DEATHS

NICHOLSON.— At Clyde Station, March 27, 1916, Mrs. Catherine, widow of the late Duncan Nicholson, aged 88 years. Funeral Tuesday, March 28th, at 3 p.m., to Hartsville.

IN MEMORIAM

LIXIE MATHESON.

On Saturday, March 18th, there passed away at Strathcona, Lixie Matheson, wife of Archie Matheson. Mrs Matheson was eighty-two years of age at the time of her death and came out from Scotland seventy-six years ago. She had been ill for about three years, being perfectly helpless and at times suffering the most intense pain. She was a member of the Methodist Church for over sixty years. Her enjoyment of religion made it a real pleasure to visit her during her illness. She was particularly fond of hearing the grand old hymns of faith and heaven sung to her. Besides her husband, she leaves to mourn one brother, living in Mt. Hope, and Alex. and Daniel in California; her sons John in Melrose, Alexander in Middleboro, Mass., Robert in Sydney and her daughters, Mrs George Best in Boston and Mrs Leonard Steel at home.. The services at the house and grave were conducted by Rev. Wm. McLeod of Dundas.—*.

Synopsis of Canadian Northwest Land Regulations.

THE sole head of a family, or any male over eighteen years old, may homestead a quarter-section of available Dominion land in Manitoba, Saskatchewan or Alberta. Applicant must appear in person at the Dominion Lands Agency or Sub-Agency for the District. Entry by proxy may be made at any Dominion Lands Agency (but not Sub-Agency) on certain conditions.

Duties—Six months residence upon and cultivation of the land in each of three years. A homesteader may live within nine miles of his homestead on a farm of at least 80 acres, on certain conditions. A habitable house is required except where residence is performed in the vicinity.

In certain districts a homesteader in good standing may pre-empt a quarter-section alongside his homestead. Price $3.00 per acre.

Duties—Six months residence in each of three years after earning homestead patent; also 50 acres extra cultivation. Pre-emption patent may be obtained as soon as homestead patent, on certain conditions.

A settler who has exhausted his homestead right may take a purchased homestead in certain districts. Price $3.00 per acre. Duties—Must reside six months in each of three years, cultivate 50 acres and erect a house worth $3.00

The area of cultivation is subject to reduction in case of rough, scrubby or stony land. Live stock may be substituted for cultivation under certain conditions.

GIRLS! HAVE A MASS OF BEAUTIFUL HAIR, SOFT, GLOSSY, WAVY

25-CENT BOTTLE DESTROYS DANDRUFF AND DOUBLES BEAUTY OF YOUR HAIR.

Within ten minutes after an application of Danderine you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please your most will be after a few weeks' use, when you see new hair, fine and downy at first—yes — but really new hair— growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing —your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any — that it has been neglected or injured by careless treatment— that's all — you surely can have beautiful hair and lots of it if you will just try a little Danderine.

"TIZ" PUTS JOY IN SORE ACHING FEET

"My, how 'Tiz' gladdens tired, Swollen, Burning Feet—It's Glorious!"

Ah! what relief. No more tired feet; no more burning feet; no more swollen, aching, tender, sweaty feet. No more soreness in corns, callouses, bunions.

No matter what ails your feet or what under the sun you've tried without getting relief, just use "Tiz." "Tiz" is the only remedy that draws out all the poisonous exudations which puff up the feet. "Tiz" cures your foot trouble so you'll never limp or draw up your face in pain. Your shoes won't seem tight and your feet will never, never hurt or get sore and swollen. Think of it, no more foot misery, no more agony from corns, callouses or bunions.

Get a 25-cent box at any drug store or department store and get instant relief. Wear smaller shoes. Just once try "Tiz." Get a whole year's foot comfort for only 25 cents. Think of it.

BRIGHTER CHILDREN

Children are probably brighter to-day than a generation ago—but are they stronger? That's a grave question. So many pinched faces, dulled eyes and languid feeling make us wonder if they will ever grow into robust, healthy men and women.

If your children catch colds easily, are tired when rising, lack healthy color, or find studies difficult, give them Scott's Emulsion for one month to enrich their blood and restore the body-forces to healthy action.

Scott's Emulsion is used in private schools. It is not a "patent medicine", simply a highly concentrated oil-food, free from harmful drugs. It cannot harm; it improves blood; it benefits lungs and strengthens the system. Your druggist has it—refuse substitutes.

Scott & Bowne, Toronto, Ont. 15-21

Sir James Watson's Opinion Considered Very Valuable

He says that the commonest of all disorders, and one from which few escape is Catarrh. Sir James firmly believes in local treatment, which is best supplied by "CATARRHOZONE." No case of Catarrh can exist where Catarrhozone is used; it is a miracle-worker, relieves almost instantly and cures after other remedies fail. Other treatments can't reach the diseased parts like Catarrhozone because it goes to the source of the trouble along with the air you breathe. . Catarrhozone is free from cocaine, it leaves no bad after-effects, it is simply nature's own cure.

Beware of dangerous substitutes offered under misleading names and meant to deceive you for genuine Catarrhozone which is sold everywhere, large size containing two months treatment costs $1.00; small size 50c; trial size 25c.

PRELIMINARY MILITARY INFORMATION.

(Punch.)

Officer (furiously)— "What the deuce is the matter? Where are your shots going?"

Irish recruit (nervously)— "Sure I dunno, sor; they left 'ere all right!"

IMPORTANT

Relatives of soldiers returning from the front are asked to communicate with the Secretary of the Provincial Committee of Wounded Soldiers Commission, Miss Nellie Gillespie, Charlottetown, intimating the date of expected arrival, cause of return and any other particulars, in order that preparation may be made for a fitting reception.

Good Looks Too Valuable To Ever Be Neglected

If nature had her way every complexion would be clear and delightful. But many allow their blood to become weak,—hence pimples, sallow skin, dark circles under the eyes. To have a beautiful complexion use Ferrozone regularly. It brings a rich , ruddy glow to the cheeks, nourishes the blood and thereby destroys humors and pimples. For beauty, health and good spirits use Ferrozone. Your appearance will improve a hundred fold. Fifty cents buys a box of fifty chocolate-coatedd Ferrozone tablets—Don't put off—get Ferrozone today.

To Cure a Cold in One Day

Today, as much as in any time, during the history of the world, your country looks to the farmer—to you for the produce and the substance that will support us in the present struggle for world supremecy.

You need a bigger crop this year. Far higher price will be paid this year. And to get this better crop and to get these higher prices you will have to use

UNMIXED FERTILIZER

By using these unmixed fertilizers you can secure good returns from every section of every field on your farm. You can build up the land to its highest state of fertility, and be absolutely certain of a bigger crop, the quality of which will secure the highest market price.

With these unmixed fertilizers you can apply to your land Superphosphate, Basic Slag and Nitrate of Soda in just the right proportions, separately or in any combinations to suit the varying needs of any field on your farm. These unmixed fertilizers cut out uncertainty— you are sure of a larger crop.

Some of the most successful farmers on the Island have been regular users of these unmixed fertilizers, from their experience and our own knowledge we are sure that we can give you valuable advice in cultivating this year's crop.

Also we have a number of interesting booklets written by practical farmers on crops, crop cultivation and fertilizers. A limited number of these will be given free. Let us get together in making this year's crop a bumper success.
