**S. A. McDONALD,**

### THE KING'S COUNTY GUARDIAN

MANY friends will regret to learn  
of the illness of Allan McDonald, Lower  
Montagus. Mr. McDonald has passed  
his 81st year and is one of the oldest  
men in King's county.

At Georgetown yesterday the Prohi-  
bition cases against Caleb Campbell, Dan.  
Skinner and F. S. Mitchell were dis-  
missed, and the case against John Knight  
held for one week for judgement.

### REGAIN NOW THE STRENGTH YOU LACK!

Winter Leaves Us Miserable, Ailing,  
Weak.

### BUILD UP NOW.

During the winter the system gets  
sluggish. The blood, polluted with im-  
purities, feeds the nervous system and  
dulls the actions of both liver and kidneys;  
the foulness of the system increases and  
when spring comes we are limp and use-  
less.

Spring "system cleaning" is a duty; the  
body sewers must be flushed out and  
waste matter removed—otherwise weak-  
ness and nervousness will surely fol-  
low.

Begin by enriching the blood. Make it  
pure and nutritious by taking Ferrozone,  
it's the greatest blood former known to  
medical science.

Ferrozone makes the liver fairly sing  
with new life, makes the kidneys dance  
with renewed vitality, and thus the  
winter's accumulation of pollution is ex-  
pelled.

Of course digestion must be improved,  
and probably the stomach will require  
aid as well. Ferrozone serves the pur-  
pose admirably. Those who use it, enjoy  
appetite and digestive powers far beyond  
the ordinary.

That tired feeling is replaced by the  
buoyant, joyous sensation of health and  
vigor. Day by day as your strength in-  
creases, you feel new energy surging  
through your veins, and know that a  
tonic of great merit is at work.

No remedy more nourishing or up-  
lifting, no treatment so sure to bring  
lasting health, good spirits and content-  
ment. Ferrozone contains just what  
run-down folks need; it cures because  
it supplies more nutriment than you can  
get in any other way. Free from alcohol  
and prepared only in chocolate-coated  
tablets, 50c. per box or six for \$2.50 at all  
dealers. Be sure you try "Ferrozone."

Toothache—There is no ache in the  
world that can make you feel more miser-  
able than toothache; and there is nothing  
that will cure it quicker than Hughes'  
Nervine. It destroys the nerve thus re-  
moving the cause. Price: 10 cents per  
bottle.—Geo. E. Hughes, Apothecaries  
Hall. 5-14drft.

Miller Bros. are meeting with great  
success since they introduced their new  
system of selling goods. From all parts  
of the country come congratulations.  
The people realize what it is going to save  
them and they appreciate it. Anyone can  
readily understand that goods can be  
sold direct to the customer at a much  
lower rate than if middlemen's profits  
have to be paid, or expensive managers  
retained. The people get the benefit, and  
judging by their responses they appre-  
ciate it very much. They realize that it is  
the only way to do business. Miller
