

# AFTER FOUR YEARS OF MISERY

### Cured by Lydia E. Pinkham's Vegetable Compound

Baltimore, Md.—“For four years my life was a misery to me. I suffered from irregularities, terrible dragging sensations, extreme nervousness, and that agonizing feeling in my stomach. I had given up hope of ever being well when I began to take Lydia E. Pinkham's Vegetable Compound. Then I felt as though a new life had been given me, and I am recommending it to all my friends.”—Mrs. W. S. Ford, 1928 Lansdowne St., Baltimore, Md.

The most successful remedy in this country for the cure of all forms of female complaints is Lydia E. Pinkham's Vegetable Compound. It has stood the test of years and to-day is more widely and successfully used than any other female remedy. It has cured thousands of women who have been troubled with displacements, inflammation, ulcerations, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, and nervous prostration, after all other means had failed.

If you are suffering from any of these ailments, don't give up hope until you have given Lydia E. Pinkham's Vegetable Compound a trial.

If you would like special advice write to Mrs. Pinkham, Lynn, Mass., for it. She has guided thousands to health, free of charge.
