SENIOR MEN in hockey to-night.

The Legislative Assembly Room is being placed in shape for the opening of the Legislature next Thursday.

In the excavations in connection with repairs to the Post Office frost was found in the ground to the depth of four feet three inches.

THE parade of the B. I. S. and A. O. H. headed by the League of the Cross Band yesterday morning to St. Dunstan's Cathedral and thence through the principal streets was a large one and attracted many admiring spectators. At the cathedral an eloquent sermon fitting to the anniversary of St. Patrick, was preached by Rev. Father Campbell of St. Dunstan's College.

THE teams which will line up at Hillsboro Rink to-night are as follows:-

ARTILLERY ALL COMERS

Moran	Goal	Rattenbury
Gaudet	Point	Gaudet
Drake	Cover	McMillan
P. und	Forward	Boyle
McQuillan		Brown
Sullivan		McLean
McLeod		Gormley

These men are all of the Senior League and as the teams are very evenly matched a very close and exciting contest is assured. The Druggists and A. M. C. who played a draw game a week ago will endeavor to settle the question of superiority.

DUNDAS NOTES:-The farmers adjacent to the Grand River are busily engaged hauling oyster mud while those who are not in the mud business are taking advantage of the splendid sleighing to finish the winter's hauling, which is somewhat further from completion than on the same date last year, owing to the very cold and stormy weather of this season.

The party leaders are already sounding the trumpets for the onset in the coming political campaign in this district. It is hoped that they will try and conduct the contest in a clear and spirited manner without the use of corrupt influences. As it will be mostly elderly men who will be voting it is hoped that what those parties have always been preaching, viz, that the young men wanted the whiskey and would not vote without it, will be practiced by themselves. A large meeting was held recently in the hall at Bridgetown to discuss steam communication on the Grand River. After much discussion, a resolution asking for a subsidy for such a service of \$500 from the P. E. I. Government and \$1000 from the Federal, was carried unanimously. A committee was then appointed to undertake the task of securing the services of a suitable boat, and the formation of a Joint Stock Company. The following men compose the committee: Chairman-G. O. E. Savile, Dundas; W. A. O. Morson, Charlottetown; Neil McKay, Dundas; John Howlett, Annandale; Irwin McFarlane, Annandale; Geo. McDonald, Annandale; D. C. McKay, Bridgetown; W. E. Leard, Bridgetown; Elwin Clay, Bridgetown. The committee will meet in a short while for the purpose of making arrangements to charter a boat for this season, providing they get the subsidy asked for, and if the results justify them they will then buy or build a suitable boat.

At the auction sale of stock of the late John Robertson of Brudenell on Wednesday the thoroughbred Ayrshire cow "Dainty Lass" no. 10742 was purchased by Rev. E. Smith of Cardigan.

Rev. Edwin Smith came to the city yesterday afternoon from Cardigan and last night delivered his popular lecture "From Ocean to Ocean" in the Cornwall Methodist Church to a good audience.

The funeral of the late Miss Christina Stewart of Brudenell took place from the residence of her brother Angus Stewart to Georgetown cemetery on Wednesday last. Miss Stewart was in her 83rd year at the time of her death and was one of the oldest and most respected members of this community. In the absence of her pastor Rev. R. G. Sinclair the funeral services were conducted at the house, by Rev. E. Smith of Cardigan, and at the grave by Rev. G. C. Robertson of Georgetown. Pictorial papers please copy.

Miss Nellie Barsalous Gives Interesting Interview

Tells How she Was Cured of Kidney Disease After Doctors Failed - Ferrozone Alone Responsible For Her Recovery - It cured Permanently.

Miss Nellie M. Barsalous is well known in her native city of Wilmington, where every doctor of reputation tried to cure her. But they didn't succeed. This conclusively proves that Ferrozone must certainly be an absolute cure for kidney trouble. "Six months ago I noticed lameness and dragging pains across the small of my back," writes Miss Barsalous. "I felt weary and completely worn out. It wasn't work that made me so tired, nothing, but defective kidneys. I took the doctors' treatment, and used dozens of articles in read for the kidneys. But in spite of this I kept getting worse. Then I used Ferrozone. It was three weeks before I was perfectly satisfied it was helping me, but after that I improved steadily and soon well. I know of no better remedy than Ferrozone, which has improved my health immensely and saved me from Bright's Disease."

Next to consumption, kidney disease is the most fatal. Many a life has been lost simply because the unfortunate victim of deranged kidneys wasn't aware of his perilous condition in time. Here is a simple test. Put some urine in a glass and let it stand twenty-four hours. If it shows germs floating about, looks milky or cloudy, if it contains any sediment, your kidneys are diseased. Don't risk your life with doubtful remedies, use Ferrozone, which doctors admit is the quickest and most certain cure. Ferrozone contains the scientific combination of the most valuable agents known for the kidneys. This explains its marvellous cures and universal success. Ferrozone is guaranteed and sold at 50c per box or six boxes for \$2.50, by all druggists. By mail from N. C. Polson & Co., Kingston, Ont., and Hartford, Conn., U. S. A.
