The Regent, Mrs. A. H. Roper, presided.

The meeting opened with the prayer, followed by the minutes of the previous meeting, also those of the last annual meeting.

The Treasurer's report, which showed a most satisfactory balance in both the Chapter Account and the 2nd War Memorial Account, was read and adopted.

Next came the report of the Educational Secretary, followed by the report of the Regent, Mrs. Ivan Nicholson moved the adoption of these reports, which was seconded by Mrs. Wilfred Hunter.

The officers for 1947 then took place, and following is the new slate:

The meeting then closed with the King following which a dainty lunch was served by the hostesses.

REGENT'S REPORT—1946

"Our second year of peace has come and gone. Much has been done to sponsor goodwill among men and nations, but very much more has yet to be done before the goal of real peace and understanding has been accomplished. Let us each with all our hearts strive to make this world a better place in which our children and our children's children may carry on."

"1946 has been a busy year for our Chapter. Early in February, we learned that our objective for the Second War Memorial was a sum which, at the time seemed beyond small a group of workers. But we went to work and so far we have been able to send \$550.00 to this most worthy fund."

Our first effort towards the raising of this amount was a twenty-five table held in the Royal Edward's Hall. Although the weather was most inclement, a goodly number attended, and we realized the sum of \$49.45.

Next we held an Auction at the home of the Regent, to which we invited some forty-three ladies. I should like to extend my sincere thanks to Mrs. Arthur Henry for being our very efficient auctioneer that evening. We made \$40.00.

Our next effort was a tea held at the home of Mrs. Elmer MacDonald. Each member invited two ladies outside our Chapter. At this tea, we sold the work which we had been doing through the summer months. This consisted of very lovely knitted suits, jackets, sweaters, dresses, etc., for children of various ages. We also had a White Elephant table. This tea was a success both socially and financially and \$78.00 was taken in.

Lastly, we held a Tag Day on October 12th at which the sum of \$300.00 was realized. We hope to make this day an annual event.

In April, we were privileged to have a visit from Mrs. Drope, our 6th Vice-Regional President. The Royal Edward Chapter held a joint luncheon at the Charlottetown Hotel. Mrs. Drope's address which followed the luncheon was one which all who attended will long remember. Her main topic was the Second War Memorial, but she also very graciously gave us much information in I. O. D. E. work generally, and answered numerous questions. Let us hope that at some future date, we may have the honor of another visit from Mrs. Drope.

In the Spring, we were invited to hold one of our meetings at the home of our Honorary Regent, Mrs. W. E. Bentley. A number of new members were taken into our Chapter at this meeting, after which our hostess served delicious refreshments.

On June 28th, prior to our breaking up for summer vacation, we shipped a large box, consisting of quilts, afghans, children's knitted clothes, twenty-five ditty bags, and many other articles to Headquarters, for distribution to the needy in Europe. Also at this meeting, Mrs. E. M. Phillips gave out a large amount of yarn to be knitted through the summer, and turned in at our first meeting in the autumn.

REPORT OF EDUCATION SECRETARY

Madame Regent and Ladies: I herewith submit my report of the educational activities of this Chapter for the last year.

"It is not, I am afraid, a very extensive report. So much time has had to be devoted this year to plans for raising a fund that it seemed difficult to carry out an educational programme. However, the Fund is itself an educational project as well as a memorial, and we feel that our Chapter has been contributing our full share. I feel that our Regent deserves a great deal of credit for the enthusiastic way in which she has handled the difficult problem of raising the necessary money. A luncheon and joint Chapter meeting at the Charlottetown Hotel in April, we had the opportunity of meeting Mrs. Drope, 6th National Vice-President, who spoke of the importance of the Memorial and other phases of I. O. D. E. work. Those of us who were present found her talk most inspiring."

It was decided at a meeting on June 17th to present prizes to the students of the best student in Geography in Grade IX, in Queen Square and Rochford Square Schools. The subject of Geography was chosen on both occasions, and the winner was a rather neglected subject in regard to prize-giving. Mrs. Worth made the award at Queen Square, and I at Rochford Square.

It was asked that the member of our Chapter be appointed to the Prince Edward Island Committee of selection for the Scholarship Awards. Mrs. Sinclair was chosen for this task. Due to illness, she was unable to attend the meeting of the Committee, but Miss Irving, who represented the Royal Edward Chapter, was kind enough to give me extra information regarding the matter.

After several months of the name of H. Ernest Munn, the National Education Secretary, and this recommendation was later approved and confirmed by the National Education Committee. Mrs. Batt attended West Kent School where there was an outstanding scholar, and later graduated from Prince of Wales College with honours, leading his class and winning a scholarship to Dalhousie University. At Dalhousie, he began the study of law in 1944, at the same time working for his B. A. Degree which he obtained in 1946. He will complete his course for LL.B. this year.

Mr. Batt is the son of Mr. George E. Batt of Charlottetown, and is a young man of fine character, as well as of great ability.

Our Chapter agreed to be responsible for the dozen I. O. D. E. Calendars. These arrived in November and were distributed among the members.

"This completes my report, which I respectfully submit."

(Signed)

AVILA M. ROGERS.
