PAINE'S CELERY COMPOUND

Cures and Gives You New Life When Everything Else fails.

It is the Popular Medicine in the Homes of the Wealthy and Those in Humble Circumstances.

Beware of Substitutes and Imitations.

Are you ailing, rundown, or suffering from some dangerous disease? If you are, allow us with candour and an honest interest in your welfare, to direct your attention to Paine's Celery Compound, the medicine that "makes sick people well."

The wonderful record of cures wrought for sick and diseased people in our Dominion, is the best and strongest proof of the health restoring virtues of Paine's Celery Compound. It has cured the most desperate and obstinate cases of disease even after sufferers were pronounced incurable. The use of one bottle of Paine's Celery Compound will, in all cases, banish the doubts of the unbelieving. The testing of one bottle will prove to all sufferers that there are virtues in the wondrous medicine possessed by no other remedy—virtues that banish suffering and misery. The immense popularity of Paine's Celery Compound has induced unscrupulous people to put up vile and worthless imitations of the health restorer. Dishonest dealers for the sake of large profits resort to substituting and recommending the "something just as good." At all times beware of imitations and substitutes. See that the name PAIN'S and the Stalk of Celery appears on each bottle.

Read the strong testimony of Mr. G. W. Parks, of Inglisville, N. S., cured by Paine's Celery Compound after failures with other medicines.

"While at sea I was taken sick, which compelled me to abandon my work and seek home and rest. I consulted the doctors who pronounced it slow fever or typhoid. I suffered severely from night sweats, and from cold chills during the day. Added to this, I was extremely nervous, which weakened me and reduced my flesh until I was a mere skeleton. This until last winter, when my wife and friends began to despair of my recovery, as the medicines I took produced no good, and I was growing worse. Though the influence of Rev. C. M. Tyle, I was induced to give Paine's Celery Compound a trial. I can truly say it worked wonders. The first bottle gave me great relief, and five bottles completely cured me."

RAZOR SWOPPERS.

All barbers, but few others, know of the occupation of "razor swoppers." They make their living by trading razors—not selling, just trading. Their net profit comes in on the "boot" money given with each trade. The uncertain and finicky nature of razors is at the bottom of the business.

ABSTINENCE OF THE TURKISH RACE.

At the bottom of the wonderful physical vitality of the Turkish race is the universal abstinence of the common people. They are the most abstemious race on the earth and the healthiest. The soldiers, peasants, merchants and members of the learned professions never touch alcohol, although the upper classes of Constantinople drink considerably.

ONE OF THE BOYS.

President Roosevelt is none of your stuek up people. He has been dining with a colored man, has helped a farmer to corral his unruly cows, and has shaken hands with his engineer and fireman of the locomotive behind which he rode, saying he'd like to do it again. Teddy is one of the boys.

THE CROUP

Any of the children ever have it? Then you will never forget it, will you? Don't let it go until midnight again, but begin treatment during the evening, when that dry, hollow, barking cough first begins.

Get out your Vapo-Cresolene (for you surely keep this in the house), put some Cresolene in the vaporizer, light the lamp beneath, and let the child breathe-in the quieting, soothing, healing vapor. There will be no croup that night. If it's midnight, and the croup is on, inhaling the vapor will break the spasm and bring prompt relief.

For asthma, bronchitis, sore throat, coughs and colds, it is a prompt and pleasant cure, while for whooping-cough it is a perfect specific. Your doctor knows, ask him about.

Vapo-Cresolene

CURES WHILE YOU SLEEP

"The apparatus is simple, inexpensive, and I believe, unequalled in the treatment of whooping-cough. The vapor is not injurious to healthy persons. It has a beneficial effect in allaying the irritation and the desire to cough in bronchitis. I earnestly recommend it."
JOHN MERRITT, M.D., of Brooklyn, in the N.Y. Medical Record.

Vapo-Cresolene is sold by druggists everywhere, or will be forwarded, express and customs duty paid, upon receipt of regular price. A Vapo-Cresolene outfit, including the Vaporizer and Lamp, which should last a life-time, and a bottle of Cresolene, complete, \$1.50; extra supplies of Cresolene, 25 cents and 50 cents. Illustrated booklet containing physicians' testimonials free upon request. VAPOR-CRESOLENE CO., 170 Fulton St., New York, U.S.A.—115.
