—CHRISTMAS SHOPPERS.—Stores look very gay and attractive in their Christmas trimming and the gifts displayed vie with other in beauty and usefulness. The wonderful toys on display have a great attraction for the kiddies, who have by now sent in their letters to Santa Clause asking for that particular toy which catches their eye in the shopwindow and let us hope that the dear little kiddies will not be disappointed. There were quite a number of Christmas shoppers in Summerside on Thursday. The main roads have been broken from the west and many of the by-roads are being opened up. The roads to Borden and Bedeque are open and if the ice on the harbour keeps good the winter road will soon be fit for travel. S.

—EXCELLENT LECTURE — Rev. W. H. Harding, pastor of the Christian Church, Summerside, gave an excellent lecture on the Pilgrim Fathers on Wednesday evening. The speaker in his usual pleasing manner, gave a graphic account of the adventures of the Pilgrim Fathers from the time they left England on the May Flower to the time they arrived on the New England shores. He then went on to describe their hardships during their first winter in the new land. Their trade and grateful friendship with the Indians. How they gradually established towns and colonies, making laws, which were very severe, and establishing their churches and forcing the people to observe Sunday as the day of rest, under pain of severe penalty. From this small beginning, over three hundred years ago, arose the great city of Boston and other cities in the United States. The history of the Pilgrim Fathers, as told by Rev. Mr. Harding is both fascinating and instructive. At the close of the lecture, Miss Maude Cannon rendered in a pleasing manner, a beautiful solo. A vote of thanks to the speaker was moved by Mr. W. W. Smith and seconded by Mrs. Creelman MacArthur, who also thanked the lecturer on behalf of the Missionary Society as the lecture was given in aid of missions. A silver collection was taken up. The meeting closed with "The King"—S.
