Davies, senior judge of the Supreme Court of Canada and deputy governor general of the Dominion, will be one of the principal speakers at the eighth annual banquet of the Intercolonial Club, which is to be held Tuesday evening April 30th, in the club hall, 214 Dudley Street, Roxbury. Sir Louis accompanied by Lady Davies, will arrive in Boston shortly, giving the Canadian and British societies of Boston, an opportunity of meeting one of the most prominent figures in the public life of Canada.—Boston American.

A delightful Easter Concert was given by the children of the Charlottetown Baptist Sunday School Monday night in the Church auditorium. There was a good attendance and a neat sum was realized for the Sunday School Library. Superintendent J. P. Gordon presided gracefully. Mrs. G. B. Norton was the pianist and E. Acorn accompanied upon the organ. Miss Lillian Earl, the Church organist played an opening voluntary, and accompanied the choir in the rendering of an Easter anthem. The programme was a fine one and varied consisting of choruses by the whole Sunday School, Dialogues, recitations, trios, and duets. Every part was well done, and the whole concert reflects much credit not only upon all who had a part in it, but also upon the teachers and officers of the Sunday School who trained the children for this entertainment. It showed much care and thought on the part of those who were responsible for the preparation of the concert. The Sunday School has much promising talent in the way of recitation and song. It would be a very difficult thing to get up a better Easter concert than the one given in the Baptist Church.

CATARH OF THE BLADDER

SANTAL MIDY

RELIEVED IN 24 HOURS

Garnet LeLacheur of Murray Harbor has received the appointment of Seed Inspector for Prince Edward Island and has entered upon his duties.

In the Central Methodist Church Thursday evening Rev. Geo. Steel, of Shediac, addressed the congregation on church union, speaking against the proposal.—Moncton Exc. (Rev. Mr. Steel is well known in this Province.)

Miss Amy Earl whose services in the choir of St. Pauls church, Charlottetown, are always so much appreciated by the congregation was presented with a generous purse on Easter day as a token of appreciation and esteem.

J. W. Richards of P. E. Island, who has been ill in the hospital for the past month, returned to his apartments yesterday. Mrs. Richards has arrived from her home in Charlottetown, P. E. I., to spend a week with her husband.—Ottawa Exc.

The Easter social season opened auspiciously in Charlottetown Monday afternoon, Mrs. Coombs, Rochford square entertaining a large number of friends at afternoon tea. Mrs. Coombs was assisted in the tea room by Mrs. Deacon, Mrs. Rossborough and Miss Daisy Hobkirk.

On Monday, Miss Nellie Soy who has been engaged as cashier and book-keeper for D. Geldert, left here for Truro where she has accepted a similar position with The Maple Leaf Lumber Company. She is accompanied by the best wishes of her Windsor friends.—Windsor Exc. (Miss Soy lived in Charlottetown until about two years ago.)

Fox farming as an industry was established in Prince Edward Island twenty years ago by C. E. Dalton, Tignish, now Hon. C. E. Dalton. It has spread since to the adjoining Provinces where the large profits which are possible in the business have lured financiers and even small beginners to take up the work. To King's County, N. S., the fox farming craze has extended itself. The Kentville Advertiser of March 29th, has an interesting account of a proposed new industry for King's County on Bout Island, where Lewis E. Duncanson has for years been engaged in farming. For a long time, it says, Mr. Duncanson has had fox farming in mind, but only lately has been able to interest others in his venture. The result is a company has been incorporated, "The Bout Island Fox Company" with a good capitalization. This is an industry which will no doubt become profitable. So great has been the demand for young foxes that breeders have obtained as high as \$3,000 an upward for a single young black fox.

SUREST TONIC

IN THE WORLD

IS "FRUIT-A-TIVES" THE GREAT FRUIT MEDICINE

Like fruit juice, "Fruit-a-tives" acts on the great blood purifying organs of the body—namely the liver, bowels, kidneys and skin, and stimulates all these parts to increased activity. The splendid nerve tonic and intestinal aperient, combined with the intensified fruit juices, make "Fruit-a-tives" the finest of nerve tonics.

On the stomach, "Fruit-a-tives" acts as a soothing tonic and allays all irritation. By purifying the blood—strengthening the nervous system and regulating kidneys, bowels and skin—"Fruit-a-tives" builds up the whole system as nothing else will.

"Fruit-a-tives" is a really wonderful medicine—being made directly from fresh fruit—and is the intensified juices of apples, oranges, figs and prunes. "Fruit-a-tives" is the only medicine in the world made of fruit. It is mild in action—pleasant to take—and is a tonic of inestimable value.

50c. a box 5 for \$2.50 or trial size, 25c. At all dealers, or from Fruit-a-tives Limited, Ottawa.

DEATH OF Wm MACLEAN

(Continued from page 4.)

and beyond criticism in his business dealings, he won the deep regard, high esteem and often the affection of those with whom he became associated. Physically he was a fine example of the sturdy pioneers of the little province and even his fifteen years beyond the allotted three score and ten found him erect in stature and exceptionally keen in his mental functions. Six weeks ago he began to decline and shortly after his family were advised by the physician that the end was near. Monday at two o'clock he was jovial and bright and passed away quietly about half an hour later. He leaves a sorrowing widow and the following sons and daughters: Angus A. attorney-at-law and M. P. for Queen's County, Charlottetown; Mrs. J. A. Nicholson, wife of the registrar of McGill College, Montreal, who is at present visiting at her elder brother's home here; Donald, general merchant, Crapaud; Simon, Spokane,

DON'T PULL OUT THE GRAY HAIRS

A Few Applications of a Simple Remedy Will Bring Back the Natural Color.

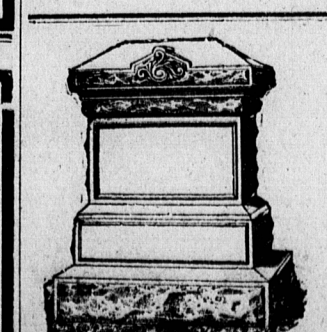

"Pull out, one gray hair and a dozen will take its place" is an old saying, which is, to a great extent, true, if no steps are taken to stop the cause. When gray hairs appear it is a sign that Nature needs assistance. It is Nature's call for help. Gray hair, dull, lifeless hair, or hair that is falling out, is not necessarily a sign of advancing age, for there are thousands of elderly people with perfect heads of hair without a single streak of gray.

When gray hairs come, or when the hair seems to be lifeless or dead, some good, reliable hair-restoring treatment should be resorted to at once. Specialists say that one of the Kington, Canada, best preparations to use is the old-fashioned "sage tea" which our grandparents used. The best preparation of this kind is Wyeth's Sage and Sulphur Hair Remedy, a preparation of domestic sage and sulphur, scientifically compounded with later discovered hair tonics and stimulants, the whole mixture being carefully balanced and tested by experts.

Wyeth's Sage and Sulphur is clean and wholesome and perfectly harmless. It refreshes dry, parched hair, removes dandruff and gradually restores faded or gray hair to its natural color.

Don't delay another minute. Start using Wyeth's Sage and Sulphur at once and see what a difference a few days' treatment will make in your hair.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists. Special agents E. A. Foster, Sunnyside.

Molassine Meal is The Best Stock Food

Molassine Meal is a sweet stock food with all the valuable ingredients of molasses but the potash salts found in the latter have been neutralized in Molassine Meal.

This meal is an English food that is used wherever the English language is spoken. It makes the animals strong, vigorous, aids digestion and keeps them in perfect condition.

When Molassine Meal is used the same amount of oats, maize, cake or other food stuff can be eliminated.
