seaman, Sgt. L. Seaman.

What is claimed to be world's record for ski jumping was made by Redar Anderson in the international ski jumping contests at Pianica, Yugo Slavia last Monday, 85 metres, (311.67 feet.)

Two English soccer teams are dickering for a trip to Soviet Russia this summer. Some years ago the only sport the Russians had in his off hours was drinking Vodka, a few ounces of which paralyzed him completely. Now under the new regime there is a vast expenditure on stadiums and sport grounds, particularly in the larger centres such as Moscow and Leningrad. At Odessa, the great grain port, a crowd of 40,000 watched a football game a few months ago.

What is believed to be a new record for a daily double pay off was recorded at Tropical Park, Miami, Florida, Las Tuesday, when Harry Topster of Jersey received \$7,205.40 for coupling the winners of the first and third races. The nearest to Tuesday's figure was \$6,600, paid at Aurora, Ill. He gave \$500 to Jockey Charles Hainsworth who had ridden the two winners, on learning that he had been sick in hospital and had few opportunities to ride this season. Harry certainly deserves success.

Steve Hamas who fought Max Schmeling at Hamburg, Germany, recently, took a terrific beating and has been in hospital ever since. It will be quite a while before the American pugilist will be fit again. Hamas's poor showing against the German was caused by his fondness for German beer. He drank several pints of it daily. This caused his wind to be short and softened him up.

BUSINESS MAN CYCLING CAPE TOWN - (Canadian Press) - Cycling, which lost favor in South Africa as far back as 1895, is returning to popularity - not so much as a sport as a means of transportation. Workers who live some distance from Cape Town have bought bicycles and ride to work because they say it's cheaper than using the trolley lines.
