**WEDNESDAY**  
**WOOD ISLANDS**—The sacrament of the Lord's Supper will be dispensed in Wood Island Church on Sabbath, November 6th. Preparatory service on Saturday at 11 o'clock. Rev. A. S. Stewart will preach.

**ISLANDERS TO SHARE IN \$10,000 ESTATE**—Several provincials are to share in the distribution of the \$10,000 estate left by Miss Ella Cameron Locker, who died intestate in New York on December 24, 1912. The heirs include Miss V. A. Dunlap and James H. Dunlap, of Montreal; William Aitken, John Cameron, Sarah Essary and Alexander Ferguson, of Charlottetown; Anna L. G. A. and Hannah Aitken, of Georgetown, P.E.I., and Ellen R. McNeill, of Ottawa. All the heirs are cousins of Miss Locker.

**BLOWING UP THE WRECKS**—Mr. H. E. Poland, submarine engineer of the Dominion Government, who has been here blowing up the old wrecks stranded on the island shores came in yesterday from Cardigan where he demolished the hull of the old schooner Baltic. The Baltic was one of the old time strongly built vessels and as much as 90 pounds at a shot of gelatinized nitro-glycerine was used to blow her apart, as compared with the two and a half pound shots used on the old hull in Charlottetown. Mr. Poland returns to Cardigan to finish some business affairs. Upon his return he may go to Rocky Point to break up the old wreck of a schooner.

**CHILD DIES FROM BURNS**—A very painful accident occurred at West Devon on Sunday morning, when Laura, the little daughter of Mr. and Mrs. McArthur was so badly burned that she only lived three hours afterwards. It is supposed the little one's clothing caught fire from the kitchen stove while her parents were out doing their morning chores. They had about 12 p. m. the little spirit took its flight. Little Laura was a very bright child for her years, and was a general favorite with all. Much sympathy is felt for the parents in their very sudden bereavement.

**CONCERT SUCCESS**—The concert and pie social which was held in Maple Leaf Hall on Oct. 13, in aid of the Cross River School was a decided success. The programme consisted of two choruses, "Till the Boys Come Home" and "I've Gone Back to Dixie." Recitation by Miss Annie McLellan, Solo and Recitation by Rev. Fr. Connolly. Three dialogues, "Taking the Census," "The Unwilling Witness and Looking Around for a Wife," the different parts being taken by Gertrude McKinnon, Alfreda McNeill, Annie McDonald, Lucille McNeill, Annie McLellan, Linus McDonald, Dr. Cummings and Kellan McDonald each one doing their part excellently. After the concert came the sale of pies. Dr. Cummings being auctioneer and the surety was some lively bidding. The neat sum of \$50 being realized which goes to buying furniture for the school. Much credit is due Miss McNeill and Miss McKinnon by whose efforts the concert was made.

There passed away at her home in the Village of Corunna, Lambton County, Province of Ontario, on Friday, October 7, Isabella MacRae, relict of the late Murdoch MacRae, a native of this Province, both former residents of the Selkirk Road, Lot 62, from which they immigrated many years ago with their children, to their Ontario location, where they were held in high esteem.

She was the mother of seven children, six of whom survive her, four daughters, viz., Annie, Mrs. Fred Danielson, of Cleveland, Ohio, Margaret, Mrs. Stone of Froomfield, Ont., Mary, Mrs. James Brown, of Sault Ste. Marie, Ont., and Miss Kittie at home and two sons, Malcolm of the United States mail service, Detroit, Mich., and John on his farm, on the Tenth Concession of the Township of Moore, Lambton County, Ontario. A son Alex predeceased her, having been killed by a kick from a horse on Christmas night a few years ago.

There also survives her two sisters and a brother, residents of this Province, Mrs. John Mackenzie, and Mrs. Roderick MacRae, and the brother Donald MacRae, on the old homestead all of Flat River.

She was highly esteemed in her home and church, as evidenced by the concourse of friends and neighbors who followed her to the Froomfield Cemetery, where she was laid to rest. The numerous Prince Edward Islanders of her vicinity who made her home a place of resort, will miss her, and regret her decease.

**GENEROUS CONTRIBUTION**—The Malpeque branch of the W. P. A. has forwarded to the treasurer of the Red Cross Society, Charlottetown, their regular contribution of one hundred dollars (\$100.00) for the months of August and September.

**CHURCH ITEM**—The following is from the last issue of the Christian Guardian, Toronto: Summerside, Prince Edward Island.—This church, of which the Rev. J. M. Rice, B.A., is minister, issues a very encouraging financial statement. The income, nearly \$4,000, and the year closed with a small balance in the hands of the treasurer. It is not difficult to finance a small church when the contributions from one family amounts to over three hundred dollars and others give in an equally liberal manner.

**EMERALD WOMEN'S INSTITUTE**—The regular monthly meeting of the Emerald Women's Institute was held at the home of Mrs. George Mayne, Wednesday, October 25th. The secretary, Miss Monaghan was appointed to buy the window blind and other fixtures needed for the school. Mrs. Wm. Clarke and Mrs. George Mayne were appointed to visit the school this month. The next meeting will be a "Literary Night," and will be held at the home of Mrs. J. D. MacGuigan, Wednesday, November 15th.

**NO COMPETITORS**—Referring to the recent appointment of Rev. D. J. Fraser, the Christian Guardian says: "The Maritime Provinces still continue in the business of raising college presidents. Sometimes it looks as if they had no competitors. Rev. Dr. D. J. Fraser has just been made principal of the Presbyterian College in Montreal. He is a native of Alberta, the Christian Guardian says, and was educated at the University of Wales College, Charlottetown, and at McGill and Harvard. For a dozen years he has been professor of New Testament literature and exegesis."

**SUCCESSFUL HALLOW'EEN TEA**—The Young Ladies' Guild of St. James' Church are entitled to and are receiving the usual congratulations on the success of their Halloween Tea, held last night. The annual events have for a number of years attracted special attention, their patrons being drawn from all denominations in the City. Last night's function was perhaps the most successful yet held. The attendance was large, as large as the busy young ladies could conveniently attend to, yet sumptuous meals were dispensed to all and all were satisfied. The proceeds amounted to about \$130, which will be appropriated by the Guild for the furtherance of their patriotic work.

**CALEDONIAN CLUB**—The annual business meeting of the Caledonian Club was held in the club room last night. Mr. James McEachern, president, and Colonel Stewart was acting Chief. Officers bearers for the ensuing year were elected as follows: Chief, Mr. E. D. Shaw, President, Mr. D. A. McKinnon, K. C., First Vice-President, Mr. George McCormac, Second Vice-President, Captain White, Recording Secretary, Mr. T. A. McMillan, Treasurer, Mr. Alex. McDonald, Financial Secretary, Mr. D. R. McLennan, Corresponding Secretary, Mr. J. R. Burnett, Directors, Messrs W. W. Walker, J. McLaughlan, S. A. McLeod, J. B. Stewart, James McLean, James Paton, Charles Webster, James McIsaac, and Dr. W. J. P. McMillan. The committee to arrange for the celebration of St. Andrew's Night was appointed as follows: Colonel Stewart, Captain White, Messrs J. R. Burnett, J. D. Stewart, and John McLaughlan.

On Monday morning October 23rd the people of Lot 14, received a terrible shock when they learned that Mr. Wesley Rix one of the most prominent and highly respected young men of that place had died during the night. Mr. Rix had not been well for many days but his illness was not pronounced serious and his death so sudden and unexpected at the early age of 36 years has been a sudden blow to his wife and children and aged parents. Mr. Rix was a young man of excellent character who lived a noble Christian life and was beloved by all for his kind and genial disposition and for his honesty and uprightness in his dealings with men. He was a faithful member of the Presbyterian Church at Lot 14 and had been for some years a member of the board of managers and at the time of his death was secretary of the board. He was always found ready and willing to help in everything that was for the advancement of the work of the Church, and his loss to the congregation will be a great one. He leaves to mourn his loss a grief-stricken widow and three young children, also his aged parents Mr. and Mrs. Robert Rix, three brothers, Havelock, Archie and Rufus in Western Canada, three sisters, Mrs. Frank Patine of Berlin, N. H., and Mrs. Annie Hitchcock and Margaret in Sank. The funeral took place on the afternoon of Thursday Oct. 26th and was very largely attended, people coming from far and near to pay their last tribute of respect to one whom they honored and loved. There was a short service at the house conducted by his pastor Rev. Roland Davidson. After which the procession wended their way to the Presbyterian Church where service was held. Rev. Mr. Davidson preaching from the text. Always abounding in the work of the Lord. The pall-bearers were Arthur McLean, Leslie MacLean, Herbert MacArthur, Albert Fraser, Frank McDonald and Archie Ellis. To the sorrowing relatives and friends deepest sympathy is tendered.—P.

**WEDDING BELLS**—The marriage took place at the Zion church manse, Charlottetown, on Wednesday, the 25th of October, when Gordon D. MacLeod, son of Mr. John D. MacLeod, Hunter River, P.E.I., was united in marriage to Miss Janie Nicholson, daughter of Mrs. Katherine Nicholson, Clyde Station, P.E.I. After the ceremony the bride couple together with the bride's brother, Mr. Duncan Nicholson, proceeded to the home of the bride, where a bountiful repast awaited them. The bride and groom received many valuable presents. Their many friends wish them a happy journey through life.

**'EAST BALTIC**—Miss Mary C. McDonald, Bothwell, and Miss Mary Strahan, East Baltic, paid a flying visit to Souris Monday last. Mrs. Michael McVane, of Chepstow, was a visitor to East Baltic last week as a guest of her cousin, Mr. Jack Keough. Mr. Neil McPhee, New Harmony, was visiting at East Baltic last Sunday, a guest of Patrick Grady. Mr. Wallace Rose, Red Point, has recently purchased a high-bred pacing mare (Susan) from George Robertson, Baltic, for which he paid a handsome sum. Her many friends of Mr. and Mrs. Peter Holland are pleased to see them in their midst again. Mr. Holland has resumed his position as station master at Elmira.

**INSTITUTE MEETING**—The New Annan Women's Institute met at the home of Mrs. W. H. Moore on Thursday, October 27th. After the regular business, Mrs. McIntyre read a paper "Prisoners of War." Then followed a discussion as to what was the best form of Red Cross Work to take up. Ten dollars was voted to buy more yarn for knitting. Boxes were packed and sent to Pte. S. MacDonald, Pte. M. Driscoll, in France, and Pte. A. McKinnon in England. The topic discussed at this meeting was "Bread Making." Mrs. P. S. McIntyre kindly invited the institute to meet her at her home for the next meeting which is to be held in the evening. The ladies are asked to bring their knitting, and an invitation is also extended to the men to be present at this meeting.

**THE CAR FERRY**—The car ferry steamer which left Charlottetown at 8 o'clock on Sunday morning arrived at Picton at noon the same day and at 1 o'clock the work of discharging 480 tons of freight was commenced. The work was completed by 4.30 on Monday morning. On Monday the steamer took in 200 tons of bunker coal and loaded 289 tons of general cargo, finishing the work at 2 o'clock yesterday morning. This is a record for Picton. It seems a pity that the work of loading and discharging the steamer could not be done with the same despatch and satisfaction in Charlottetown. The Charlottetown Labor Union is composed of a fine body of able men and it seems odd that Picton should be able to surpass them. Surely the P. E. Island boys are just as smart and able as the Pictonians and can easily if they so desire, break the record established on this trip by Picton and Picton County laborers. The car ferry steamer arrived in Charlottetown about 1.40 yesterday, having met thick fog all the way over.

**SUMMER HOUSE**—Mr. Thomas B. Huestis of Bristol, Rhode Island, has purchased the house owned by Howard W. Clark of Centerville, Bedeque for a summer residence. He intends to occupy it about the first of June next.

**BEAT THIS WHO CAN?**—Capt Wallace McLeod of the Schooner Mona, owned by Peter McNutt & Son Malpeque left at 3 p. m. on Oct. 25th loaded with oats for New Castle, N. B., discharged the oats reloaded lumber and returned to Keir's wharf on Oct 29 at p. m.

**SEA VIEW**—On Saturday, Oct. 28th Mr. Hedley Adams (son of Bruce and Mrs. Adams) arrived from the North West after an absence of four years. Hedley now belongs to the 226th Regiment, Camp Hughes. He left Summerside on Monday morning to rejoin his Regiment at Halifax as they are going overseas. The many friends of Mr. J. T. McKay are sorry to learn of his severe illness and trust that by good nursing he will be around in a few weeks.

**INTERESTING WAR RELICS**—The window of The Two Macs drug store has some interesting war souvenirs on display. These were brought home by Quartermaster Captain J. S. Walker, who left for Halifax this week on his way back to France. The souvenirs include the first two flags that ever waved over a Canadian hospital in France; a case for carrying shells to the guns; German exploded shells and parts of a Zeppelin; a Zeppelin to be brought down near London by British gunfire.

**NEW BRUNSWICK, TOO**—That New Brunswick also is enjoying the summer-like weather of this beautiful autumn is shown by a note from a Guardian reader in Rogersville, N. B., stating that wild strawberries were being picked in that neighborhood as late as October 15th. It may be added that in Prince Edward Island lilacs in some localities are in their second bloom, strawberries and raspberries are still being picked, although not in commercial quantities, butterflies are still luring the collector and otherwise, generally, Miss Summer still spurns the advances of Mr. Autumn.

**VERY LARGE FUNERAL**—The funeral of Mrs. Maria Isabelle Jones, relict of Mrs. James B. Jones, of Pownal, took place yesterday at Hazelbrook Cemetery. It was one of the largest funerals ever seen in that locality, some one hundred and thirty carriages comprising the cortege. Rev. F. N. Atkinson, Baptist minister, officiated at the house and grave assisted by Rev. E. S. Weeks, of Pownal, and Rev. C. R. Freeman of Charlottetown. All the family were present, including Prof. Vernon W. Jones of Sydney and Mr. and Mrs. Conrad of Sussex, the last named being a daughter of deceased. The pall-bearers were Messrs Robert Jenkins, of Mount Albion; William Jenkins, of Seal River; D. Nicholson, of Head of Montague; Leighton McCabe, of Alexandria; Franklin Boyver, of Burnaby; and Alexander Kennedy, of Tea Hill.

**Flour Facts—and Flour Fallacies**

Every good cook knows that Ontario winter wheat flour makes the most delicious pastry in the world. The good cook, who takes pride in the flaky lightness of her Pie Crusts—in the fine, even texture of her Tarts, Cakes and Buns—says there's "nothing like the famous old Ontario winter wheat flour for pastry".

But the good cook of today does not have to buy "special pastry" flour to get such results. She uses the same flour for Bread as she does for Pastry—and is particularly careful to see that her dealer always sends

**BEAVER FLOUR**

**MILLED OF BLENDED WHEAT**

"BEAVER" FLOUR contains Ontario fall wheat blended with western spring wheat to increase the strength, without decreasing the delicate, nutlike flavour. Quite naturally, the Bread, Rolls and Biscuits you make with "Beaver" Flour have a flavour, a tastiness, a satisfying deliciousness, that you never remember to have enjoyed in such breadstuffs before.

"Beaver" Flour is blended in exact proportions, which are predetermined by scientific tests. Thus, it is always the same in strength and quality, and will always give the same happy results.

Try it for Bread and Pastry—have your dealer send a sack for baking day. Be sure and get the genuine—order by name, and insist on having "Beaver" Flour.

DEALERS—write us for prices on Feed, Coarse Grains and Cereals.
