### Your Best Investment—A PERMANENT FENCE

There is no disputing the fact that good woven wire fencing adds to the value of the farm more than the actual cost of fencing. By good fencing we mean a fence that will enable the maximum area of tillable land to be cultivated, and that will not afford spots favorable for the growing of weeds and the protection of insects—conditions which certain types of fencing tend to foster—and a fence which will be a real protection to your crops.

N. B. WOMAN ENTERTAINS AT 80 NEWTON, Mass., May 14.—Mrs. Henrietta Bishop, a native of St. Stephen, N. B., and the oldest resident of the Baptist Home here, recently entertained friends on her 90th birthday. She is in excellent health and looking forward confidently to reaching the century mark.

Mrs. Bishop was deluged by gifts and congratulatory messages from hundreds of friends in Boston and vicinity.

Besides a son, Mrs. Bishop has four grandchildren and six great-grandchildren.

NEW BEDFORD, Mass., May 14.—Manuel Maderios of this city decided he had no need of a watch dog. The reason is Manuel's big gander. The gander guards the Maderios home as valiantly as any dog, furiously attacking all who seek to enter except members of the family.

## Between the snow-tipped Andes and the Sea

Mountain barrier to the East, the broad reaches of the Southern Pacific to the West—a narrow strip of sand, dotted with oil derricks, teeming with activity. Clamour of the drilling rigs, cutting into the oil sands three-quarter miles underground! And day long, night long, the sucking of the pumps retrieving a buried treasure.

Great Imperial tankers come and go in the roundabouts to carry Peruvian Crude to Canada where, in the Empire's most modern refineries, it is processed into Marvelube, a better motor oil. Full-bodied, carbon-free and sulphur-free, Marvelube meets the exacting demands of the modern high speed motor in the air and on the highway. It is today the standard lubricant for high speed engines throughout Canada.

There is a grade of Marvelube refined to meet exactly the specifications of your car, truck or tractor. See the Marvelube Chart at Imperial Oil stations and dealers.
