Presentation Of Diplomas And Pins

A presentation of diplomas and Red Cross pins to nineteen students, who recently completed the standard course in First Aid, was made on Friday evening in the Guide Room of St. Mary's Academy. The president of the local Red Cross branch, Mr. John E. Campbell, acted in the capacity of chairman and congratulated the instructor and the members of the class who were rendering a major service in the community. He presented the diplomas to Miss Gladys Holman, vice-president of the local branch, and Mrs. Ernest Mills chairman of the women's work, presented the Red Cross pins. The ladies of the Provincial Red Cross, who had examined these students were enthusiastic in the praise of the high standing of this class whose average was 89.1-2 per cent remarking it was one of the best in the province.

Short Course In Agriculture Opens With 27 Students

The twenty-seven students who yesterday entered upon their class-work in the six-weeks agricultural short course at the Vocational School were addressed in the afternoon by Premier J. Walter Jones, Minister of Education; Hon. W. F. A. Stewart, Minister of Agriculture; and Dr. L. W. Shaw, Director of Education. Both the Premier and Mr. Stewart emphasized the necessity of the young farmers acquiring some technical knowledge without which, they stated, the young farmer could not make a success of his calling. Both stressed the fact that the course was not exhaustive but both dwelled on the importance of the young farmer securing some elementary knowledge of veterinary practices, field and animal husbandry, etc. If he were to be in a position to face with confidence the complex agricultural problems which, they said, confront the farmer today in the past.
