MARKET REVIEW FOR OCTOBER 6, 1930

BRAZILIAN TRACTION:

As was anticipated earlier in the month by the management of Brazilian Traction, Light and Power Company, the exchange rate during the month of September averaged well above a level of 10 cents to the milreis, whereas in August it was below that level. Roughly the mil-rate quotation on the milreis in the month ranged between 9.60 and 10.57. From a casual calculation it is obvious that the average for the month would run in the neighborhood of 10.15 cents. This improvement is of considerable advantage to Brazilian Traction in connection with conversion of at least a portion of its net revenues into Canadian dollars to meet dividend disbursements and take care of certain other Canadian expenses.

POWER CORPORATION:

Aggregate output of the various companies in which Power Corporation of Canada is interested was well maintained in August, according to statements of the seven companies reporting for that month. This amounted to 136,544,476 k. w. h. as compared with 137,195,932 k. w. h. in July, and 136,544,476 k. w. h. in June. British Columbia Corporation which increased its figure in uly over June, recorded a further increase in August of approximately 8 per cent. Winnipeg Electric Company, which also recorded a higher figure in July, shows a further increment of over 7 per cent. Canada Northern Power Corporation, similarly showing rising figures in the previous two months, added over 3 per cent to this in August. Gratifying increments are also shown by East Kootenay Power Company and Northern British Columbia Power Company. Following is complete statement for August:—

Southern Canada	12,658,397 k.w.h.
Canada Northern	30,855,520 k.w.h.
East Kootenay	7,159,000 k.w.h.
B. C. Power	37,603,614 k.w.h.
Northern B. C.	727,720 k.w.h.
Winnipeg Electric	15,689,900 k.w.h.
Manitoba Power	31,684,000 k.w.h.
	136,372,181 k.w.h.

BRITISH COLUMBIA ELECTRIC RAILWAY

British Columbia Electric Railway Company Limited has made an excellent start upon its new fiscal year. For the two months ending August 31st, the increase in gross earnings amounted to $65,156, of which $25,637 was accountable to the month of August. Despite an increase in operating expenses, very satisfactory increases in net earnings are recorded, that for August being $22,789 and for the two months $60,000.

THE LATE MISS JENNIE MACINTYRE

The death occurred in the Prince Edward Island Hospital yesterday forenoon after a two weeks' illness of Miss Jennie MacIntyre, aged 75.

Miss MacIntyre was born in New Perth, the daughter of the late William MacIntyre. Since 1917 she had been residing at Gerald street, for the first three years with her brother, the late George MacIntyre, who passed away in 1920.

Miss MacIntyre was a woman of most estimable character, being a very worthy representative of a family that was well known and highly respected in the eastern part of this province.

She leaves to mourn two sisters, Mrs. Alfred Gordon, formerly of Roseneath and at present in Charlottetown and Mrs. George Wiley, of Windsor, N.S.

Miss MacIntyre was a sister of the late Wallace D. MacIntyre, formerly inspector of schools in this province.

She will be laid to rest in the family plot in Georgetown. The funeral notice will appear later.

"It is impossible for even a Pullman cook to spoil ham and eggs."—Henry L. Mencken.

"Every time Europe looks across the Atlantic to see the American Eagle it observes only the rear end of an ostrich."—H.G. Wells.

"It has been well said that criminal justice moves with a leaden foot but strikes with an iron hand."—George Gordon Battle.

Convention Of Young People Of Christian Church

More than fifty delegates representing the young people from Churches of Christ in various parts of the Island attended the Young People's Convention held in the Montague Christian Church on Saturday and Sunday last. The program, designed to be of constructive and inpsriational value to those attending, was under the direction of Mr. Robert F. Whiston, Island Evangelist.

The theme of the conference was portrayed in the subjects of the sermons, "The King and the Kingdom" by Mr. William Quiggley, pastor of the Church at New Glasgow; "The Preeminence of the King," by Mr. R. F. Whiston, and "The World for the King," by Mr. W. L. Outhouse, pastor of Central Christian Church.

Visiting delegates were hospitably accommodated by the people of the Montague Church, and a splendid supper was served at the church on Saturday evening.

On Sunday afternoon the business meeting was held, with President Ralph Linkletter, Summerside, presiding. Resolutions of thanks to Mr. Whiston and to the people of Montague were adopted. Appreciation of the instruction work of Miss Marion Royce was expressed, and the meeting recorded itself as favouring the policy of holding summer camps and organizing study groups for the purpose of Christian education. The slate of officers for the ensuing year brought in by the nominating committee as follows, was approved: President, Robert Shaw; Vice President, Ralph Linkletter; Secretary, Emily Platts. The convention concluded on Sunday evening.

CANADA SENDS SOUVENIR

MONTREAL, Que., Oct. 5.—One of the finest buffalo heads ever seen by connoisseurs passed through Montreal today under the care of the Canadian National Express Company and was carefully loaded to sail this morning on the Cunarder "Ausonia" for England. The head was taken from the celebrated buffalo herd in Wainwright Park, Alberta, which rescued the species from probable extinction.

At London the head will be carefully placed to adorn the walls of the headquarters of the British Medical Association, Tavistock Square, to whom it is a gift from the people of Canada. Premier Bennett presented the trophy to the Medical Association on the occasion of the recent convention in Winnipeg, where it was received on behalf of the British doctors by Dr. Harvey Smith, of Winnipeg, President of the British Medical Association.

PROGRESS OF HOSPITAL CAMPAIGN

Organization Work Progressing Rapidly.

Such tremendous interest in the $250,000 Prince Edward Island Hospital campaign is being shown throughout the Province that the work of the Allied Towns Committee which is at the head of the Provincial organization, has quadrupled in the last fortnight. This Committee now maintains contact with 26 district centres in Kings and Queens Counties, and new district chairmen are being appointed every day. It is believed that before the end of next week, between 40 and 50 districts outside of Charlottetown will be organized in readiness for the Provincial wing of the campaign, which starts October 13.

For more than two weeks, meetings have been held every night except Saturdays and Sundays in the two counties. Thus far, there have been meetings in Pownal, Murray River, Victoria, Montague, Cornwall, Long Creek, St. Peters, Mt. Stewart, Bradalbane, Hunter River and Souris. These gatherings have been held at the rate of one a night. Groups of Charlottetown speakers and entertainers have gone to all the foregoing towns, appearing before large audiences.

Beginning this Monday evening, there will be three meetings every night. This necessitates three different Charlottetown groups of speakers and entertainers for each evening. It involves extensive work on the part of Executive Chairman W. F. Tidmarsh and Memorial Chairman W.K. Rogers, who jointly constitute the Committee on speakers, and also intense activity by Mrs J.A.C. Rodgerson, Chairman of the Entertainment Committee and Miss Ada E. Harris, Secretary-Treasurer of the Hospital as well as on the part of Mr. H. Hooper Horne, Chairman of the Allied Towns Committee.

Chairman Horne consequently has found it necessary to add three exceptionally active Charlottetown men to his Committee, and has appointed as Vice Chairman, the Rev. H.D. Raymond, M.A., Rector of St Paul's Church; Mr Wallace L. Higgins, Secretary, Board of Trade, and City Councillor B. Roy Holman, Fur merchant, of 145 Great George St. Mr Horne and Mr. Raymond, in consultation with Mr. Higgins and Mr. Holman, map out the meetings and, with Messrs Tidmarsh and Rogers andMrs Rodgerson, arrange the programs. They also have the co-operation of Dr. H.D. Johnson, Vice-Chairman of the Organization Committee. Mr Raymond has obtained from the clergymen of Charlottetown unlimited volunteers as speakers, and Dr. Johnson has been equally successful with the Charlottetown physicians and surgeons. In addition, these two gentlemen rapidly are establishing cordial contacts with preachers and doctors throughout the two counties.

Vice-Chairman Higgins goes through the country every night and arranges the meetings, also recruiting new District Chairmen as he travels. Vice-Chairman Holman spends the whole of every day and many evenings in the country, co-ordinating the work of the District Chairmen and stimulating the activities of the District Committees. In addition to recruiting the other speakers, Mr. Tidmarsh and Mr. Rogers make nightly speeches in various parts of the Province.

"The raising of this $250,000" said Executive Chairman Tidmarsh this morning, "is not merely a Charlottetown task; it is an enterprise that commands the co-operation of all the people in Kings and Queens counties, and toward which we also welcome all the assistance which residents of Prince County may care to give us. We simply must build an entirely new Prince Edward Island Hospital, and at the same time knit all the people of Kings and Queens counties in with Charlottetown as members of one great community."

BY THEIR OWN PRIVATE WIRE

The initial transactions in today's market were but slightly lower, but before the elapse of twenty minutes, heavy selling by professionals became active causing the list to soon reduce to two or three points. The readiness with which prices yielded was probably due to lack of positive feature in the domestic business news over the week end, plus the report of the political unrest in Cuba and Brazil, in which latter country revolutionary tendencies have spread widely and with amazing rapidity. The lower level thus rather early established in the session constituted a resistance point for most of the day, there being occasional rallies of slight proportions, representing probably accumulation by those chiefly concerned with more ultimate future of stock market. During the last hour market yielded further but did not close on absolute lows of the day the net losses ranging from one to three points in more active issues.

It is quite apparent that there is increased degree of sensitiveness to adverse news. While state of mind thus revealed as dominating the present market at the expense of prices may continue for the present.

It remains true that greater than usual rewards await discerning buyers now, who exhibit confidence in running counter to current psychology.

It is recommended that opportunities be availed by assuming long positions in issues representing values as Steel, American Can and New York Central.

Total sales for today 2,331,700.

IN MEMORIAM

MRS. D. L. McPHERSON

Not for many a day has this whole Parish been so saddened by death as by the unexpected and untimely decease of Mrs. D. L. McPherson, at the early age of 28 years on Sept. 28 last, after a painful illness which lasted about two months. Mrs. McPherson was a woman of excellent principle, true and straight, courteous and kind, interested in everything that made for the good of the community, and the extension of the Kingdom of Christ. Ever since as a bride she came to reside in Caledonia she grew in the love and esteem of the entire community. Alas now she will be missed for many a long day.

She leaves to mourn and miss a loving mother and devoted wife, her husband, Mr. D. L. McPherson, her young son, Cluny, her father, Mr. D. McPherson, of Millview, two brothers, John of Glenwilliam and Dan of Montague Head, three aunts, Mrs. Davison, Boston, and Misses Catherine and Jessie McDonald of Cambridge, Mass.

The large attendance at the funeral was a tribute and testimony to the love and esteem in which Mrs. McPherson was held. The Presbyterian Church of Caledonia was crowded to capacity at the impressive service conducted by her pastor, Rev. H. Murray, assisted by Rev. D. M. Sinclair of Valleyfield. All that is mortal of Mrs. McPherson is laid to rest in the Caledonia Cemetery, "until the day dawn and the shadows flee away." The pallbearers were Messrs Angus Matheson, Malcolm McDonald and Colin McInnis, Glenwilliam, and Malcolm C. McDonald, Charles Walker and J. S. Stewart of Caledonia.

In this their hour of sorrow and sad bereavement the prayerful sympathies of this whole community will go out to the husband, the father, brothers and all her friends, that the God of all grace and comfort may now come to their aid.
