It is very necessary then that all interested in the work have a voice in the matter and lend their support to the cause so much needed. It has come to the time when all must act, therefore the Association expects that every man shall do his duty. The meeting will be held in the Town Council room at 3.30 p. m. Let there be a large attendance.
 MARY DOUISE CLARY, May 6th.—All along the route of the Clary concert tour much enthusiasm is felt in hearing the wonderful contralto voice which is conceded on all sides to be the most remarkable of this generation. Madame Clary will enter on this tour fresh from her triumphs in Toronto, Montreal and Ottawa, where she is to be one of the leading attractions in the great Festivals there, for which Sir Alexander McKensie is brought out from England as conductor. Clary is to be the sole representative of America in those festivals, as all the other singers are being brought from England. But no voice equal to Madame Clary's could be procured on the other side, and she is certain to be one of the best successes in this brilliant array of the world's leading artists. Clary's appearance here on the above date is daily being looked forward to with more interest, and the people are realizing that an opportunity is being presented that they cannot afford to miss. Don't fail to have your name placed on Mr. Whitney's list at once, as subscriptions are rapidly coming in.
